Fitness is my business

I RECOMMEND BULLWORKER® BECAUSE IT'S FAST, IT'S EASY AND IT REALLY WORKS!

Aside from keeping many of the stars you see in the movies and on television in top shape, Mike Fretault, at 40, is still one of the most sought-after stunt men in the business.

Most men know they're not getting enough exercise to keep their bodies in shape.

Twenty years as a fitness coach has taught me one important fact: most men will not stick with a training program long enough for it to do them any good, unless the training is fast, easy and shows results right away.

Bullworker gets a top score on all three counts:

—it's fast: each exercise takes only 7 seconds and the complete workout can be done in about five minutes

—it's easy: any man between 15 and 65 in good general health can perform the full program without getting tired

—you see your results right from the very first day on the built-in Power-meter gauge. After two to three weeks of regular training, most men can expect to measure an extra inch or two of muscle on their shoulders, chest and biceps—and an inch or two less flab around the middle.

And that's just the start: there are specialized exercises for building-up or trimming-down any part of your body you want to. What's more since Bullworker training is progressive, you perform better each time. Yet the training always seems easy since with every workout your strength increases by about 1%—that's an increase of up to 50% in just three months, and I've seen many men go on to double and even triple their strength. For my money, Bullworker is the most advanced home trainer on the market. I use it and recommend it to any man who wants to get back in top shape fast.

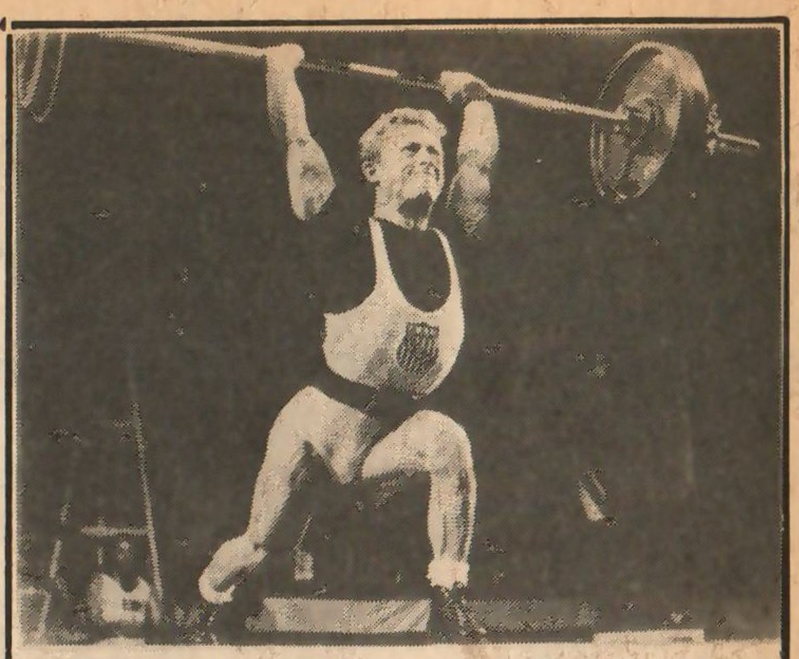
NOW...an Olympic Champion introduces the **SPEED SHAPER™** based on his amazing SYNOMETRICS™ concept, a combination of ISOMETRICS + ISOTONICS to help you...

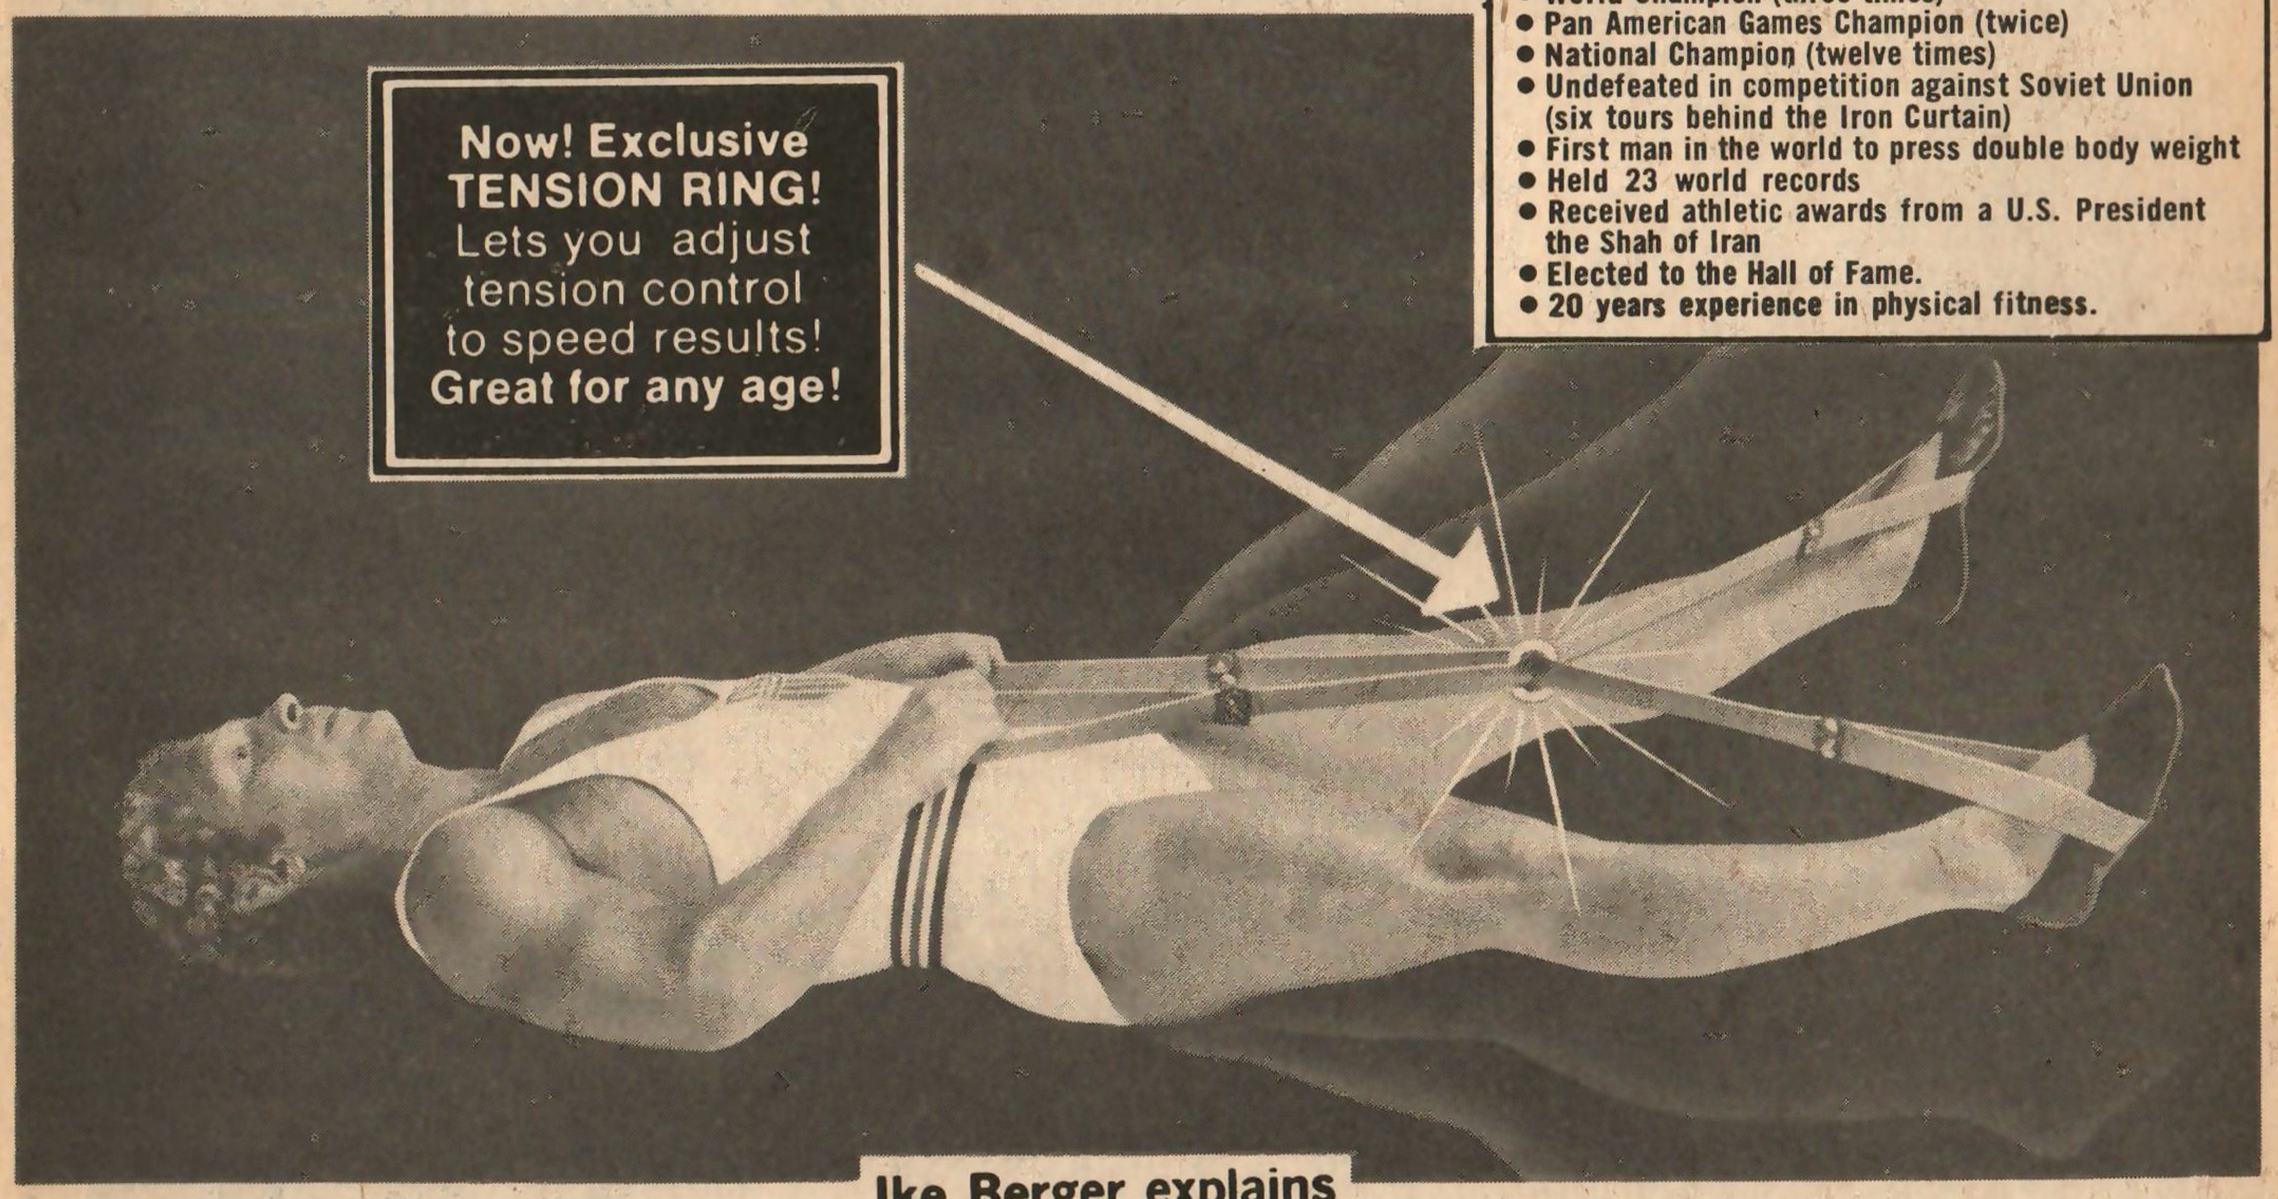
Turn Belly Fat into a Rock-Hard Lean Stomach

...**in 7 short minutes** a day with the "miracle" of SYNOMETRICS...the fantastic new discovery for **speed shaping** away ugly, embarrassing fat and flab...to reveal a brand new rock-hard, lean, trim, handsome body!

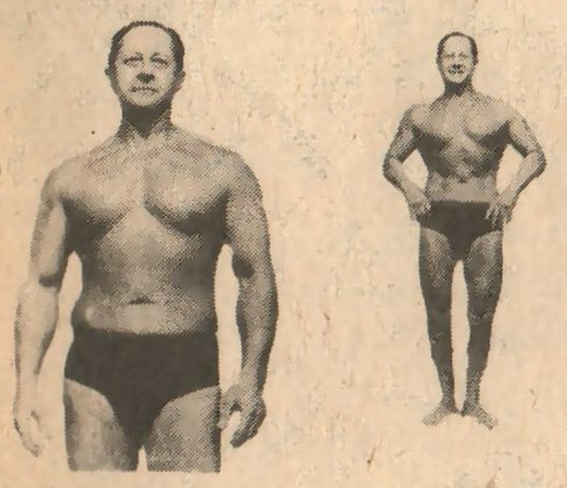


Introducing IKE BERGER—
Olympic Champion and truly one of the world's outstanding athletes.

- **Olympic Gold medal winner (U.S. Team)**
- **World Champion (three times)**
- **Pan American Games Champion (twice)**
- **National Champion (twelve times)**
- **Undefeated in competition against Soviet Union (six tours behind the Iron Curtain)**
- **First man in the world to press double body weight**
- **Held 23 world records**
- **Received athletic awards from a U.S. President the Shah of Iran**
- **Elected to the Hall of Fame.**
- **20 years experience in physical fitness.**



"I'M OVER 50, YET IN JUST 7 DAYS SPEED SHAPER ™ 'BURNED' OFF THE FAT AND FLAB I'VE LIVED WITH FOR THIRTY YEARS."



"I'm over 50 and I **thought** my **fat** and flab was with me for **life**...SYNOMETRICS "burned" it off in only 7 days. In fact results came **so fast** I had to cut my daily 7 minute workout to 5 minutes to slow down the slimming process. It's the most amazing method I've ever tried...and I've tried just about every gadget and gimmick I've seen in magazines and TV."

HY HARRIS, New York, N.Y.

Ike Berger explains What is Synometrics?

You already know about the Isotonic and Isometric principle of body dynamics. Millions of people use one or the other in their daily exercises. I used BOTH methods in my daily Olympic training for years in different separate exercises. One day I accidentally discovered that if I used BOTH methods **together in one single exercise,** I automatically speeded up the results tremendously and I reduced my daily exercise hour down to only 7 short minutes.

The Science of SYNOMETRICS

I later learned the scientific reason for this amazing result. It's called SYNERGISM—meaning that when you combine two methods the result is greater than the both of them separately. I now called my new discovery SYNOMETRICS and developed a special exercise unit I call the SPEED SHAPER. And that's just what it is...a speed method to give you results in minutes, NOT hours! Now...build yourself a "fantastic looking body" with the incredible SYNOMETRICS—the invention that works on the exciting new scientific concept of ISOTONIC + ISOMETRIC.

What Is The SPEED SHAPER?

An ingeniously designed amazingly compact slimming and shaping discovery that has no ropes or pulleys.

- *Contains no metal, springs, gears or other dangerous or exhausting parts or complicated apparatus.*
- *It is NOT worn around your waist but its powerful effect can be selectively applied to ALL problem areas: stomach, waist, chest, arms and legs, safely, easily and FAST.*
- *It is so amazingly compact that it slips easily into your pocket to be with you whenever needed. Weighs 5 ounces.*

IRON CLAD MONEY BACK GUARANTEE

In just a few days you **must** actually begin to see measurable, real results...**or your money back promptly and without any question.**

*No diet needed if daily caloric intake does not add to your present body weight.

Gloria's return to apartment house wrestling has been met with delight by her many fans. Her opponent, Valerie, has also been welcomed back happily.

WELCOME COMEBACK

It was great to see Valerie and Gloria back in apartment house wrestling ("The Battling Girls Who Must Be Apartment House Wrestling" [SPORTS REVIEW WRESTLING/ May 1976]). They were great in a match that will surely become a classic.

They're the kind of women who look like they were born to be battlers, especially Valerie. The photos and text prove she's one of the greatest battlers in the world. Everything about her makes the match exciting.

I hope both girls continue to be apartment house wrestlers. Their beauty is a great contribution to the spectacle, the world's greatest sport—apartment house wrestling.

Keep up the great reporting on apartment house wrestling. I never miss an issue of SPORTS REVIEW WRESTLING.

IN AGREEMENT

I can't agree with you more. In wrestling, Brute Bernard has to be the least known maniac around ("Brute Bernard—Underrated Terror" [SPORTS REVIEW WRESTLING/ May 1976]).

I've seen him wrestle many times and never once did he wrestle scientifically. He's a disgrace to the sport.

SPORTS REVIEW WRESTLING always tells it like it is.

TITLE SHOULD EXIST

I don't blame Diamond Lil and Darlin' Dagmar for battling it out over a title without any official existence ("Chase For a Non-Existent Title" [SPORTS REVIEW WRESTLING/ May 1976]). If the title of top woman midget wrestler doesn't exist, it damn well should.

These women deserve to have the same goals as any other participant in any other sport. They dedicate themselves just as fully. They make the same sacrifices and suffer the same batterings. Yet, they are never given the dignity of officially being called champion of their sport. It's a disgrace!

As a midget, I can appreciate the agony these courageous women suffer from this thoughtlessness. The women midgets should get an official title designation immediately.

MARVELOUS MARIA

The capsule profile of Maria Laverne ("Your Favorite Wrestlers' Careers in Words and Pictures" [SPORTS REVIEW WRESTLING/ May 1976]) will become a permanent part of my wrestling collection.

Maria is easily the most beautiful woman wrestler in the world. This comprehensive look at this extraordinary person is a must for anyone

ISOKINETICS Will Build Your Muscles Faster...*or you get your money right back!*

Change weight resistance at ANY instant during the exercise. No stopping to disturb the body building exercise. This is the Isokinetic Principle that builds your body to athletic proportions faster, surer than any other method. POWEREX adds inches to chest and arm muscle in a "bench press" . . . BUT without costly bench, stands and weights! (Patent pending)

Scientific Test PROVES Isokinetics
- 166% Better Than Weights
- 390% Better Than Isometrics

For Putting Muscle on YOU!

Isokinetics is now proved superior to weight training for building your strength, body and explosive power . . . faster, more effectively than any other method.

A leading medical journal published the scientific experiments of recognized researchers. Average peak strength improvement after only 8 weeks for each type of exercise was:

Isokinetics 47.2%
Weight Training . . 28.6%
Isometrics 12.1%

During each Isokinetic exercise, you continually change the "weight" to the amount that your muscles need for fastest maximum development . . . without stopping. Until recently the only Isokinetic exercisers available were complicated machines costing from $120 to over $4000. But NOW, A NEW invention, amazing in its beautiful simplicity, puts Isokinetic muscle building within your reach for only a few dollars.

POWEREX — ISOKINETICS

The invention is POWEREX — an Isokinetic exerciser designed to give you the ultimate benefits of muscle strength, and explosive power faster than ever. And, as you know, with this comes the added benefits of confidence, and the outgoing personality that enables you to get along well with others of both sexes.

POWEREX is going to do all this for you thru the following ISOKINETIC PRINCIPLES:

(1) **POWEREX** builds your muscles through their full range of movement. It works every small muscle fiber to its utmost. Not the grunt-and-groan partial static results of an Isometric gadget, but the total dynamic power of Isokinetics.

(2) **POWEREX** has the exclusive CONTROL LEVERS. You instantly and smoothly change the amount of "weight" working for you, to the maximum your muscles can handle . . . from zero to hundreds of pounds, quickly building your body into a classic, powerful machine!

LOW COST — ORDER NOW

The best part is POWEREX costs you only $13.95. For about 1/10th the cost of the next isokinetic exerciser on the market, the benefits of isokinetic muscle building are yours!

So don't wait another moment . . . fill out the coupon, write your check or money order, and get it in the mail now. The sooner you do, the sooner you receive your POWEREX and start the isokinetic way to a muscular body and dynamic power!

HERE'S RESULTS FAST — SURE — PROOF

A group of researchers stated that all published research matching isokinetics with weight lifting and isometrics showed that isokinetics is greatly superior for muscle building.

- "After four weeks of using the exerciser, my strength has doubled . . thanks to you."—**J Castillo, AK.**
- "I'm beginning to look like I did when I got out of the Marine Corps." —**Don C., PA.**
- "In just 6 weeks, I put 2" on my arms, 3" on my chest, 2" on my thighs, and gained 22 lbs."—**N.D.**
- "In complete honesty, I think it is a great exercise program . . . the best one on the market!!!!" —**Dave Fuss, IL.**
- "You just aren't another rip-off company. You back what you say." —**T Roecklein, WI.**
- "I've averaged from 2-3" on my legs, arms, and chest — I'm glad that I did invest the money."—**Richard Oxer, MT.**
- "Enclosed is my money order (for a new Powerex). I know how good it is. I had one and I lost it. I am in several sports and cannot win without Powerex. It is the greatest!" —**G Scott, Canada.**
- "Arms increased 2½", chest 3", decreased waist 2", and gained 20 lbs. — look and feel a lot better!" —**Joseph Moreno, CA.**
- "I used to be a singles man — this season I was a home run hitter, and I credit Powerex with this." —**T J, AL.**
- "The results are just FANTASTIC!" —**Richard Lynn, MN.**

Tony Rocco gave it all he had. And still he found it impossible to put away the rookie who was giving him one of his most grueling battles

Rodney Piper grimaces in pain as Tony Rocco captures him in an excruciating backbreaker. Most rookies would have been finished with this move, but Rodney shocked everyone by not submitting and battling Tony to an astonishing draw.

THE LINE IN the newspaper simply read, "Tony Rocco battled Rodney Piper, a rookie, to a draw last night."

But those 12 words could not capture, even remotely, the excitement and drama which unfolded at the wrestling arena the night before. Those 12 words could not tell of the display of wrestling skill happening the previous evening.

Tony Rocco had entered into this match believing he would have no trouble disposing of his challenger. He soon learned he had made a

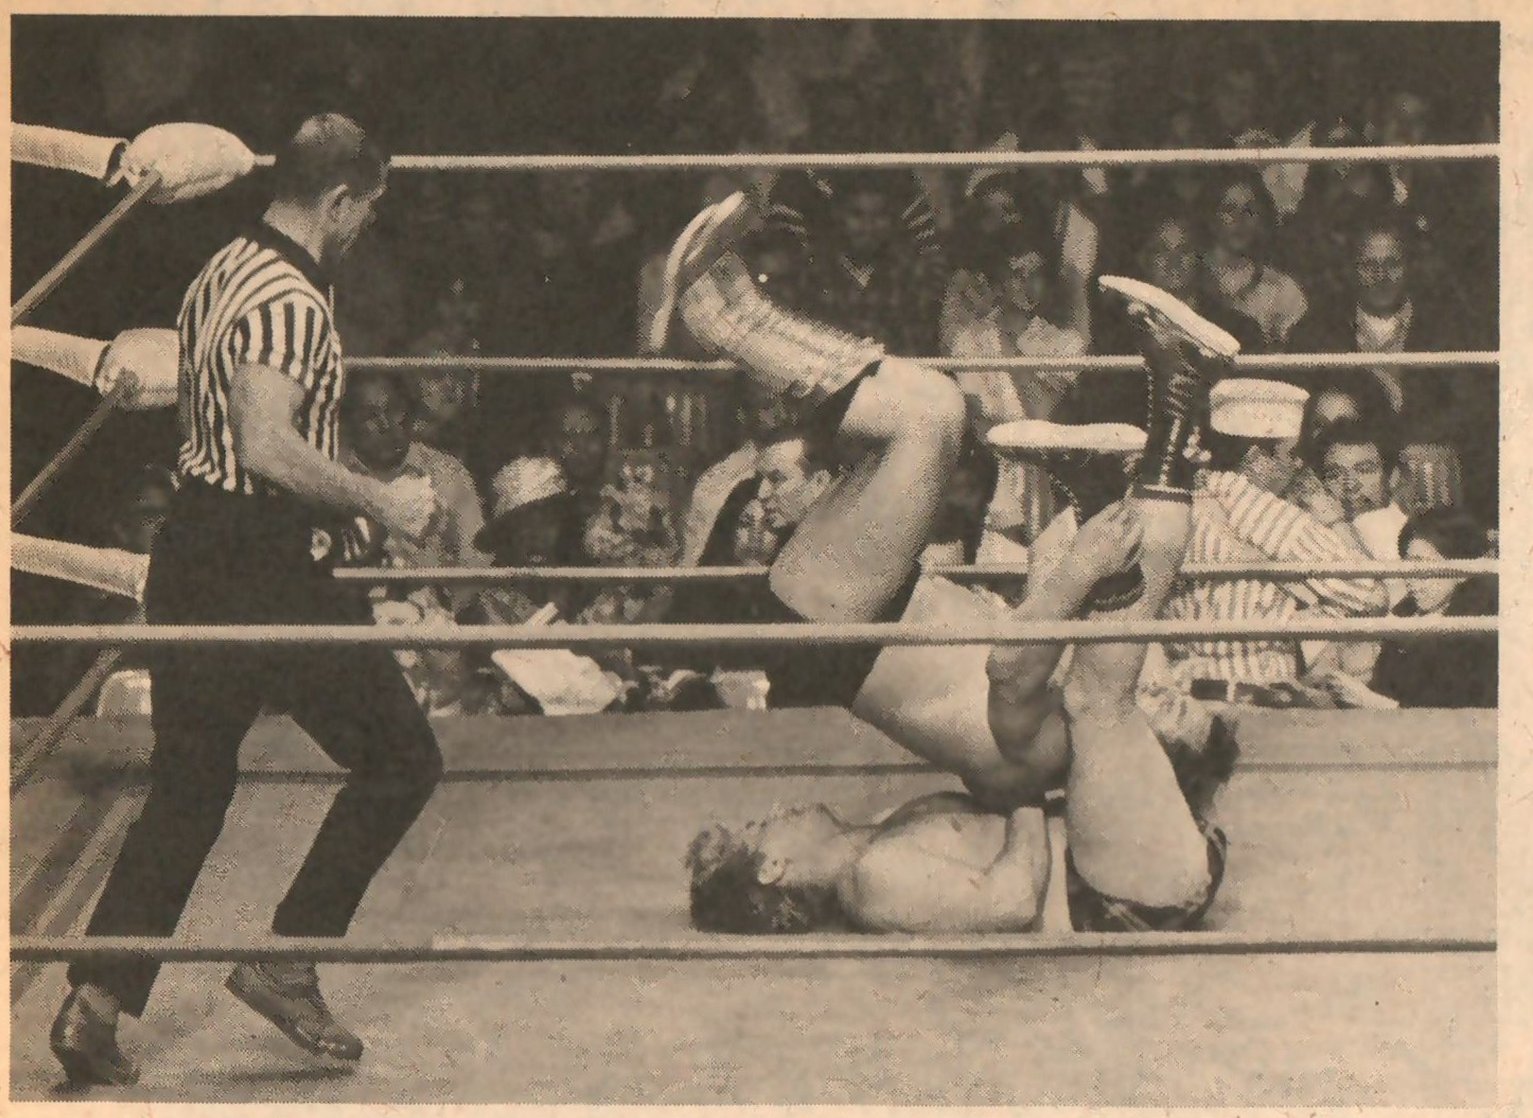
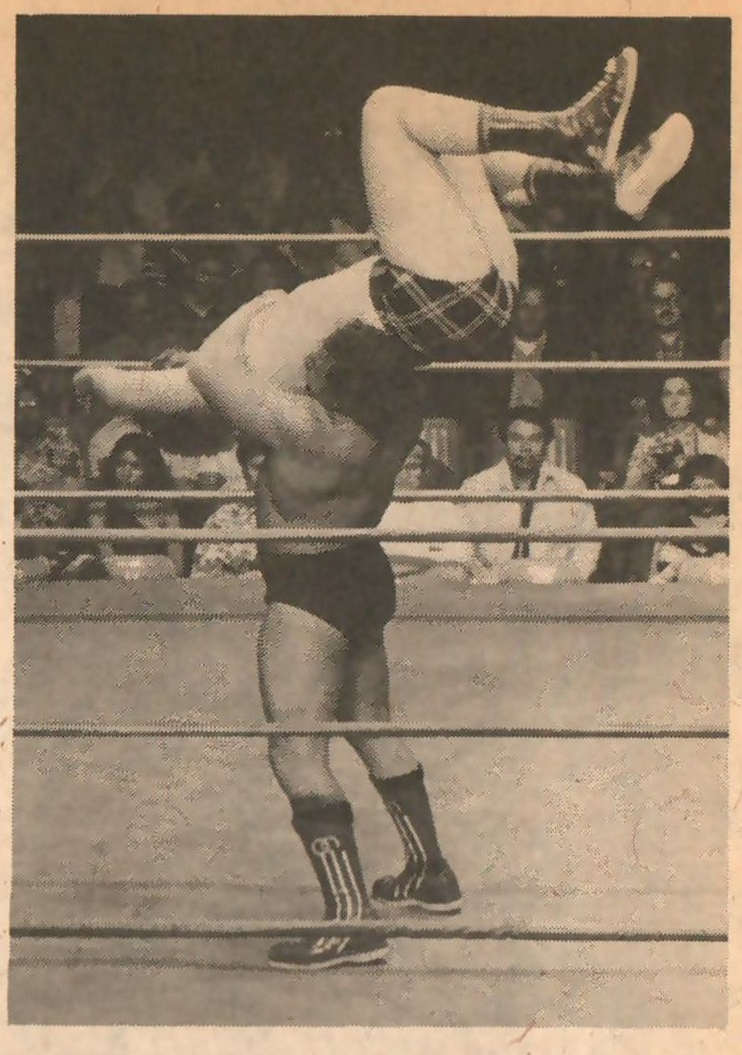
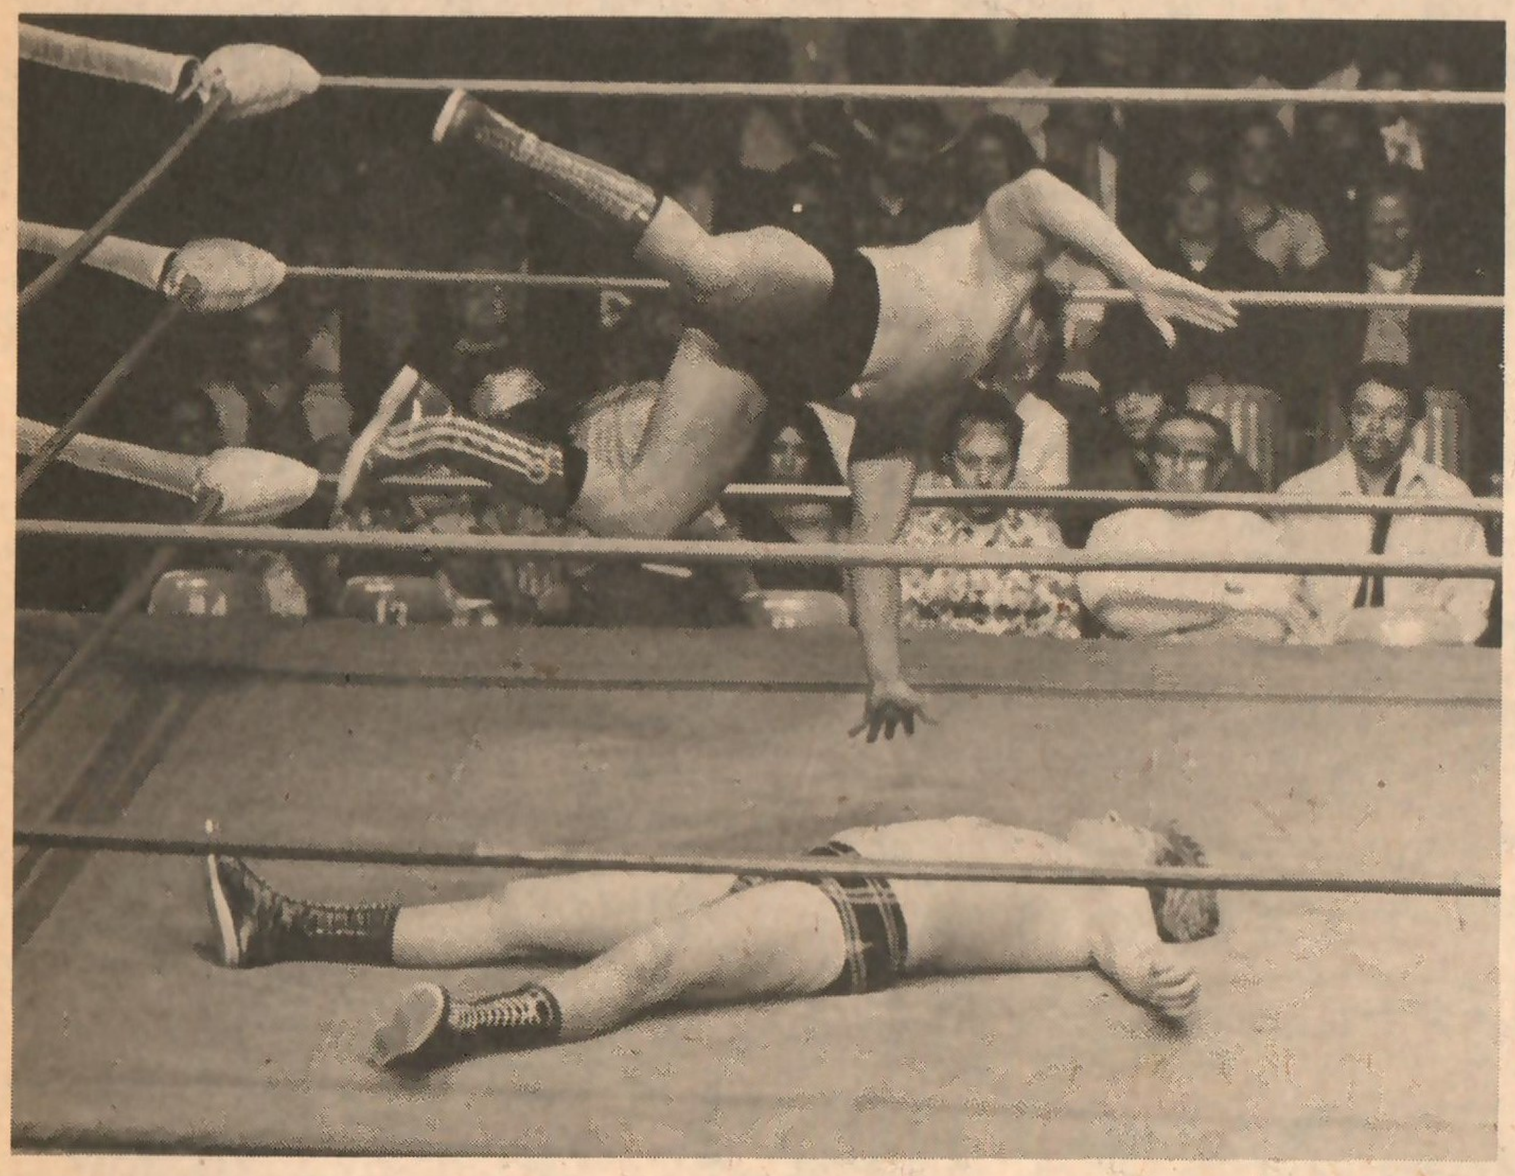
MATCH EVERY FAN SHOULD SEE

(Continued from Page 10)





Above: Tony Rocco attempts the difficult and complex reverse cradle against Rodney, an almost unheard of maneuver to use when wrestling a rookie. Above right: Rocco lifts his young opponent high in the air and sends him crashing hard to the canvas. Still, Rodney refused to submit. Below: Piper is stretched out on the mat and a delighted Rocco leaps upon him in hopes of winning.



large error in judgement. For Rodney Piper gave him one of the toughest battles of his career.

Rodney Piper had entered into this match confident he could emerge victorious. He also was in error. But he did what the experts had said he definitely couldn't do—he held the older and more experienced Rocco to a draw.

The match started slowly, with neither man willing to make the first move. The fans in the arena quickly grew discontented, shouting their demands for some sort of action. Rocco and Piper, simultaneously, delivered.

Both men rushed at each other. But Tony was the quicker of the two, and he knocked Piper to the canvas. Rodney tried to scramble to his feet quickly, but Rocco was able to keep him on the mat. The more Rodney struggled, the tighter a hold Tony placed on him. For a few seconds, it appeared the battle would be over in a matter of seconds.

But then Rodney fooled everyone—especially Tony Rocco. He broke the hold and scrambled to his feet, ready to meet Rocco's next challenge.

Rocco became enraged at his opponent, but nothing he could do would keep Piper subdued long enough for Tony to win. Various bodyslams and flying dropkicks were employed by Rocco, but Rodney stayed in there, refusing to lose.

After 30 brutal minutes, this match was a draw.

In his dressing room after the match, Tony Rocco had this to say about the match: "It was a tough battle. That kid really surprised me. I thought for sure I would be able to beat him with no trouble. I think I used some of my best moves against Piper, yet he didn't fall for any of them.

"I really don't know what it takes to keep that kid down. He is a lot better than I had expected."

Two days after Piper and Rocco battled, the newspapers ran a full-length feature about the match. So many fans had called the various press agencies protesting their lack of coverage of the match, they changed their position and ran the story. After all, this match was one every fan should know about. □

Memo to Managers:

DON'T INTERFERE WHEN KALMIKOFF IS AROUND

Eddie Creatchman is a genius at interfering in Sheik's matches. When he meets his match in Ivan Kalmikoff, Eddie learns cheating can be a pretty brutal business!

PHOTOS BY GARY KAMENSACK

FANS ROSE TO their feet, screaming with joy. Mighty Igor had mounted a brilliant attack and his opponent, The Sheik, was slowly losing consciousness—and the match.

One man in the arena was horrified at the spectacle before him. Sheik's manager, Eddie Creatchman, saw what was happening and became determined to change the course of the match. Whether it was legal or not didn't matter; all that counted was Sheik not be defeated.

Another man was dividing his attention between the match and Creatchman. Igor's manager, Ivan Kalmikoff, was ensuring Eddie didn't come to Sheik's aid. Whenever the battle looks close to a conclusion, with Sheik either winning or losing, Creatchman can be counted on to help his wrestler. Kalmikoff knew only too well the havoc Creatchman could create. He was determined not to give Creatchman the chance.

It seems doubtful any of the fans witnessed the war of nerves between Kalmikoff and Creatch-

Wrestling one of the McGuire twins is a "large" chore. Taking them both on is impossible—so impossible that many wrestlers are simply refusing to face them unless they split up

The McGuire Twins Complain

"WE'RE BEING FORCED TO SPLIT UP!"

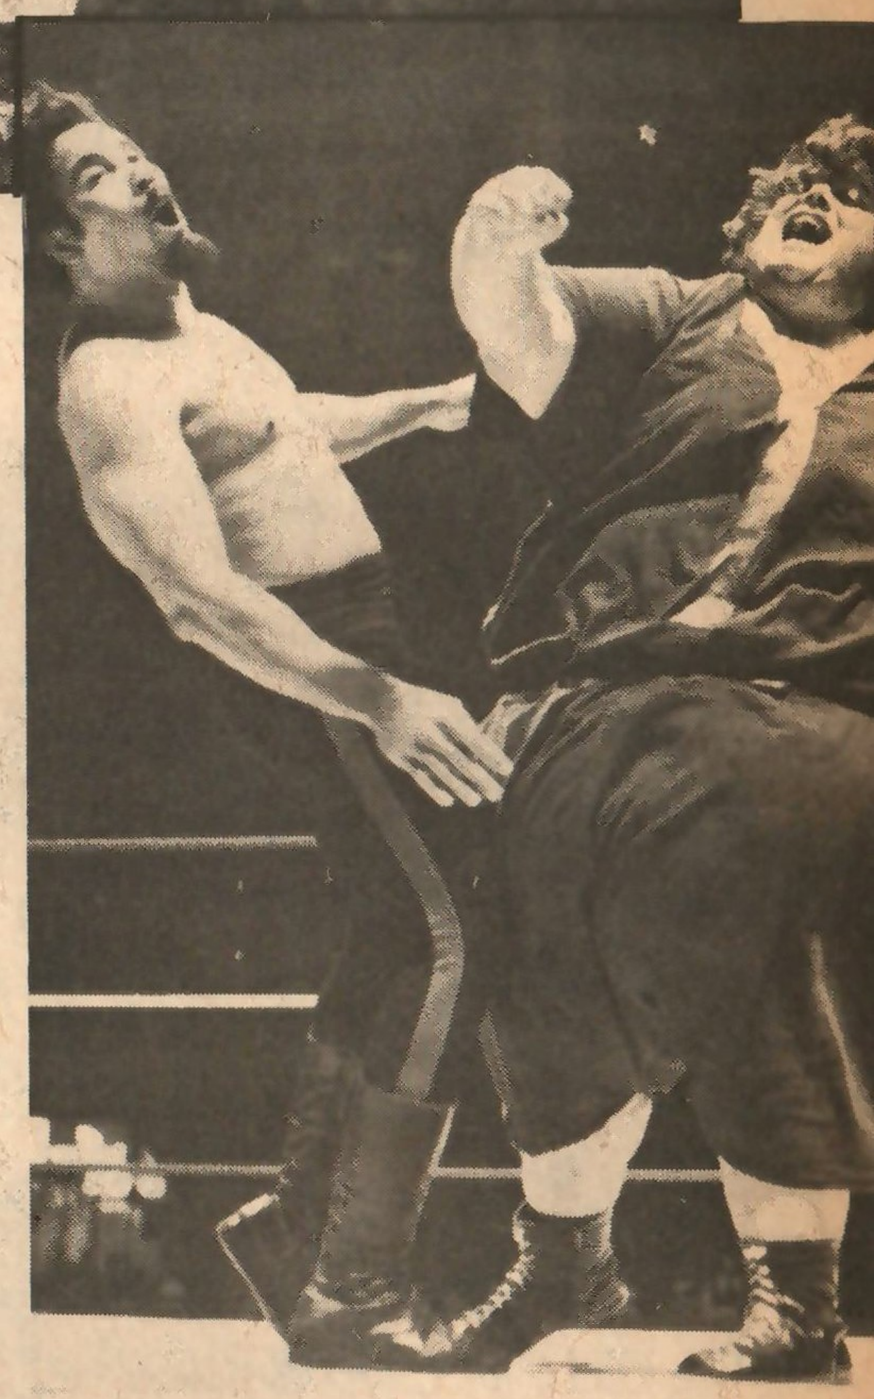
THE MCGUIRE TWINS are just too much! They're just too much for most any tag team to handle. And a combined weight of 1,300 pounds is one helluva lot to handle!

They're so much that their matches have been few and far between. Even though they've offered to wrestle almost any three wrestlers—three against the big two of them—they've had few comers for the offer.

"I like sandwiches," said one of their recent opponents. "I have one every day for lunch. But I hate the kind of sandwich these guys get me into. I feel flatter than a piece of baloney after they get through with me."

"These guys have so much padding around them," said another wrestler, "that if I punch them to try to get them off me they don't feel it until three weeks later. Did you ever try wrestling with two gigantic pillows?"

Raoul Castillo thinks he is a prime mover (left) as he tries to help seat Billy McGuire. But Billy thinks it's only Raoul's idea of a joke. "He was only pulling my leg," figured the twin. "Guys our size do a lot of shopping. So I squeeze a lot of grapefruits," notes Billy. Raoul's head feels like one (below). Fidel Castillo learns (bottom) that Benny McGuire packs a lot of weight behind his fist. Heavy!!!



For these reasons the McGuire brothers have been spending a lot of time at home and not enough time in the arena. It seems a shame, since the fans love the McGuire twins. They're crazy about the way they enter the arena on their mini-motorcycles. The bikes are so small and their bodies so big, the bikes are almost impossible to see. They also love to see the twins bounce their opponents around the ring.

"And we love wrestling," said the twins. "Each match is a new challenge. The fans are great. And the money is better than what we were getting when we worked in the circus."

But it was getting to be a continuous excuse of "too much, too soon" when the McGuires tried to get booked for a match.

For these reasons, the twins had to make the obvious decision—split up. "We're too close to ever really split up," said Benny, the 660-pound member of the twins. "We're more like friends than brothers. We do everything together. We even can figure out what the other is thinking without saying a word.

"But as far as matches go, we figured we'd better split. If nobody wants to face us as a team, chances are better they would face us as individuals."

"That's right," said 640-pound Billy. "We still travel together, and we even watch each other's matches. But since nobody will face us as a team, we're grappling now as two separate wrestlers."

And so far they seem to be making out pretty well by themselves. Take the recent case of Billy McGuire versus Raoul Castillo in Montreal.

Though Raoul tried everything from bounding off the top rope to flying drop-kicks, it just didn't seem to phase Billy.

And then Billy went to work on Castillo, slamming him down on the canvas and then twisting his head in his hands like some average-size person squeezing a grapefruit.

Castillo figured he'd try a new tactic. He squatted near the standing Billy and put both arms around a huge McGuire leg. All he had to do now was yank that leg hard enough and send Billy off balance and onto his heavy rear end.

Raoul pulled hard. "Uuuuuuuuffff!" Harder. "Eeeeaaaaaah!" And then with all his might. "Ooooooofffffffff!"

But all Castillo could accomplish was to get himself out of breath. Billy just wouldn't budge.

"I just couldn't believe it," said Raoul afterwards. "I don't understand why I couldn't move him. It was like trying to move Mt. Everest!"

He was asked if he was glad the twins split up.

"It was a good thing to do, because no tag team around wanted to wrestle these giants," Raoul said. "But even so, I'll think twice before I take a match with one of them again. It's too frustrating trying to get them to budge!

"As far as I'm concerned they shouldn't have stopped when they split up the McGuire twins. If they then split each one in half, another wrestler would have a chance!" □

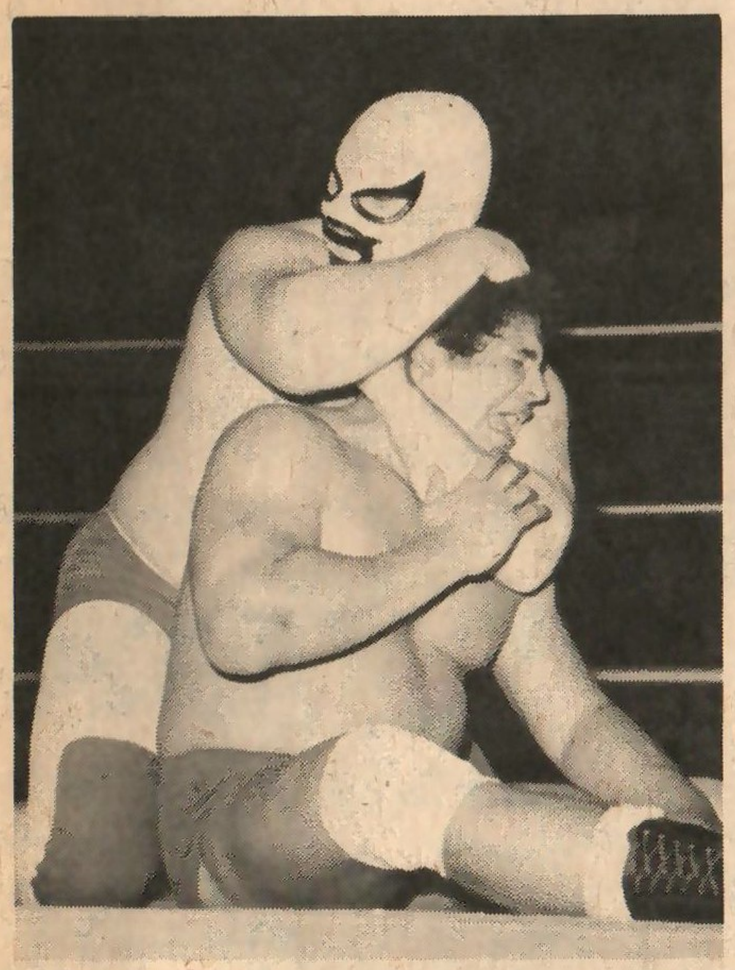
Why Greg Valentine Still Insists: "I'M NOT HIROSHIM

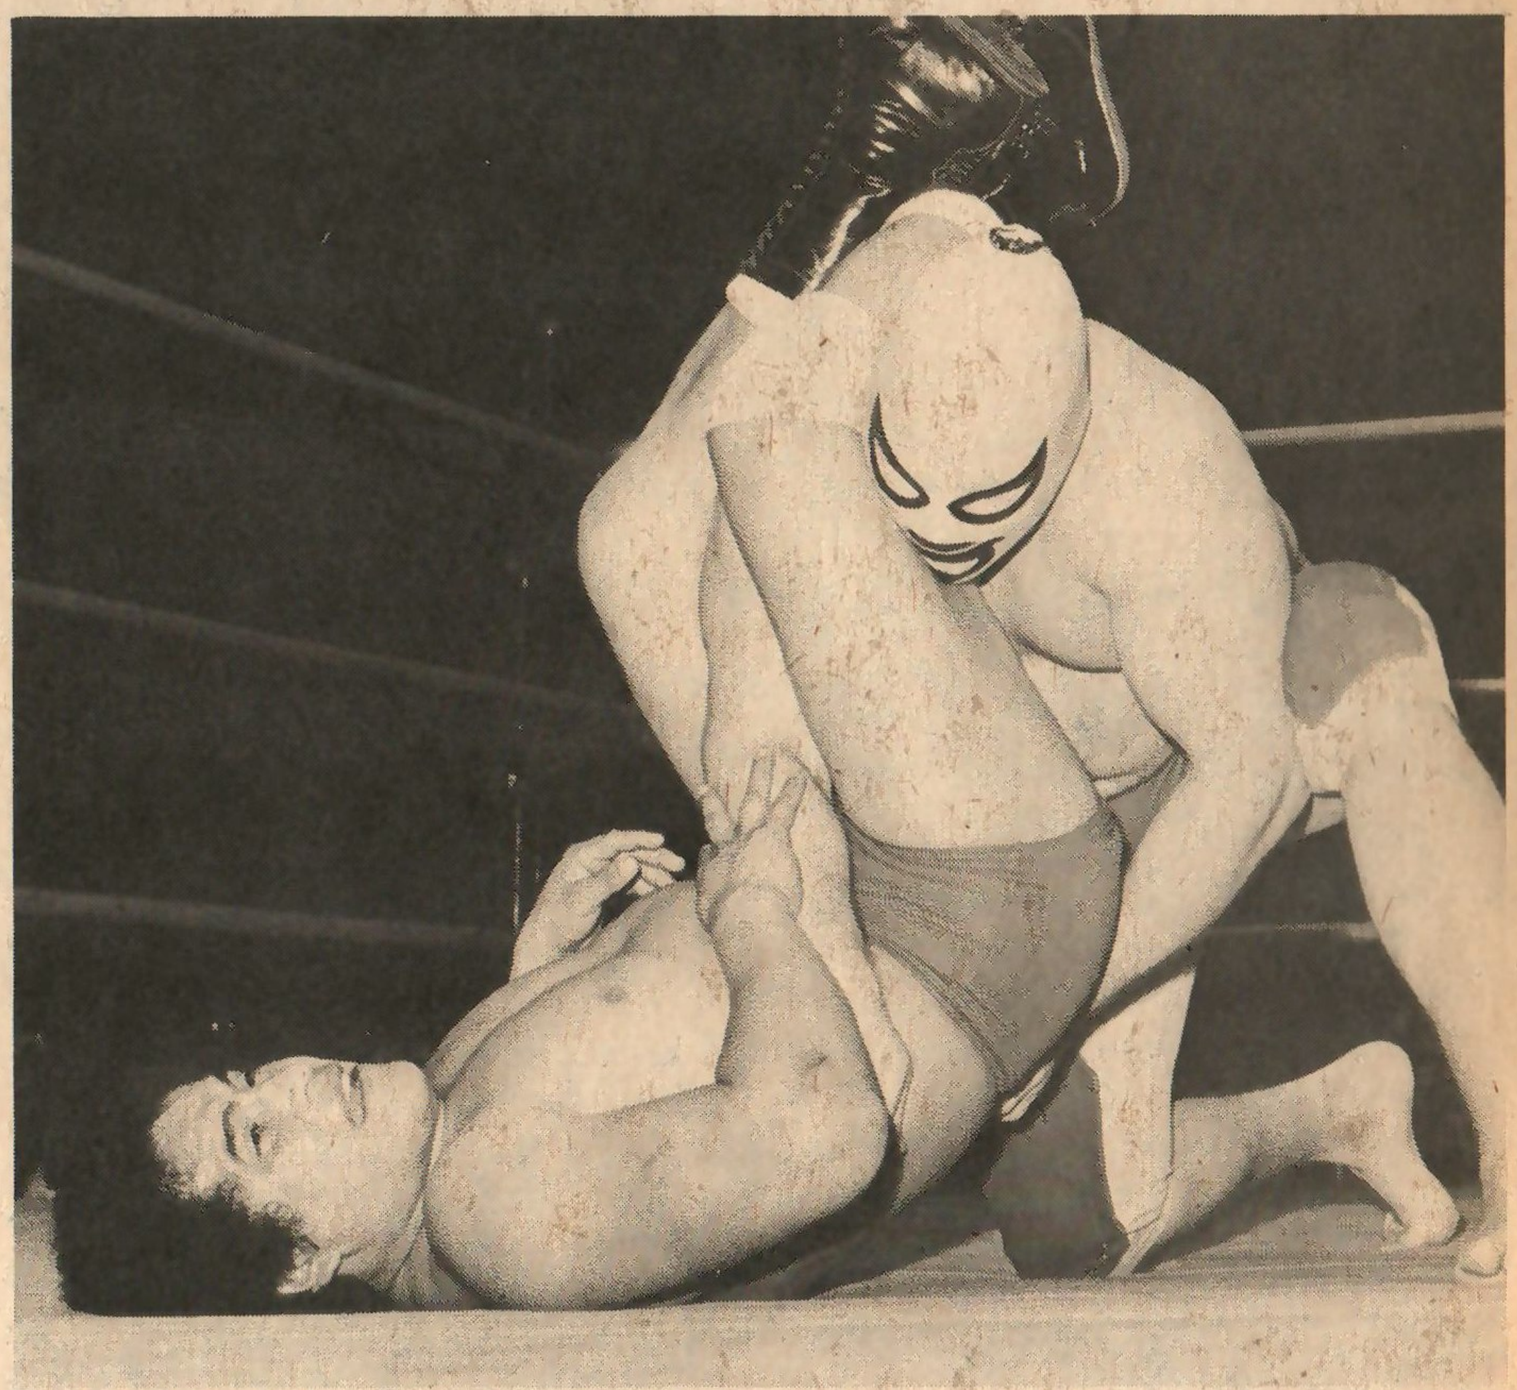
By GREG VALENTINE

I DON'T KNOW how many times I will have to say it in order to get it through your thick skulls: *I am not Hiroshima Joe!*

I will admit there have been times when I have been asked to fill in for Joe when he wasn't feeling well. I did what any other wrestler would do for a fellow wrestler—I filled in for him. However, in order not to

Though Hiroshima Joe has been unmasked to reveal Greg Valentine, the hated blond grappler swears he's not the masked wrestler. Now Greg is screaming there's proof to his claim!





Greg Valentine was exposed as Hiroshima Joe (left, opposite page) by Choi Sun. Greg claims he was merely substituting for the ailing Joe. However, Mando Lopez says it was not Hiroshima trying to choke him (above) or trying to cradle him (right).

disappoint Joe's fans, I wore his mask. That way, they would not be able to tell the difference.

Joe is a fine wrestler, though not as good as me. So when I wrestle as Joe, I have to hold back. However, in recent times, this has caused some problems. A few of the times when I have filled in for Hiroshima Joe, I have been unmasked, simply because I couldn't wrestle to my fullest ability. And now, because of these few rare instances when I was merely doing a fellow wrestler a favor, people think I am Hiroshima Joe. But I will tell you again, I am not Hiroshima Joe!

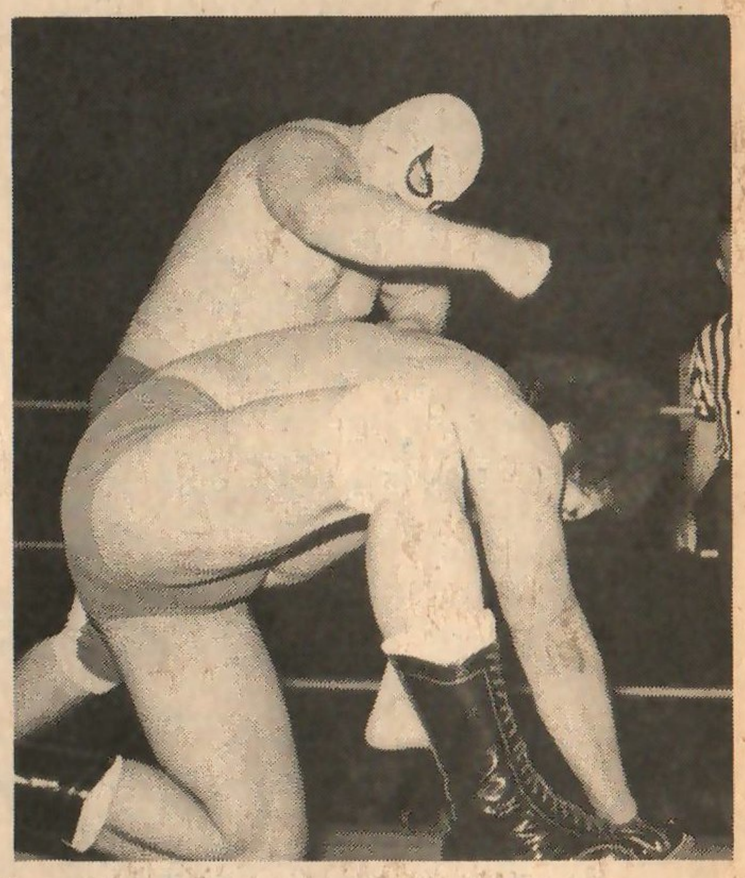
I don't know how these rumors spread so quickly. It certainly isn't my fault so many people can be fooled by a few vicious lies spread by malicious clowns.

This whole crazy stupid rumor started when I was filling in for Joe when he was teaming with that little traitor, Choi Sun. For some reason, which I still don't know to this day, Joe and Choi were having their own private little petty feud.

All three of us—Joe, Choi, and myself—were under the management of Sir Oliver Humperdink at the time. One night, Joe became very, very sick. Sir Oliver asked me if I would substitute for him. So I donned Joe's mask and went into the ring with Choi Sun, thinking this would be a rather routine match. Was I in for a surprise!

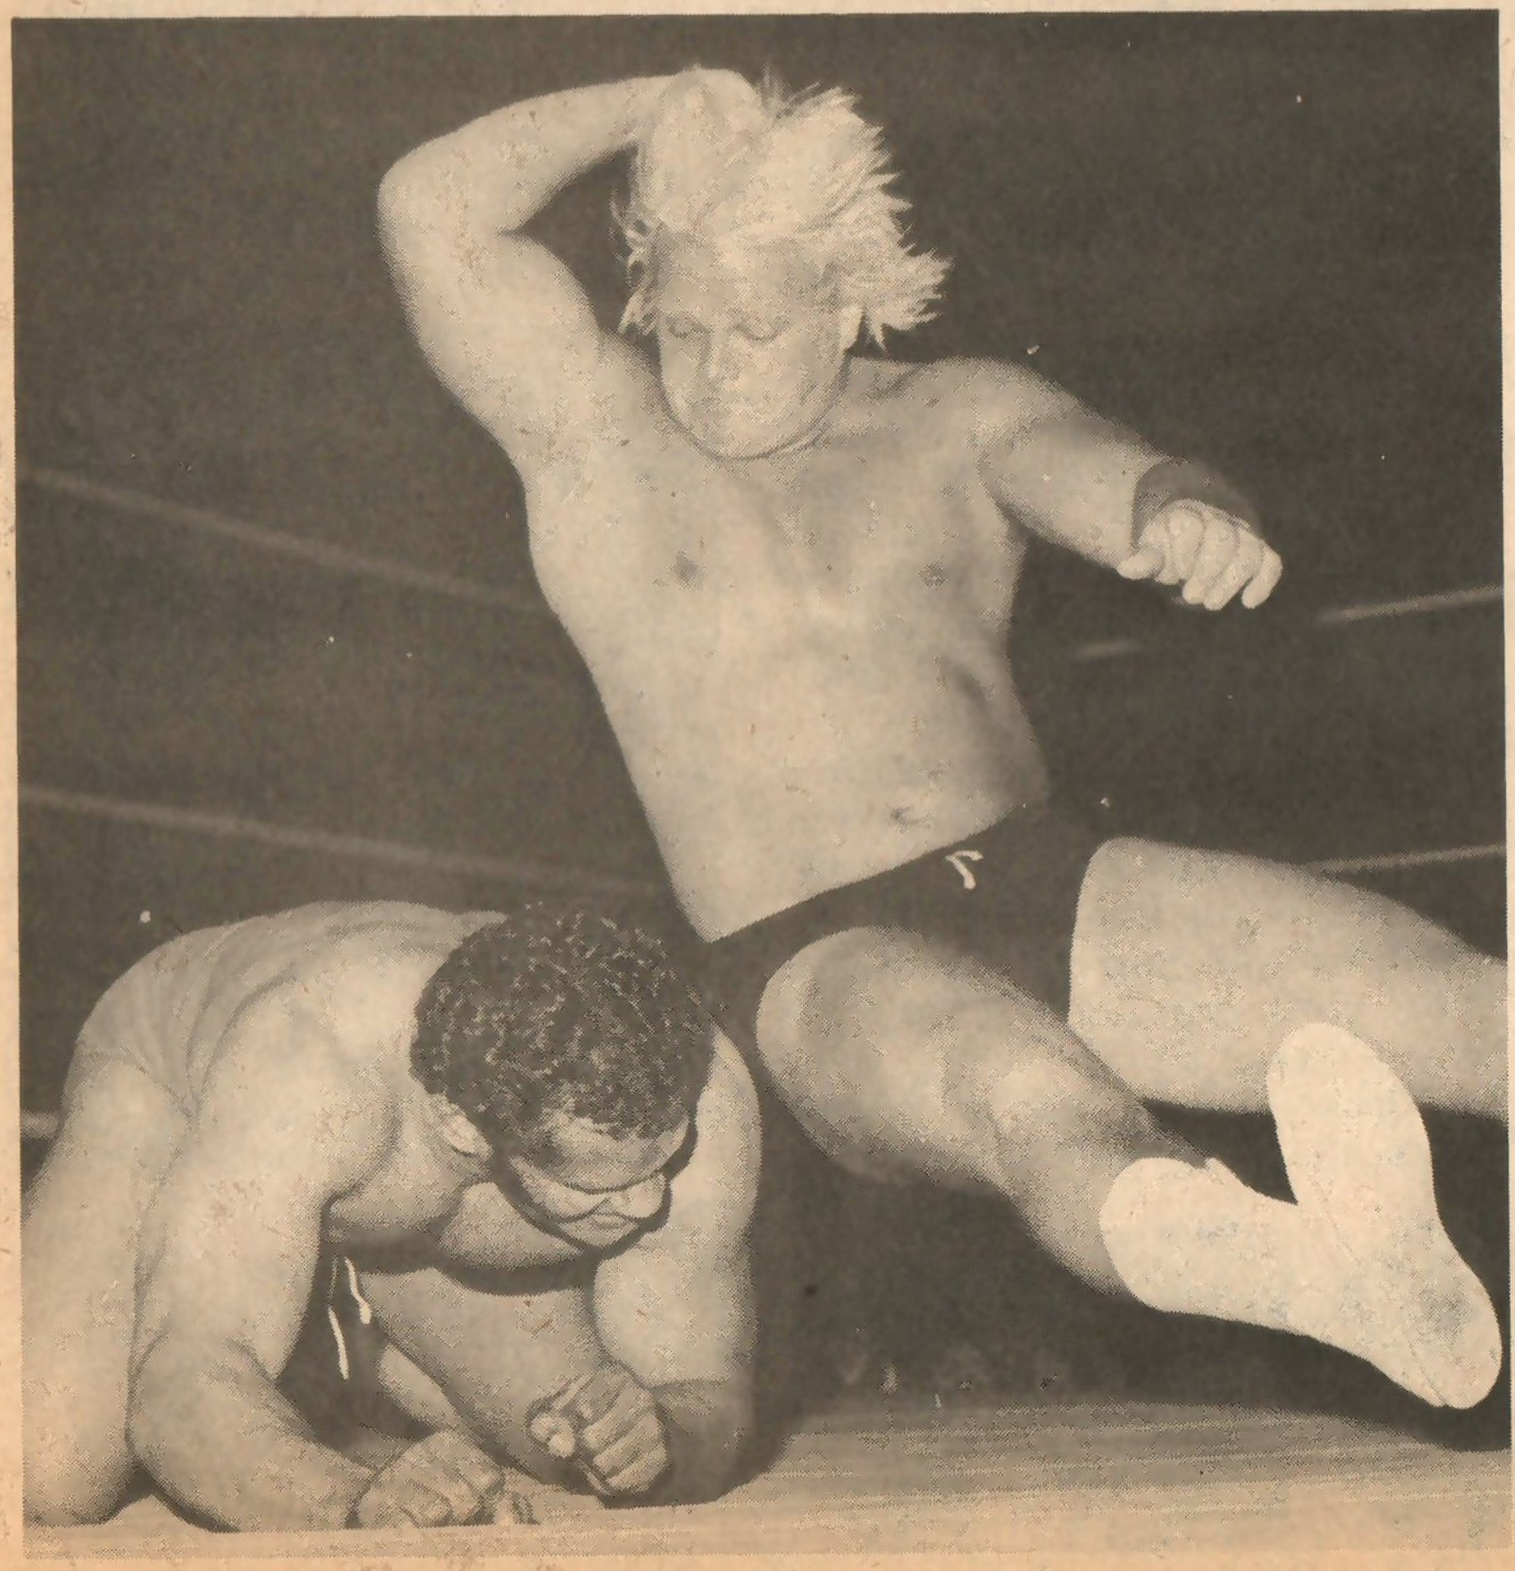
Five minutes into the match, that little double-crossing excuse for a wrestler Choi Sun suddenly turns his back on our opponents, and starts attacking me! And I hadn't

Hiroshima Joe tries a forearm smash on Mando Lopez (below). This tactic made Lopez feel Joe is really Greg Valentine.



A JOE!"

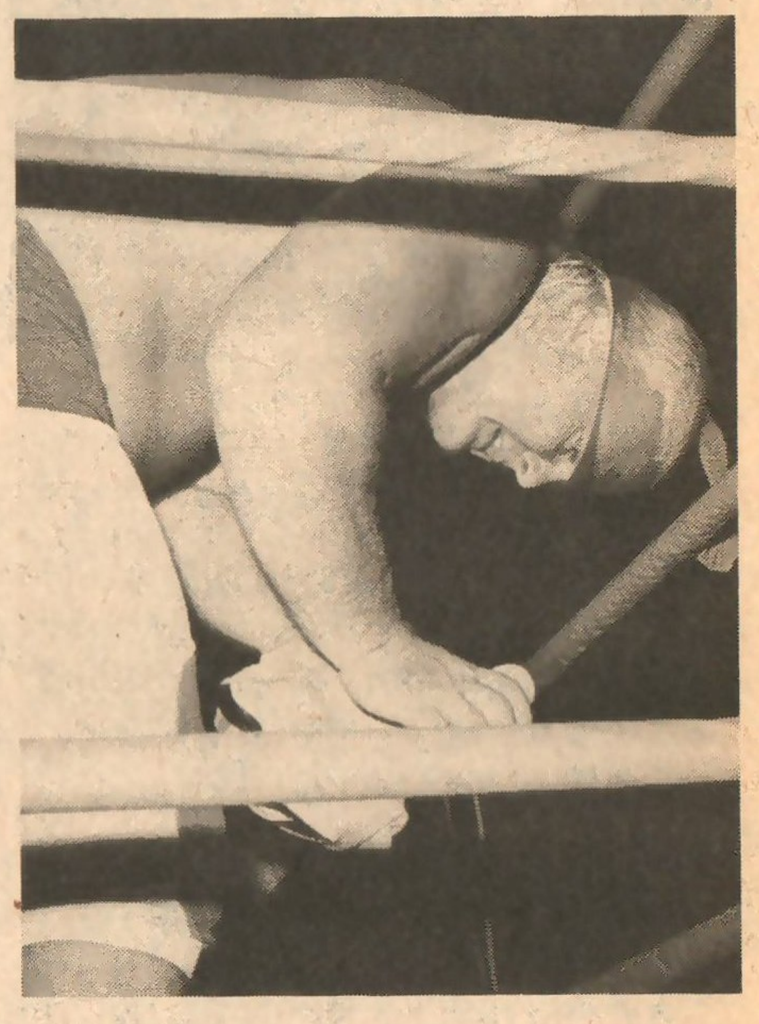
Valentine claims it is just a coincidence Hiroshima Joe used the flying elbow smash (above) on Mando Lopez. However, as shown in a match against Victor Rivera (below), Valentine's use of the tactic is very similar to Hiroshima Joe's. Lopez says the reason for the similarity is Valentine is Hiroshima Joe, not just filling in for the masked wrestler like he did when Choi Sun unmasked him (right).



done anything! I was taken completely by surprise, so I didn't have time to offer any resistance. I think I was more shocked than anything else.

Well, the next thing I knew, Choi Sun had ripped my mask off, and was trying to show the world I was Hiroshima Joe. He knew damn well I wasn't Joe, but he was trying to tell everyone I was. I ran back to the dressing room and refused to talk to anyone.

A few days later, Sir Oliver had a long talk with me, trying to explain about the feud between Joe and Choi Sun. He promised me if I ever had to fill in for Joe again, nothing like this would occur. I had to



believe him, because he was my manager.

Two weeks later, Joe had still not recovered from his illness. Again I was asked to fill in for him. When I learned I would once again have to team with Choi Sun, I was reluctant to do so, but Sir Oliver assured me this would not be a repeat performance of our last encounter. He was wrong.

Not even five minutes into the match, Choi Sun again betrayed me and tried to rip my mask off. Again he succeeded. Again I ran back to my dressing room without speaking to anyone. Again Sir Oliver tried to talk to me. This time I wouldn't listen.

By this time, a lot of foolish people began to spread the rumor about Hiroshima Joe and Greg Valentine being the same person. In spite of the fact this story was untrue, many fans—the stupid creatures they

ON THE ROAD WITH WRESTLING'S MIDGETS

Famed reporter Scott Engel followed wrestling's midgets around for an entire week, viewing their joys and learning their special problems. Here are his startling discoveries!

BY SCOTT ENGEL

IT'S AN HOUR before sunrise when the car pulls into an all-night diner off route I-80. As the station wagon pulls to a stop, the driver and one passenger get out. Two others remain inside sleeping.

This scene happens every night. There's nothing special about it, except for one thing—the driver and passengers are midget wrestlers. Six hours ago, they had been hearing the cheers of a crowd. Now, they were on their way to the next match three states away. Their plane reservations had been canceled at the last minute and they'd been forced to rent a car to go to their next match.

For many people, this would simply be an inconvenience. For these men, it provided fresh humiliation for yet another time. The woman behind the counter at the reservation desk had been flustered by the thought of these small men operating the huge car. Even when they proved they could easily manage the controls safely and possessed valid drivers' licenses, she remained unsure. Once she accepted her legal responsibility to rent them the auto, her tone was condescendingly saccharine. The lady treated them as children who were going on amusement car bump cars.

The midgets were used to this kind of treatment. Yet, each time it hurts anew. The thoughtless treatment accorded these men and women never stops—and it never stops hurting.

Over coffee in the diner, Sky Low Low, the most famous midget grappler in the world, discussed what his life has been like on the road. It's not a pretty story, but it's one which proves the indomitable spirit of human dignity.

"It took me more than five years," Sky recalls with bitterness, "before people regarded me as an athlete and not as a joke. How many times have women come up to me, pinched my cheek, and told me how 'cute' I am? Cute! That's the kind of word which drives through a midget's pride like a spike. It's the way people remind you about being short, about lacking the stature of a grown man.

"That's the hardest fight," Sky recalled, "being accepted as a man and

Is that an axe in the hands of Ed Carpentier? Nope. It's a cane. To find out how it got into Edouard's hands—read this amazing story!

THE MYSTERY BEHIND KILLER KOWALSKI'S CANE

"I ALMOST THREW up in the ring! Killer Kowalski got me so disgusted I almost got sick right then and there."

Edouard Carpentier was doing the commenting after a match with Kowalski at the Boston Garden. And the thing that revolted Carpentier was a simple cane that wound up as a vital part of the match.

Why should a cane get Carpentier so disgusted when Kowalski has a reputation for bringing worse objects into a match?

"I thought I was used to Kowalski's tactics. I thought I'd seen everything," noted Edouard. "I've battled Kowalski when he brought chairs, tables, you name it, into the ring. But this was an object that offended me more than any other."

The two wrestlers have hated each other for a long time and have one of the longest running and hottest feuds in the history of wrestling. But up to now they still respected each other's abilities. And Edouard especially felt Killer's unpredictable behavior presented a challenge each time.

But this time the unpredictable behavior gave Carpentier an uncomfortable feeling in the pit of his stomach. It wasn't the cane so much as where Kowalski got it.

Edouard couldn't believe his eyes when he saw Killer grab it away from a man who looked like he was in his eighties!

"What kind of man could Kowalski be to do such a thing?" Carpentier asked. "If he is known to be vicious while wrestling, that's one thing. But I thought he still had some basic human decency.

"Doesn't he respect the elderly? Doesn't he have any feelings about people older than himself? Mr. Kowalski may be strong. But he should have compassion for those who are old and weak. Taking a cane from an old man who cannot defend himself. That's like punching your mother in the stomach. Now nothing he does will ever surprise me!"

The cane became the object of a furious struggle during the match. Despite what Carpentier said about feeling sick enough to throw up, he really looked

You'd think by now Edouard Carpentier would know every trick in Killer Kowalski's large bag of them. As Carpentier found out, Kowalski can always be counted on to come up with a new one

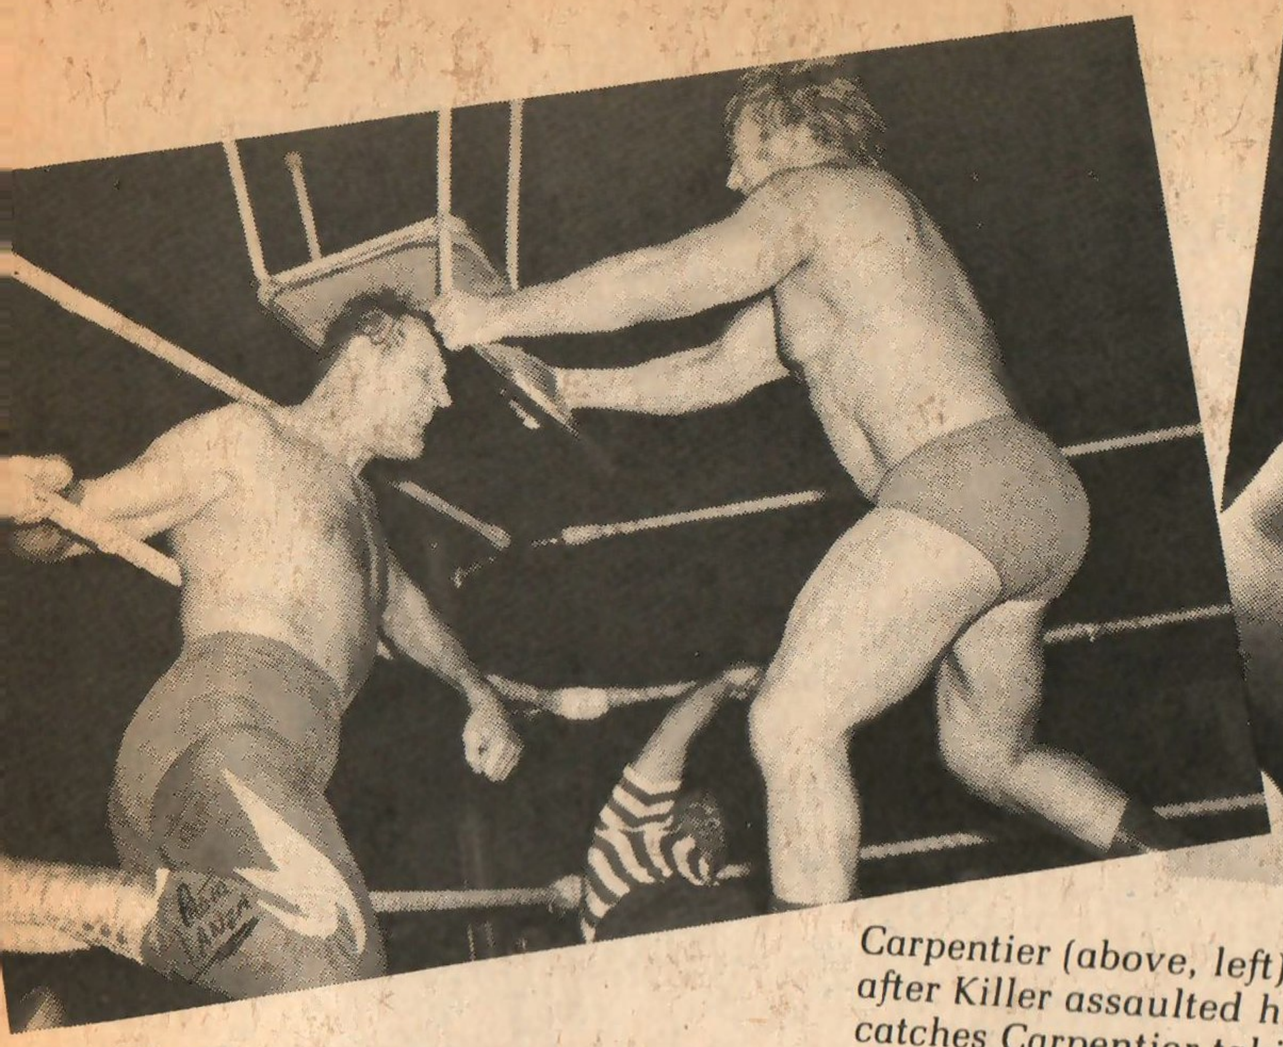
angry enough to tear Kowalski to bits when he saw him yank the cane out of the old man's hands.

Gouging, kicking, anything that was possible seemed to happen in the struggle over the cane.

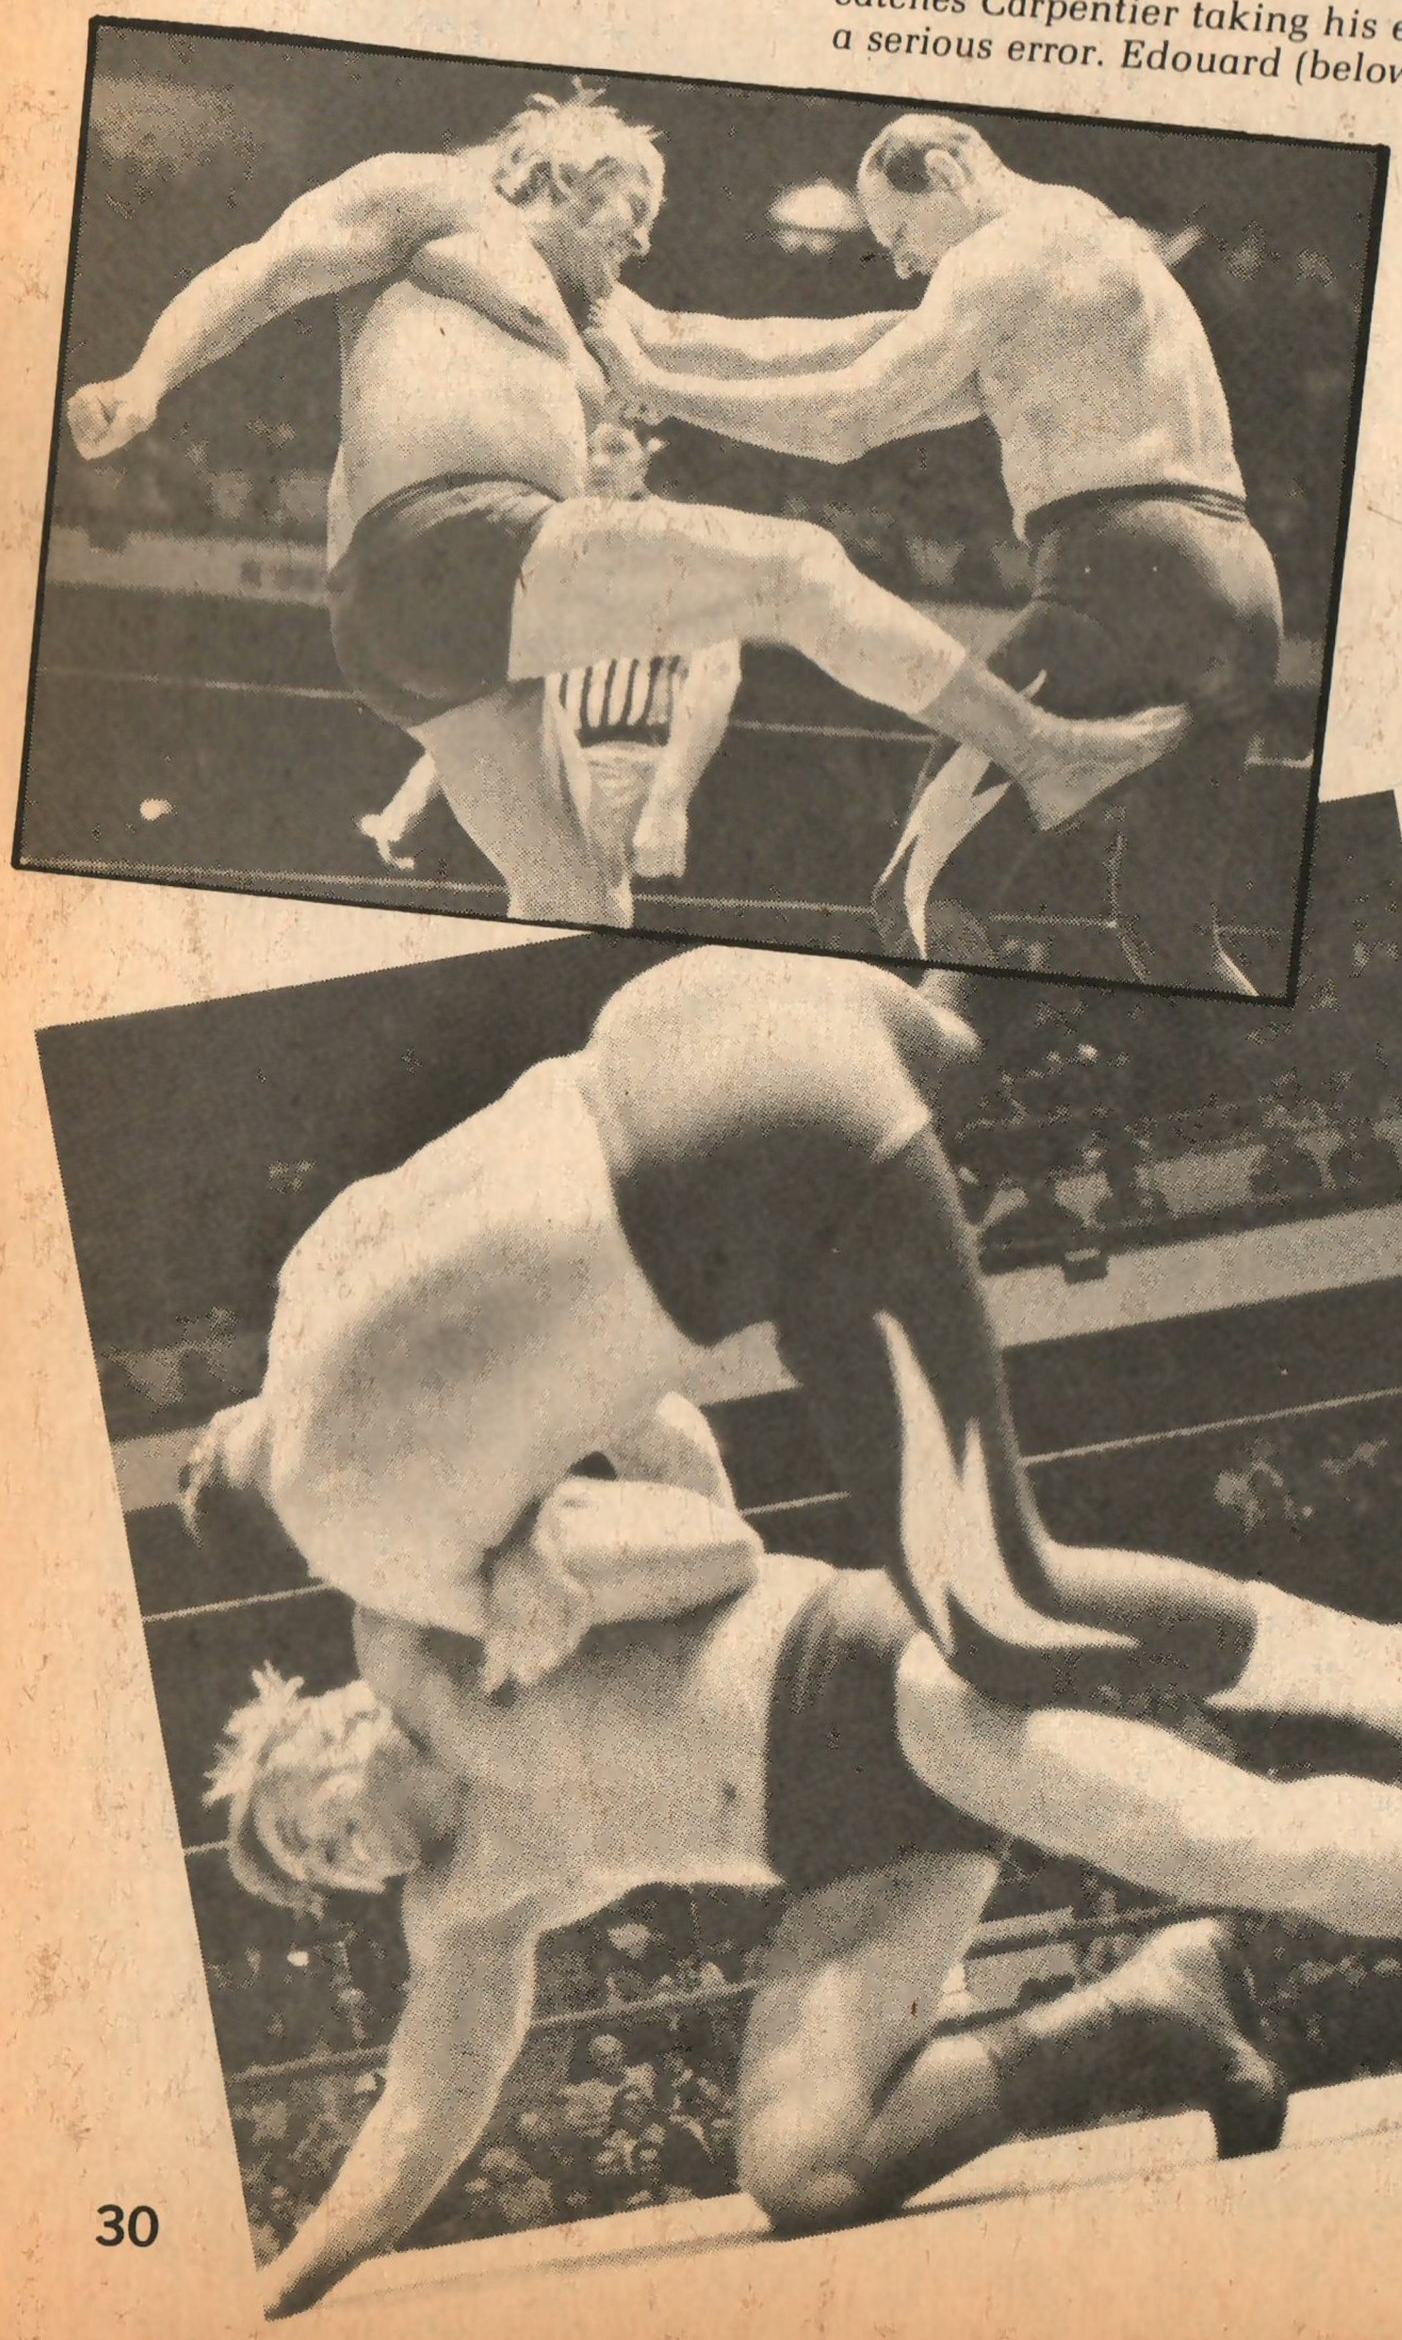
It looked like a struggle to the death as the cane hovered above both their heads with each one trying to yank it out of the other's hand. Finally, Edouard got control of it.

Kowalski was knocked on his knees with Carpentier holding the cane like an axe that he intended to bring down right on Killer's skull. The referee warned Edouard not to do it. But most of the fans doubted he would, considering his reaction to how Killer got it in the first place.

Instead of bringing it down on Killer, Edouard stepped out of the ropes and brought the cane down the aisle to deliver it personally to the old man who once owned it. The fans roared.



Carpentier (above, left) slams a chair over Kowalski's noggin after Killer assaulted him with the cane. Closeup (above, right) catches Carpentier taking his eyes off Kowalski for a moment—a serious error. Edouard (below) lands a nifty kick to the rear.



The strange old man didn't say a thing but nodded to Carpentier in appreciation. Edouard returned to the ring only to find Killer wielding a chair this time and readying it for a swift bash over Carpentier's head.

The chair Edouard could tolerate. He swiftly grabbed it from Kowalski and made it the seat of Killer's troubles with a mighty whomp on his back.

Soon it was just the wrestlers and their bare hands. But there was enough anger in Carpentier over the cane and enough determination in Killer's mind that he did the right thing to turn this into a free wheeling battle.

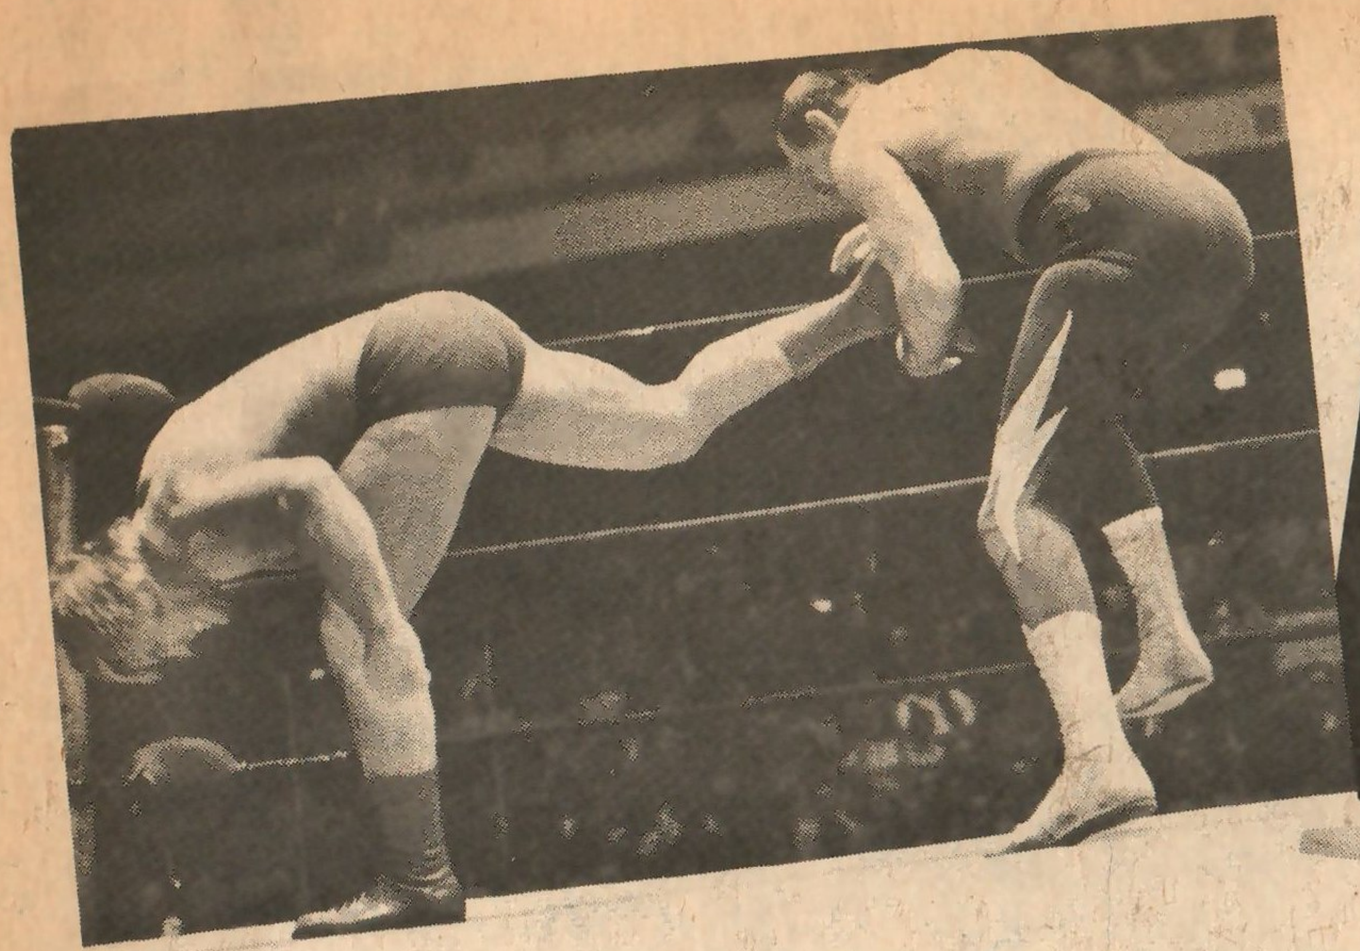
At one point Killer was in tremendous pain as Carpentier twisted his foot in a firm toehold. But Edouard got him back in spades by getting Killer into position and flipping him over his shoulder and out of the ring.

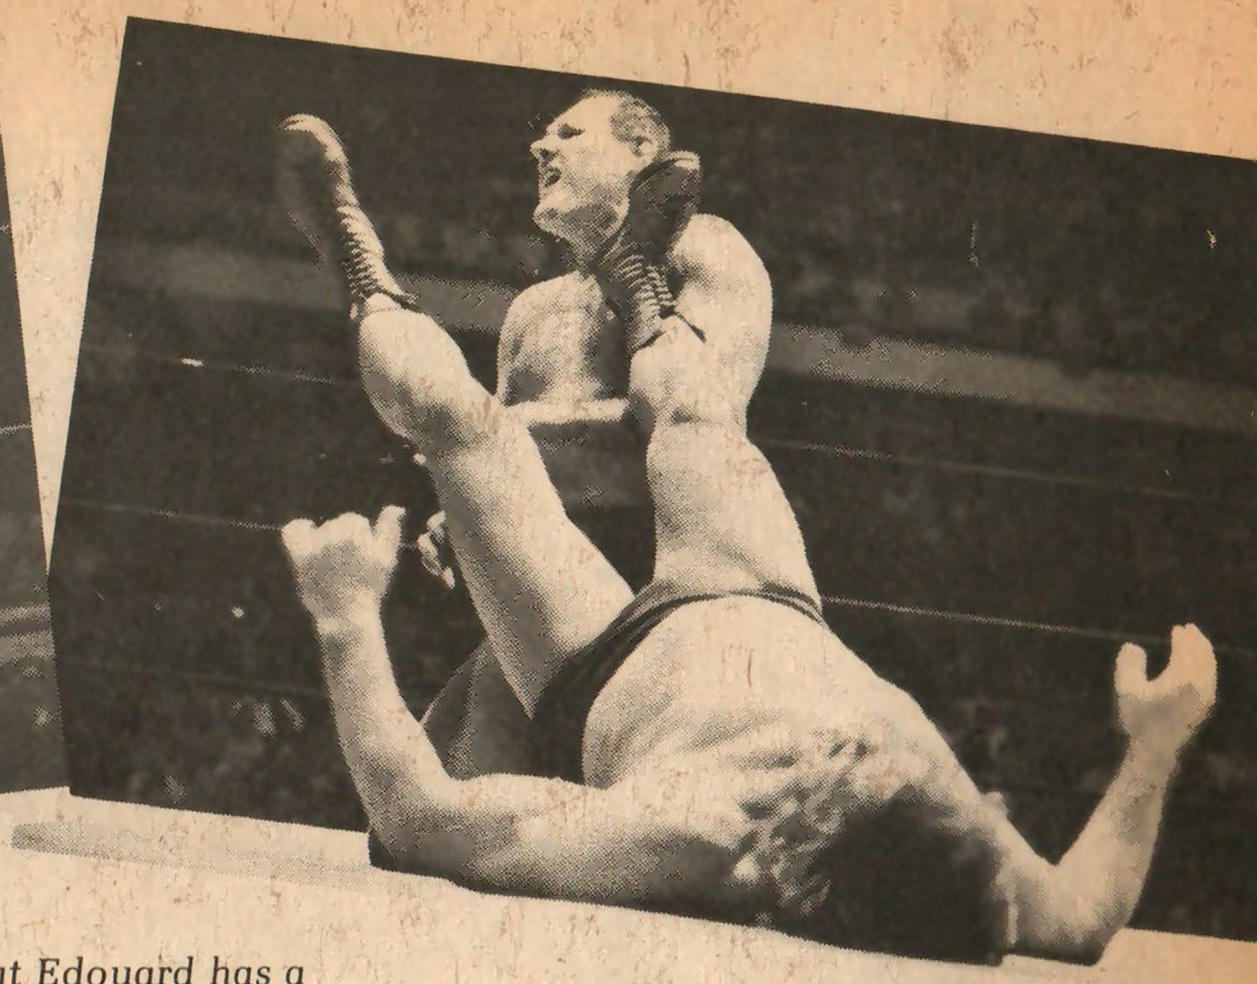
A Killer out of the ring proved to be even more dangerous.

As Edouard tried to prevent him from making his way back in with any form of added comfort, Killer managed to position him under the ropes, knock him out, and slam into Edouard's left arm as it hung over the ring apron.

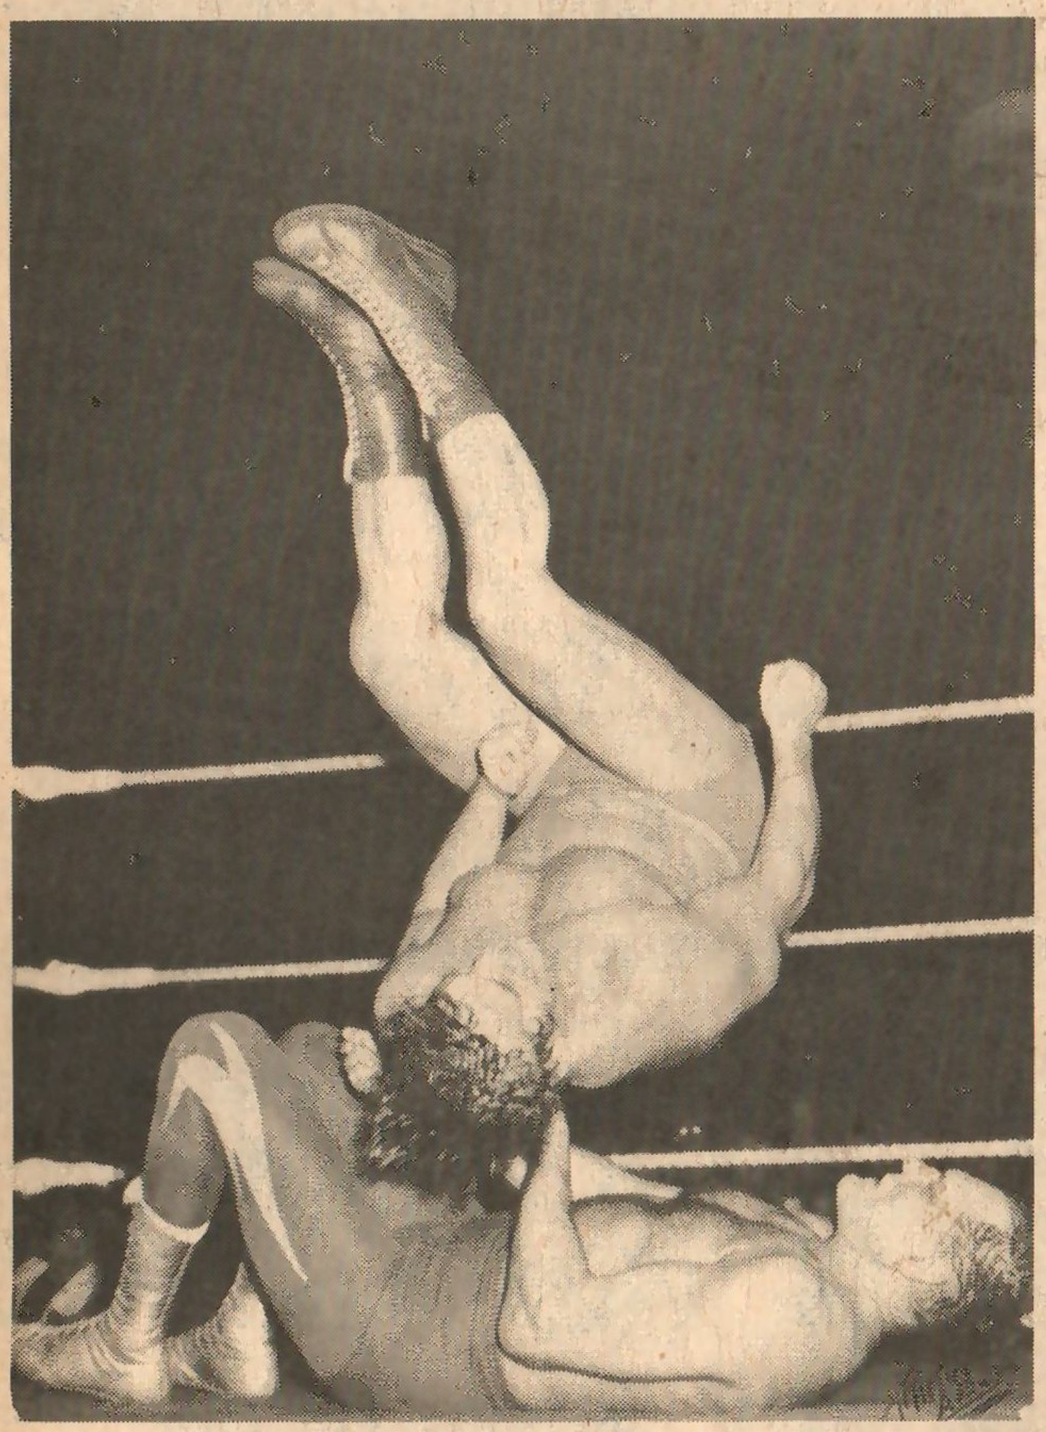
Soon there was more going on outside the ropes than inside. There were other big surprises in the match, but Carpentier was to find the biggest surprise of all when he returned to his dressing

A perfectly-executed arm drag has Kowalski (left) headed for an unscheduled landing on the canvas.





Kowalski may have tricked Carpentier with the cane, but Edouard has a few tricks of his own up his sleeve. Above: He meets a charging Killer with a reverse mule kick. Above, left: Playing possum, Carpentier lies still until Killer goes for the pin. Then—he lashes out with his feet.



It's hard for Killer to know from which direction Ed's coming as he executes a perfect somersault over Kowalski's prone body. Although Ed always tries to stick to the rules, he threatens to murder Kowalski if he finds out that the old man with the cane was, indeed, planted at ringside by Killer.

room.

"I was telling another wrestler about why I was so disgusted about the cane incident when he told me something I could not believe," Edouard said later.

"He told me he had seen that old man before and he's certain Killer had too. In fact, he thinks Killer knew him very well.

"He said Kowalski had played me for a real sucker. Killer had used that cane trick before though he never tried it in a match against me. That old man, and now I don't even know if he is an old man, is always conveniently located so Kowalski has an assistant with a ready weapon at hand.

"That old man whose cane was grabbed by Kowalski was probably one of his stooges, one of his plants. And both of these two characters really had me believing the man was an innocent victim."

The information Edouard got from the unnamed wrestler was confirmed by several others, and Carpentier remains convinced he was taken for a patsy by the trick played by Killer. Kowalski refused to talk to reporters about it.

"Before I was sick from seeing Killer show no respect for the aged when he took that cane from the hands of a man who looked so old and feeble. Now I realize the whole thing was a plant.

"But what now infuriates me is that I was so fooled by Kowalski and his stooge that I returned the cane to him. If I only knew then what I know now I would have broken that damn thing in pieces over Kowalski's head!"

Edouard said he was not certain what the relationship was between the old man and Killer. He could have been a relative, a friend, or someone hired by Kowalski. And Carpentier says it is possible he really is old. But he is evidently not the innocent victim he assumed he was.

Carpentier said as soon as he was sure the other wrestler was telling him the truth, he rushed from his dressing room to find the man in the crowd that was leaving the arena. He almost got into a tussle with security guards when he started tapping people on the shoulder as they were heading out the exits. The police thought he was looking for a fight.

"Even if I found him I never would have harmed the man. But I would have let him know my exact feelings in no uncertain way. And I would tell him that I would show no mercy for his protege—Killer—and would repay him a hundred times for the rotten trick he played on me tonight.

"But I didn't find him this time. The next time I meet Killer I will be scanning the crowd for that familiar face."

A reporter for INSIDE WRESTLING also had no luck in finding the strange old man. Some fans said the man seemed to vanish into thin air. Nobody could remember seeing him leave.

Innocent victim or hired stooge? Only Kowalski knows for sure. □

Chavo tries to avoid the hard pounding of Ladd as the valise comes crashing down on the young grappler's head. Ladd is jealous of Chavo's fame.

While Chavo Guerrero was winning fans all over California, Ernie Ladd was getting more and more jealous of the fabulous rookie. However, his sleazy attack shocked even Ernie's biggest fans!

Chavo Guerrero's Painful Lesson...

PHOTOS BY THEO EHRET

NEVER TURN YOUR BACK ON ERNIE LA

WRESTLERS CROWDED AROUND the dressing room door. They were watching the introduction of Chavo Guerrero.

"You have to see this to believe it," one wrestler told Ernie Ladd, who had yet to get into his wrestling gear. "The crowds love this kid. I don't understand it. He's just another rookie as far as I'm concerned. I was better than he was when I started out. Fans are pretty wierd, y'know?"

Ladd watched along with the others. While most veterans tend to resent the quickly successful stars, Ladd hates them more than most. He seethed as he watched Chavo acknowledge the cheers of fans.

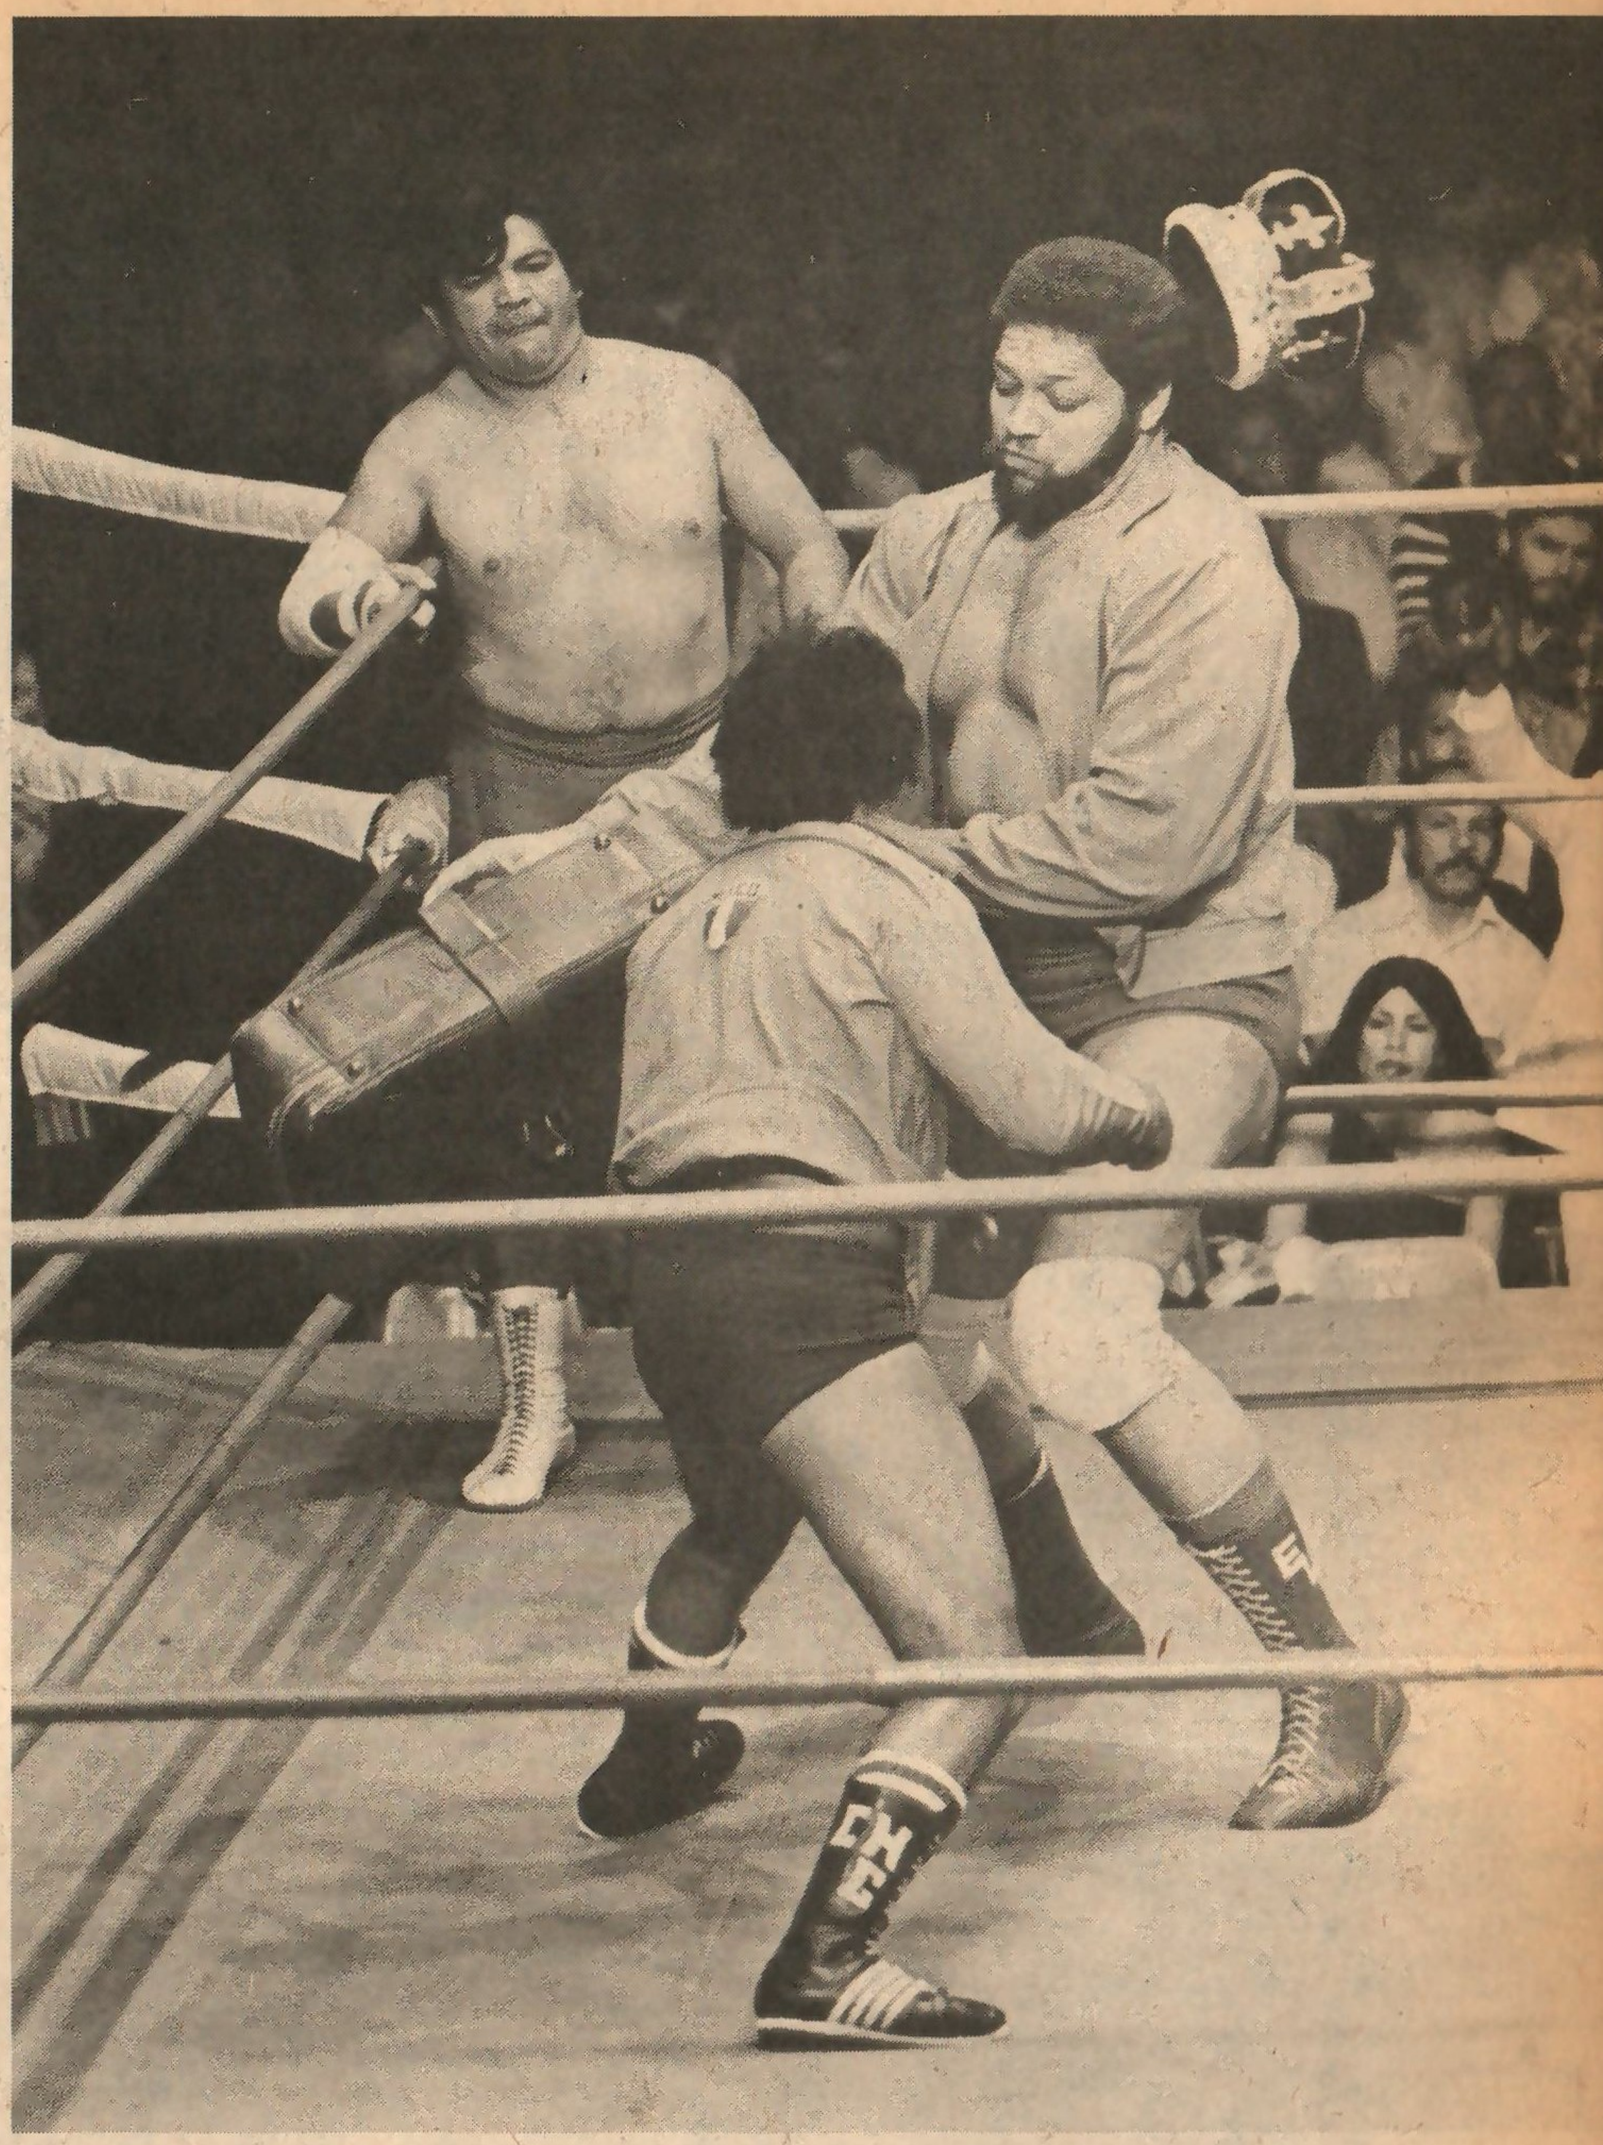
"What the hell do fans know?" Ladd asked angrily. "Here they are cheering some stupid kid who still doesn't know which end is up. Do they care that his opponent, Sal Lothario, is a veteran who has paid his dues and really knows his craft? Do they care what it means to develop your skills slowly and surely, not be some flashy punk who'll be a nobody in six months? You bet those morons don't care. I hope Lothario beats that young brat silly. And if Lothario can't . . . ." Ladd left his threat unfinished.

Most of the veterans laughed as Chavo happily acknowledged the cheers of fans. Ladd scowled. There was no meanness in the laughter, yet there was hatred in Ladd's stare. Guerrero didn't know it, but he had made himself an enemy.

The match between Chavo and Sal began quickly. Ladd tried to go back to preparing for his match, but he was continually drawn back the door to see what the crowd was cheering about. It enraged Ladd to hear cheers for what he continually dismissed as "rookie-rotten" tactics.

Finally, the match was over. Guerrero still was standing, still receiving the cheers of the crowd. He lifted his arms happily after putting on his warm-up jacket. He was basking in the fans' love.

It was more than Ladd could stand. He fumed and raged as Chavo waved to the crowd. Ladd had managed to change into his gear during the match and was ready to wrestle. But before his match, Ladd decided there was something else he had to do.



Ladd continues to swing his suitcase as Guerrero dodges the slashing suitcase. Even though Sal Lothario was Chavo's opponent for the match, he refused to participate in Ladd's attack. It takes a certain type of man, like Ernie, to be this outrageous!

Before anyone knew what happened, Ladd rushed down the aisle, carrying his suitcase. He leaped over the ropes and came charging behind Chavo. Before the rookie could defend himself, Ladd was pounding the valise across Guerrero's head. Chavo, having no idea what to do, tried to escape the attack. It was almost impossible for any man to confound the savagery of Ernie Ladd.

Realizing his only intelligent course of action was to flee back to the dressing room, Chavo rushed to the sanctuary of the training room. Watching him run, Ladd laughed uproariously. He pointed to the crown on top of his head, as if to prove he was still "King of Wrestling."

The crowd booed Ladd unmercifully. Ernie just laughed at their anger. He was content to have driven their hero from the arena.

In the dressing room, Chavo Guerrero was swearing revenge. The young man is patient. Sooner or later, he'll have his moment to wipe the smile off Ernie Ladd's face. □

BEAUTIES

'TWEEN THE

Two well-known international beauties battle in the nude to settle their ancient rivalry in the most primitive, erotic way possible!

In the beginning of the battle, Desdemona takes control by choking (left), twisting (below) and yanking (right) at her hated rival, Tiffany. It didn't take the girls long to forget their sophistication and turn into brawling, wild jungle beasts.

A FEW AT a time, people gathered around the backgammon table. Regulars at the Los Angeles parlor had never seen these two beautiful women before; nor had they seen two players battle mentally with such intensity. There was more here at stake than just a game.

What was at stake was another chapter in an intense rivalry dating back to the women's days as young girls at an exclusive New England prep school. Their lush beauty and cold ambition had made them the best of enemies. Through college and their debut into sophisticated society, these two glamorous women found themselves being constantly compared.

Every time these two chanced to meet, some form of competition arose, even if it was only in the matter of whose clothes were the most elaborate. When backgammon captured the elite's imagination, these two found themselves staring across many boards. Each move was executed as if a dagger was being plunged into the other's body.

The raven-haired Tiffany eventually lost the backgammon

game to her copper-coiffed foe, Desdemona. Rage flared in Tiffany's eyes, reminding one of a hungry tigress whose prey has escaped. Desdemona didn't even attempt a facade of sportsmanship. She basked in the glory of her triumph.

One of those watching this violent battle of wits was Dave Moll. After the game ended, Moll invited both young ladies to join him for a drink. Familiar with Dave's reputation for the ultimate in erotic spectacles, the women were flattered by his attention.

As Moll sipped his dry Rob Roy, he told the pair, "I'm sure by now you've both guessed why I invited you for drinks. We're all adults. There is no reason why I should waste our time with subtlety. I just think it would be enjoyable for my friends to watch you two settle your dispute in the most primitive and grueling way possible."

Tiffany, whose recent defeat still flamed within her, quickly replied, "I'll be a gladiator, Dave, on one condition. I get final approval on the guest list. There are some people I don't want in attendance—and some I want to see every second of it.

"And since I've accepted, Des won't dare refuse. She couldn't live with herself refusing a challenge I've accepted. Isn't that right, love?"

Desdemona's lip barely moved to form a mirthless grin. Tiffany's last taunt had vanished any reservation she might have had.

"The spectacle is yours, Dave," Desdemona answered, "if I get the same privileges Tiff has. I also want the right to bar any person my worthy opponent might want to invite if I don't want them. Of course, Tiff can revoke any invitations of mine she doesn't like."

"Come now, love," Tiffany interjected, "you know I wouldn't want to see you ill at ease. Des' suggestion makes excellent sense to me."

Above: Desdemona ruthlessly twists Tiffany's arms. Below left: The two women are a wild whirlwind of flashing lithe limbs as the bout progresses.

Within a week from their first conversation, Moll discovered he'd lost control of the entertainment. The two women, excited by the imminent release of the violence they'd far too long suppressed, went at this like it was going to be the greatest evening of their lives. They wanted everything perfect; they even dictated to Moll the kinds and brands of champagne which he should order. Dave didn't argue the point. The women had excellent taste.

A guest list was submitted by all three parties; only Moll's suffered any real change. Dave couldn't suspect the many people these two had known and sworn never to see again. Others whom the girls despised had heard of the contest and begged Moll to be included. Never had a single match excited the imagination of the nation's most important men.

Finally, the evening of the spectacle arrived. Those of Moll's coterie mingled easily with the guests invited by the two girls. Women who had watched the rivalry between Tiffany and Desdemona for years had been invited. One would have thought it was simply an elaborate gathering of the famous and wealthy. Only the terrific tension in the room revealed the real purpose of the evening.

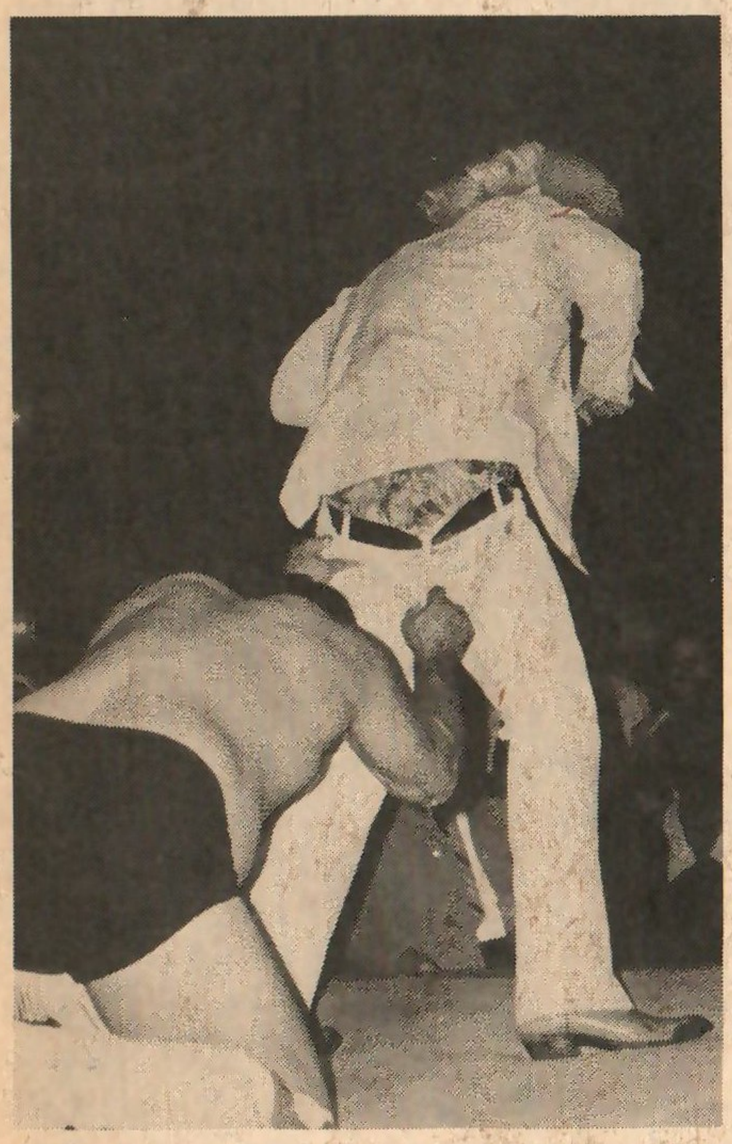
RIC FLAIR CAN'T GRIN BUT HE DOES BARE IT!

While Ric Flair was recuperating from an injury, Wahoo McDaniel waited patiently for his enemy to return to combat. In their first confrontation, McDaniel and Flair prove their feud is wilder than ever!

PHOTOS BY BILL JANOSIK



R-i-i-i-p-p-p! Off come the trousers of Ric Flair. Wahoo McDaniel is about to cause Ric his most embarrassing moment!

TIME IS SUPPOSED to heal all wounds. If Ric Flair thought time would make Wahoo McDaniel forget about him, the young grappler suffered dearly for his mistake.

One of the most brutal feuds ever seen in the South was between Flair and McDaniel. Every match was a war with both men intent on the other's total destruction. However, before they could kill each other, Ric was injured in an airplane accident. Everyone hoped Ric would recover. Wahoo wanted this for a special reason: The Indian mat star wanted the pleasure of ending the young man's career himself!

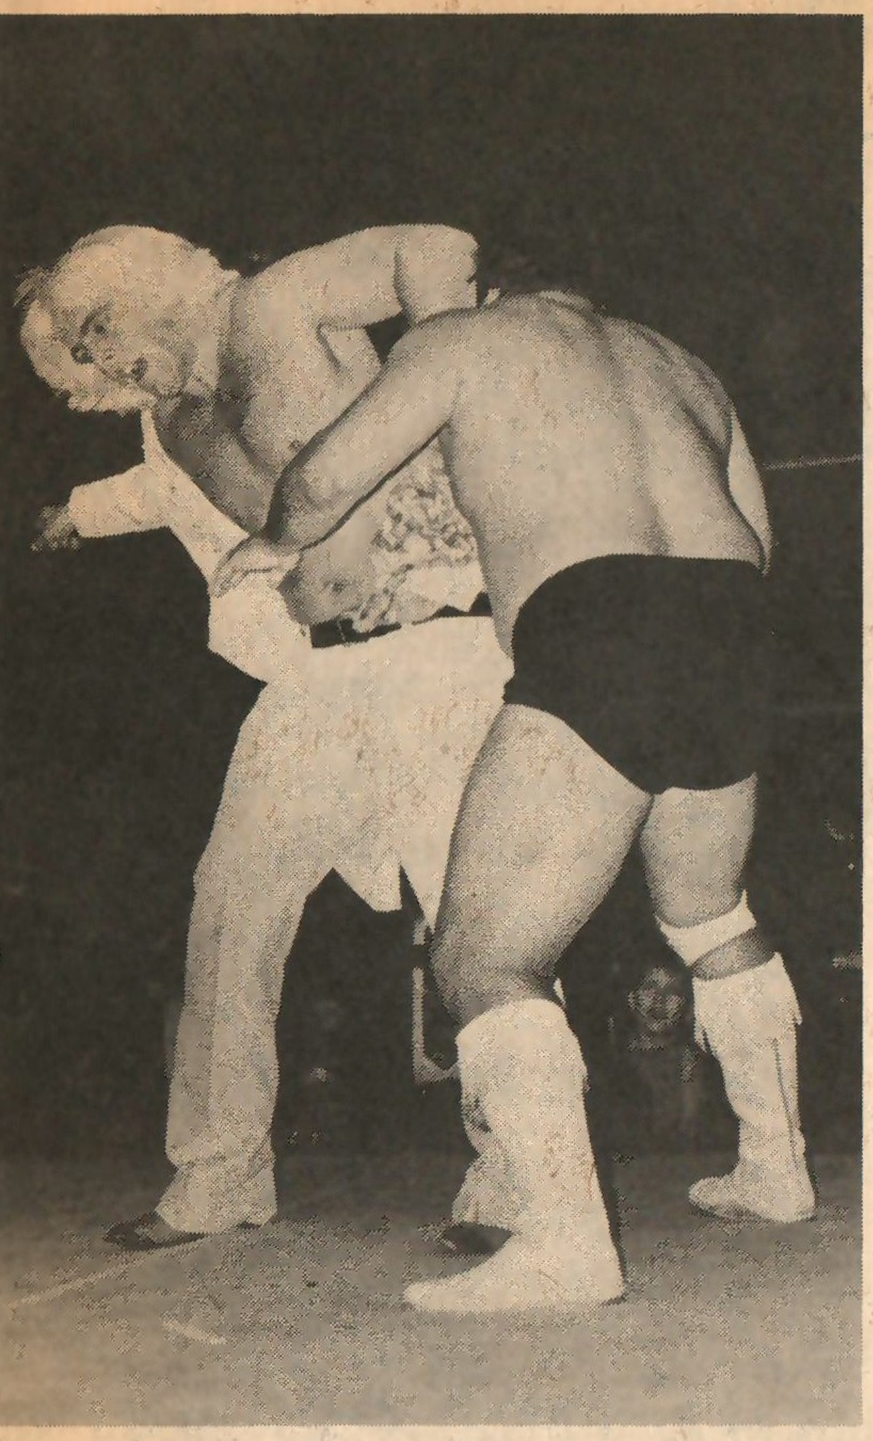
Eventually, it became apparent Ric would recover without any permanent disabilities. As soon as this was known, McDaniel issued a challenge to Flair, demanding a match against the recovered grappler. Ric, understandably hesitant to make his return against McDaniel, replied he would consider wrestler Wahoo only after the chief wrestled Blackjack Mulligan, Flair's close friend and a notorious rulebreaker.

Wahoo accepted the conditions and wrestled Mulligan. The two men battled like jungle beasts, mixing brains and brawn in a brutal exhibition of wrestling brilliance. After 45 minutes of awesome action, the match was declared a draw. Exhausted, both men stumbled back to their respective dressing rooms.

The next morning, McDaniel issued another challenge to Flair. Still, Ric hesitated.

"When I get back in action," he stated, "I want a better opponent than McDaniel. I'd hoped Mulligan would show the clown up for the lousy wrestler he is. Though Blackjack somehow failed to do it, I don't think McDaniel should get to wrestle me because of a fluke. He got lucky. I don't want to wrestle someone lucky; I want to wrestle someone good!"

While Ric avoided McDaniel, the promoters scheduled Wahoo to wrestle Angelo Mosca. Even though the chief was still suffering from bruises inflicted during the Mulligan match, he took the battle against Mosca.



Wahoo continues to rip Flair's clothes from his body (above). If this was in color you'd see just how red Ric's face is (right) after Wahoo did what he set out to.

Flair, a good friend of Mosca's, was in Angelo's corner. He hoped to see the destruction of McDaniel from the best possible vantage. As events proved, Ric would also help his friend when the referee couldn't see.

From the sound of the bell, McDaniel was on the offensive. Mosca parried his assault, but with great difficulty. Sooner or later, it appeared, McDaniel would finish off his foe.

However, Flair was determined McDaniel would lose. People saw Flair approach the battling pair and then saw McDaniel crumple to the canvas. No one is quite sure what Flair did, but when McDaniel stood up, a huge gash was across his forehead. It was obvious to everyone he was bleeding too badly to continue. The match belonged to Mosca—with a lot of help from his friend.

The next day, Wahoo stormed into the promoter's office, a huge bandage covered the 12-stitch wound.

"I want Mosca again," Wahoo declared angrily. "And he can have

Putski-Koloff: IVAN THE GREA

IVAN THE TERR

THE YOUNG MAN waited nervously in the dressing room before his first match in the United States. It had taken him years to make the journey from his native Poland. The horror of his childhood lay behind him; the bright future in his adopted land lay before him. He nervously paced the room as he waited to hear his name an-

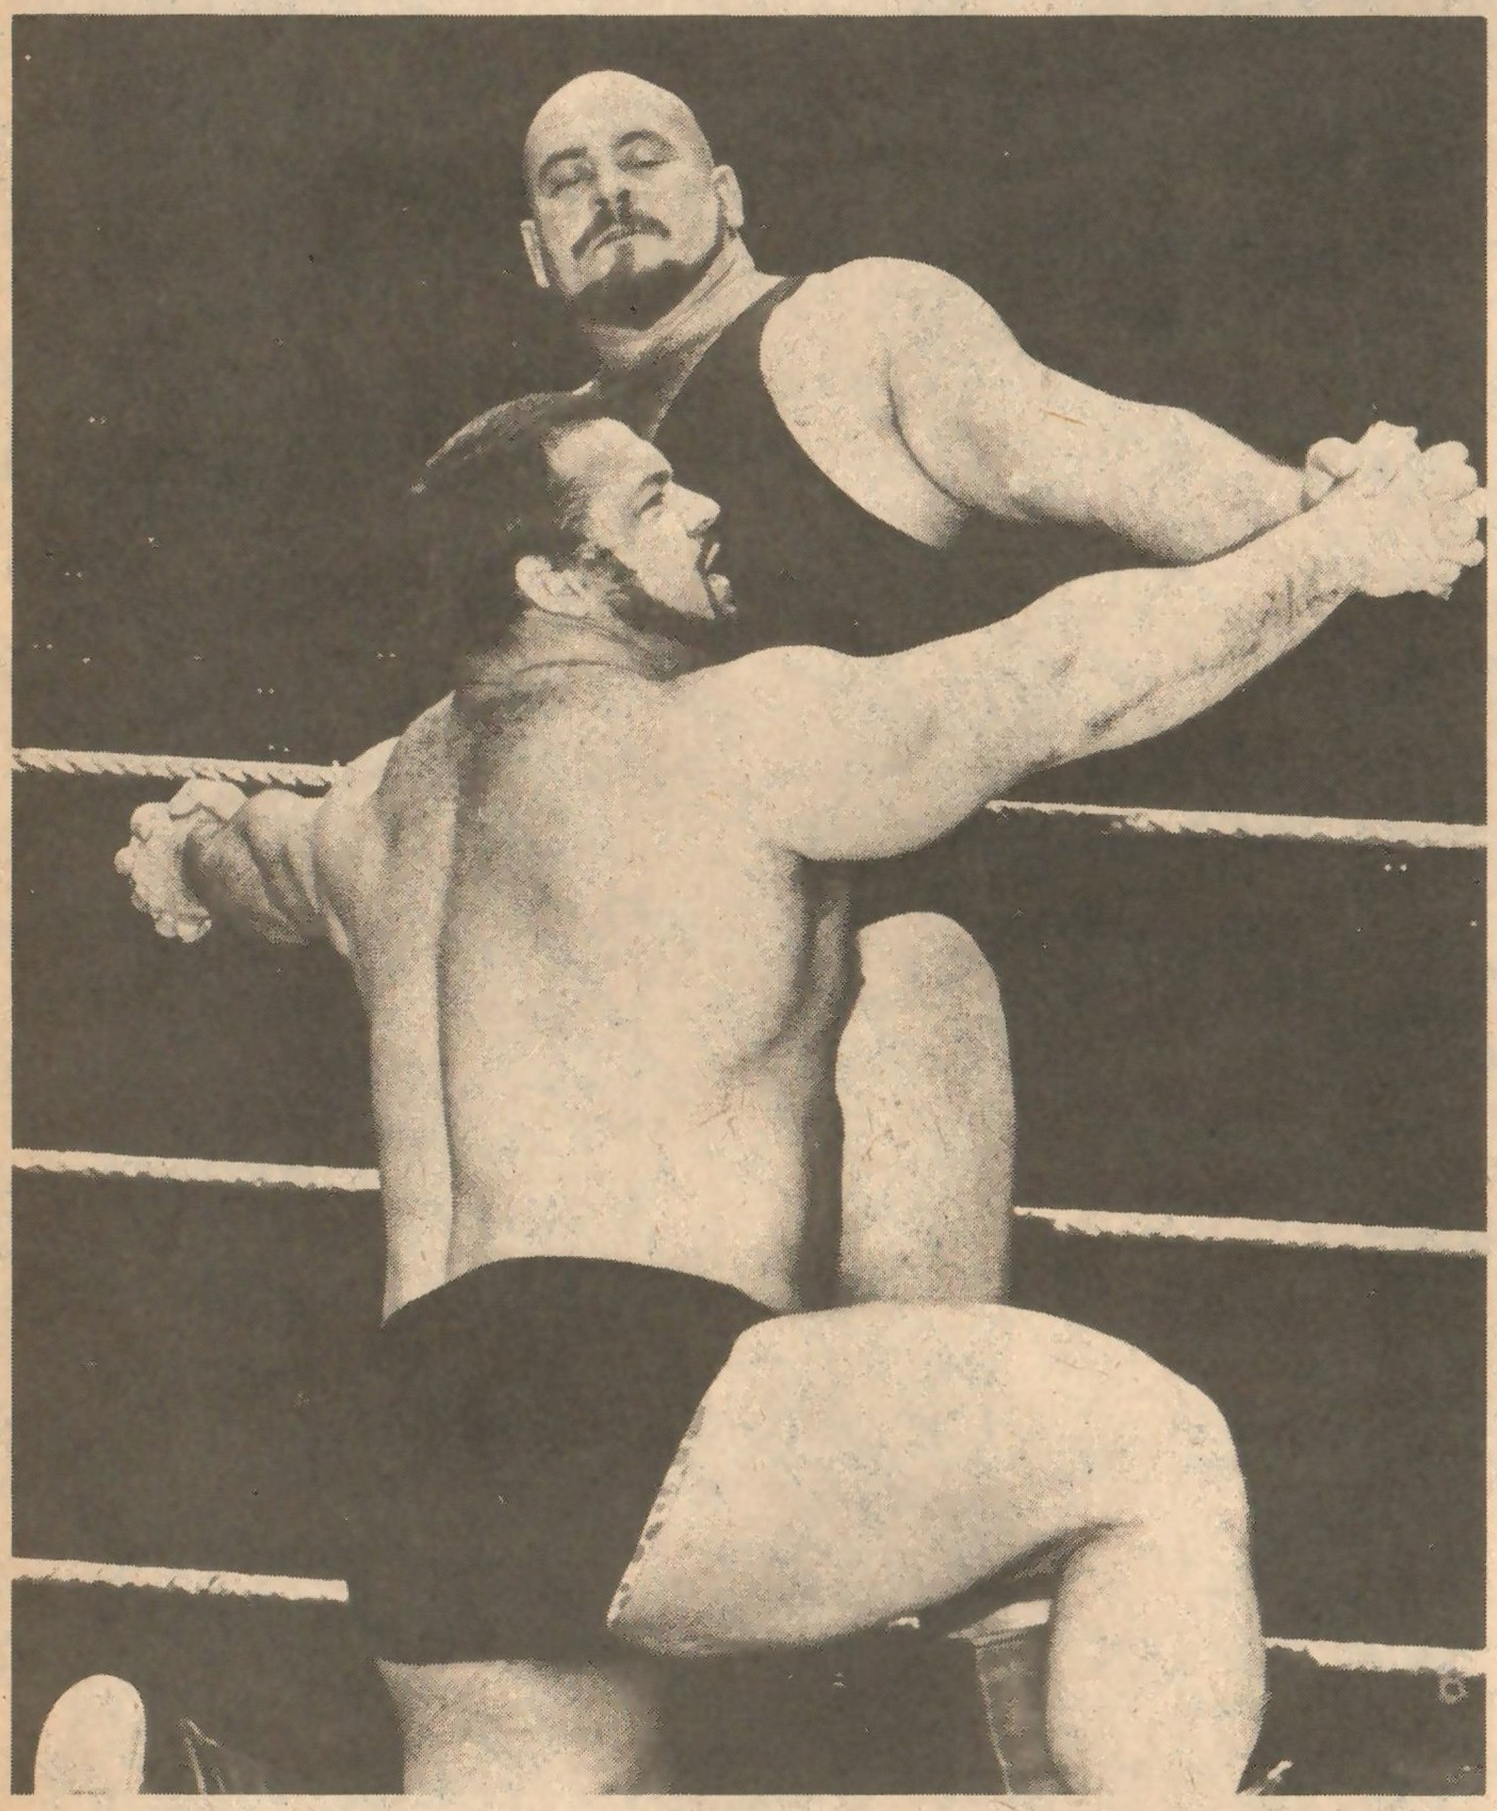
Two of the most powerful men in wrestling are Ivan Koloff and Ivan Putski. When these two clashed, it was a staggering battle no one will ever forget!



Above: Putski is brought to his knees by the sheer strength of Koloff. At this point, it appears Putski is doomed to go down to defeat. nounced.

All he wanted was to be admired by the fans. His childhood, a cruel battering in a strife-torn land, left him starving for affection. He craved the cheers of fans more than anything else in the world.

Finally, it came his time to wrestle. Pinching himself to make sure he wasn't dreaming, Ivan Putski proudly entered the arena for his first professional wrestling match.

He ran all the way down the aisles and climbed through the ropes. He ran across the canvas to his corner, jumping up and down with excitement. He couldn't wait for the announcer to shout his name to the fans.

"In this corner in his American debut, Ivan Putski!"

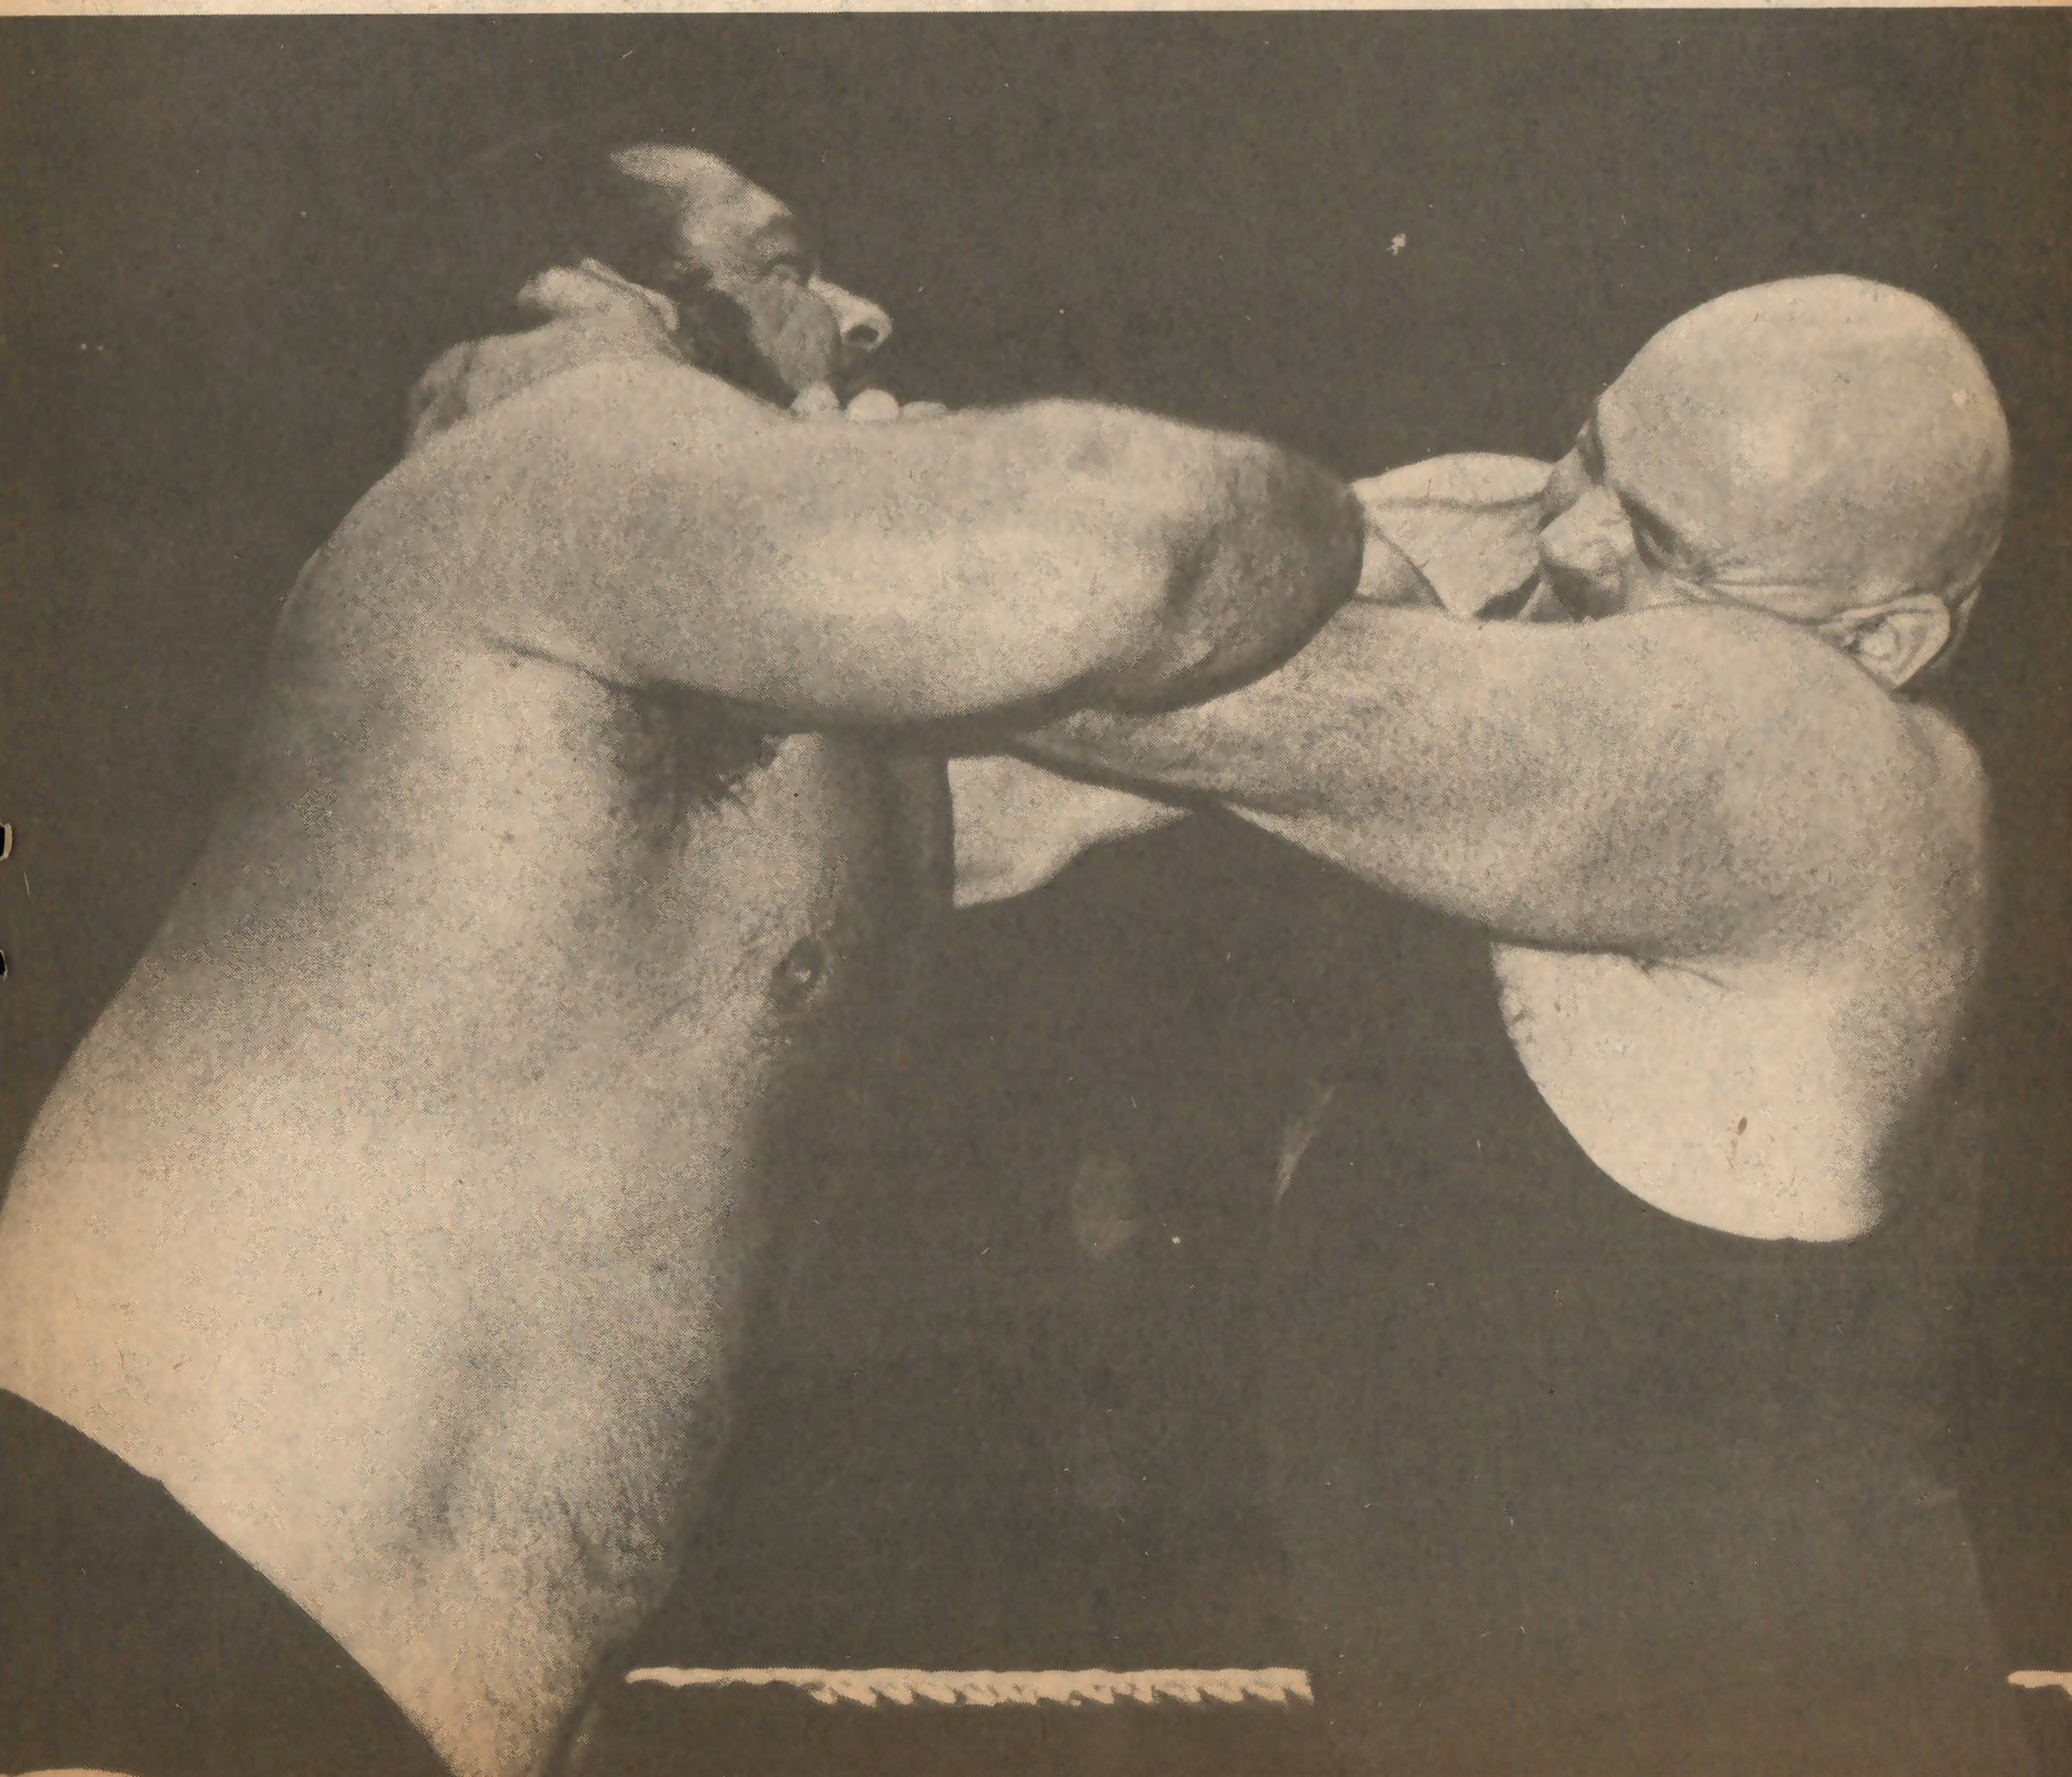
Ivan listened to his name echo throughout the arena. He gloried in the sound. Then he realized some fans were booing.

The poor young man couldn't believe it. All the stories he had heard of American fair play and friendliness hadn't prepared him for this cruel reception. Almost in tears, the young man wrestled his first American opponent.

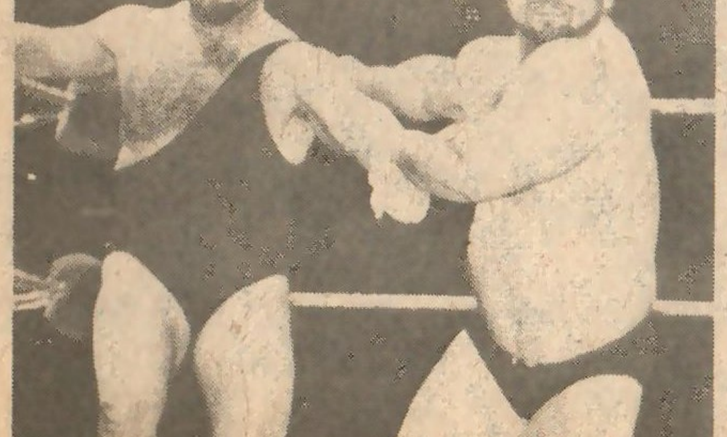
Ivan wrestled brilliantly, the competition making him forget his sorrow. The fans watched him wrestle scientifically and the jeers changed to cheers. Ivan Putski had won over his first crowd. The young grappler went back to the dressing room confused but happy.

Again and again, Ivan had to win over angry crowds. Not speaking English, he couldn't ask someone why he was being booed. He kept changing his uniform and his hairstyle. Nothing helped. The boos continued until he had a large reputation for himself. It took over a year of boos before he changed the fans' mind. And to the sensitive young man, every jeer was an ordeal. Wrestlers who lived in the next hotel room from him remember hearing the grappler cry himself to sleep.

T VS.
IBLE



Above: Koloff traps his weary foe in the corner and pounds away at Putski's head. Below: Putski grabs Koloff by the arm and hurls him across the mat.



Stubbornly, Ivan remained in wrestling, determined to change the minds of all the fans. He did it, but the scars remained. He'll never forget the first year and all its heartbreak.

It took Ivan more than half a year to discover why he was booed by the fans. And that's the first time Ivan swore he would exact revenge from the despised Russian, Ivan Koloff.

Fans had been accustomed to insulting and yelling at Ivan Koloff for a long time. This unscrupulous grappler had claimed victories over some of the most beloved wrestlers, crippling more than one fan favorite. He used any tactics imaginable to be a winner. The fans hated and despised him as did most people in wrestling. The name of "Ivan" was the equivalent of a red flag in front of a bull; a wrestling fan would hear it and boo!

It took a while before fans realized the Polish Ivan was the direct opposite of the Russian Ivan. Putski loves wrestling and obeys all its rules. He adores the fans and believes them to all be his close friends. Koloff thinks as little of the fans as he does of the rules.

The two men do have one similarity—each possess overwhelming strength. Their bodies are hard with power, capable of using brute strength to end a match. Coupled with their immense wrestling knowledge, it's no wonder the two men have become renown throughout the world.

Ivan Putski had long wanted to avenge the boos he suffered by being confused with Koloff. The Polish mat star also wanted to avenge his childhood, turned into a

horror by the superpowers using his country as a pawn, finally giving it to the Soviet Union. Koloff's countrymen had grown rich and powerful off the misery of Putski's relations.

On a much more personal level, Putski has seen many of his friends carried out on stretchers after matches against Koloff. Many men have scores to settle with Koloff because of friends no longer able to wrestle.

So it was with real pleasure Ivan Putski put his signature on a contract for a match against Koloff. Years of waiting for revenge would finally be ended.

Lou Albano, Koloff's manager, was excited about the match.

"My man is the best, the strongest, the quickest, and smartest wrestler alive," Albano shouted before the match. "Putski will be like putty in his hands. Once and for all, the fans will see Ivan Koloff is the master of that overgrown kiddy, Putski. Putski will be finished before Koloff can work up a sweat. Fans had better arrive early before they miss it all."

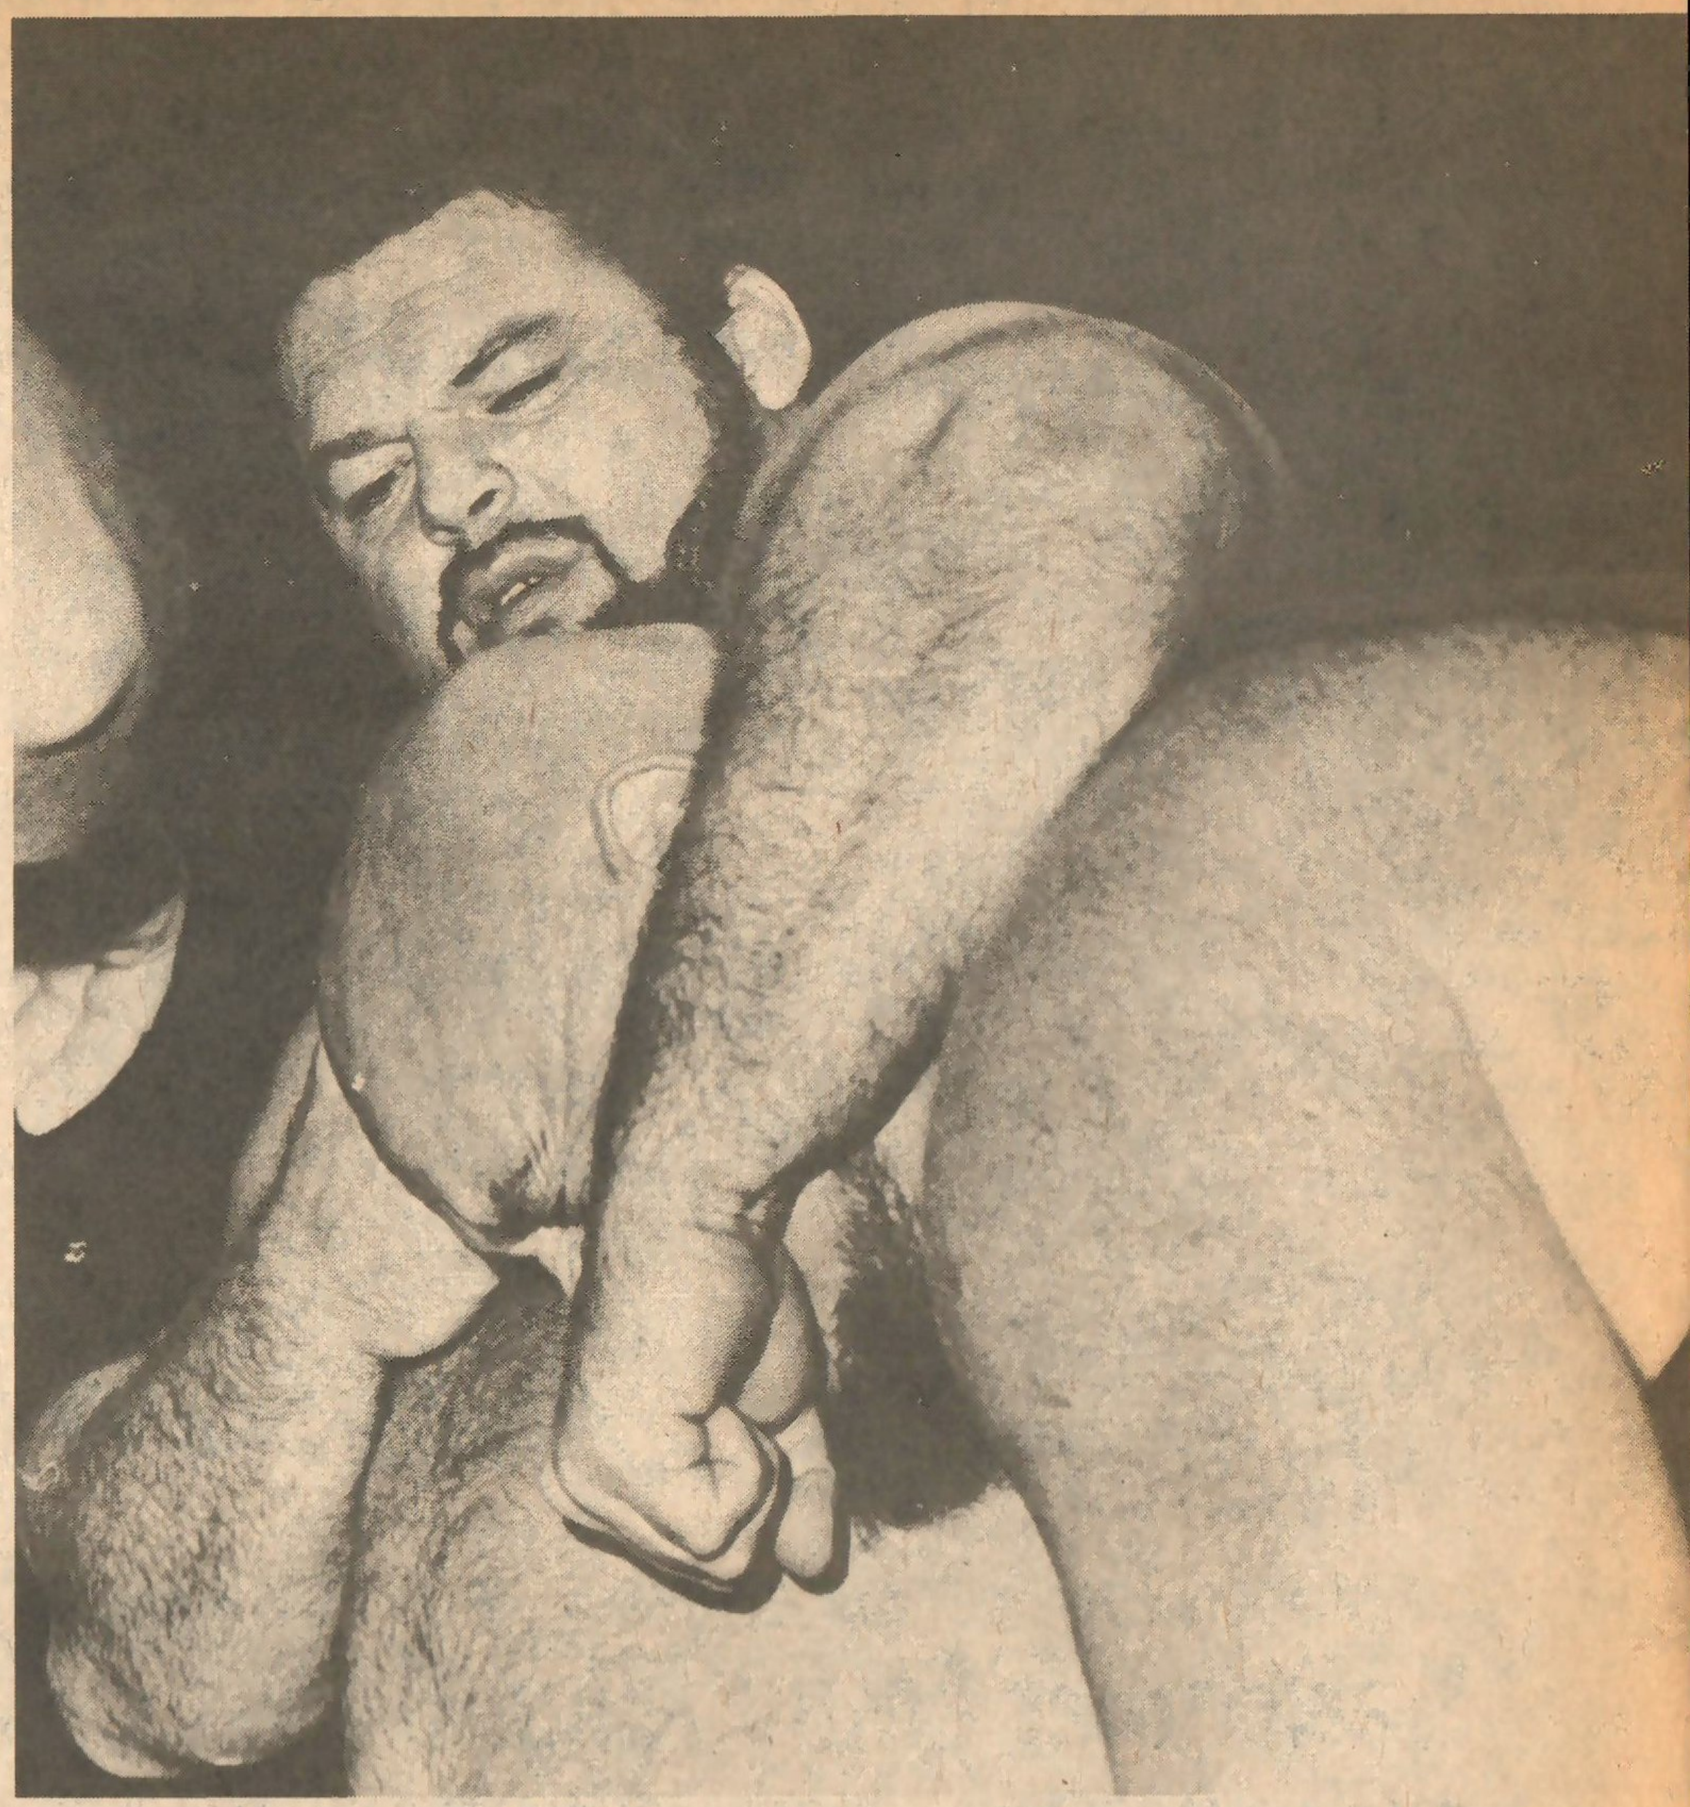
As usual, Albano proved himself to be a poor prophet. The match started like the two men were battling for their lives. They pitted power against power. Wrestling science was ignored as the two men challenged each other with brute strength, a man against man confrontation, two beings determined to conquer the other. Fans couldn't believe this incredible spectacle.

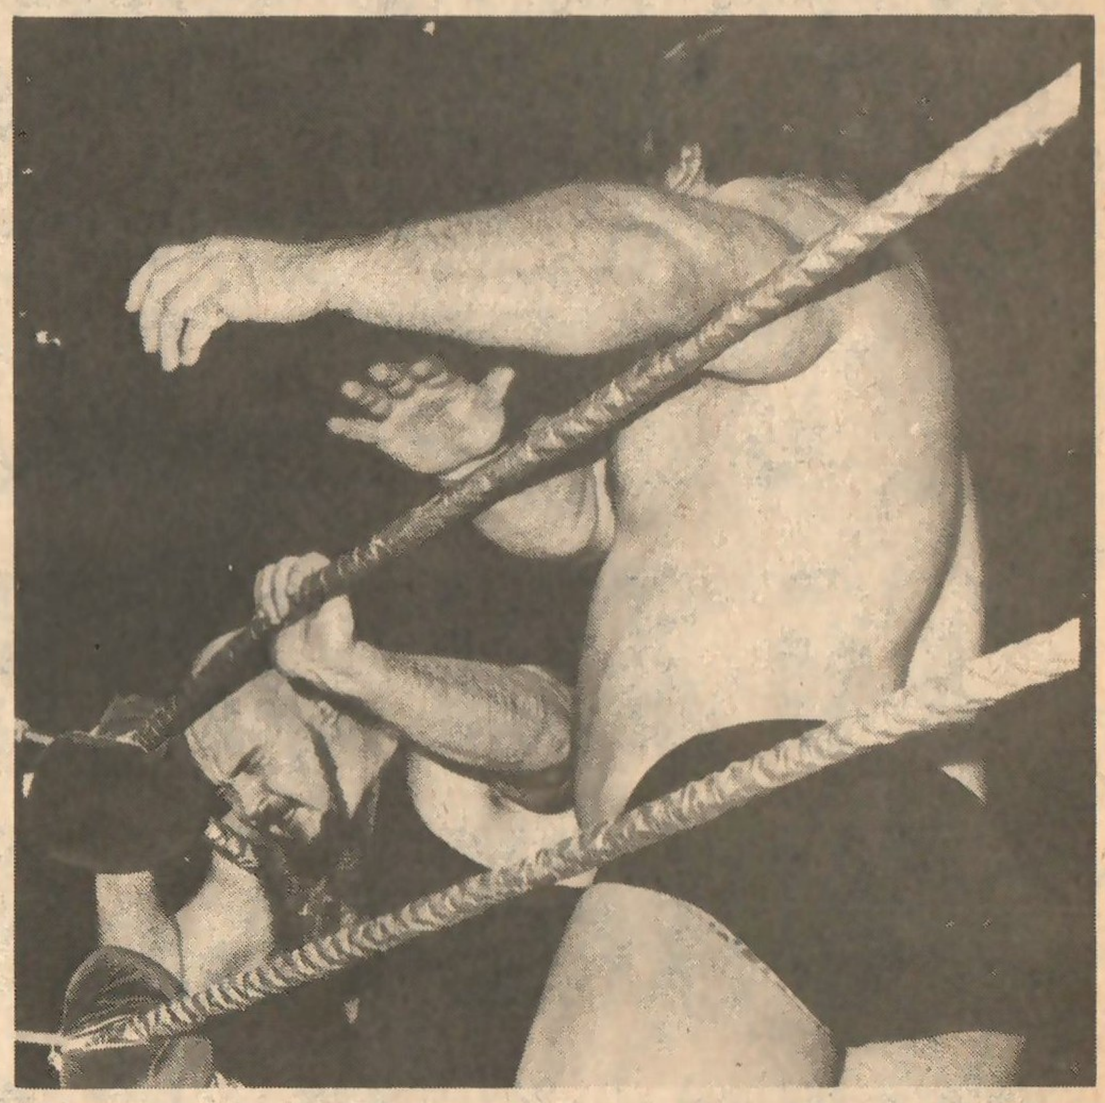
Like most contests of this type, it was fascinatingly slow. Each movement, however slight, meant one man was closer to collapse. Finally, the almost ritualistic battle exploded in a whirlwind of fury.

Koloff and Putski began to assault each other in what quickly became a savage brawl. Two incredibly powerful primitives tore into each other with reckless abandon. Neither man cared what happened to himself; all that existed was the primal need to destroy.

As might be expected, this brawl was too great to be contained within the ropes. The two men soon toppled over onto the ring apron. Not even bothering to think about injuries, they continued to battle furiously.

It was with a sigh of relief the referee counted the men out and disqualified them both. He didn't want to see this match go any longer than was absolutely necessary.

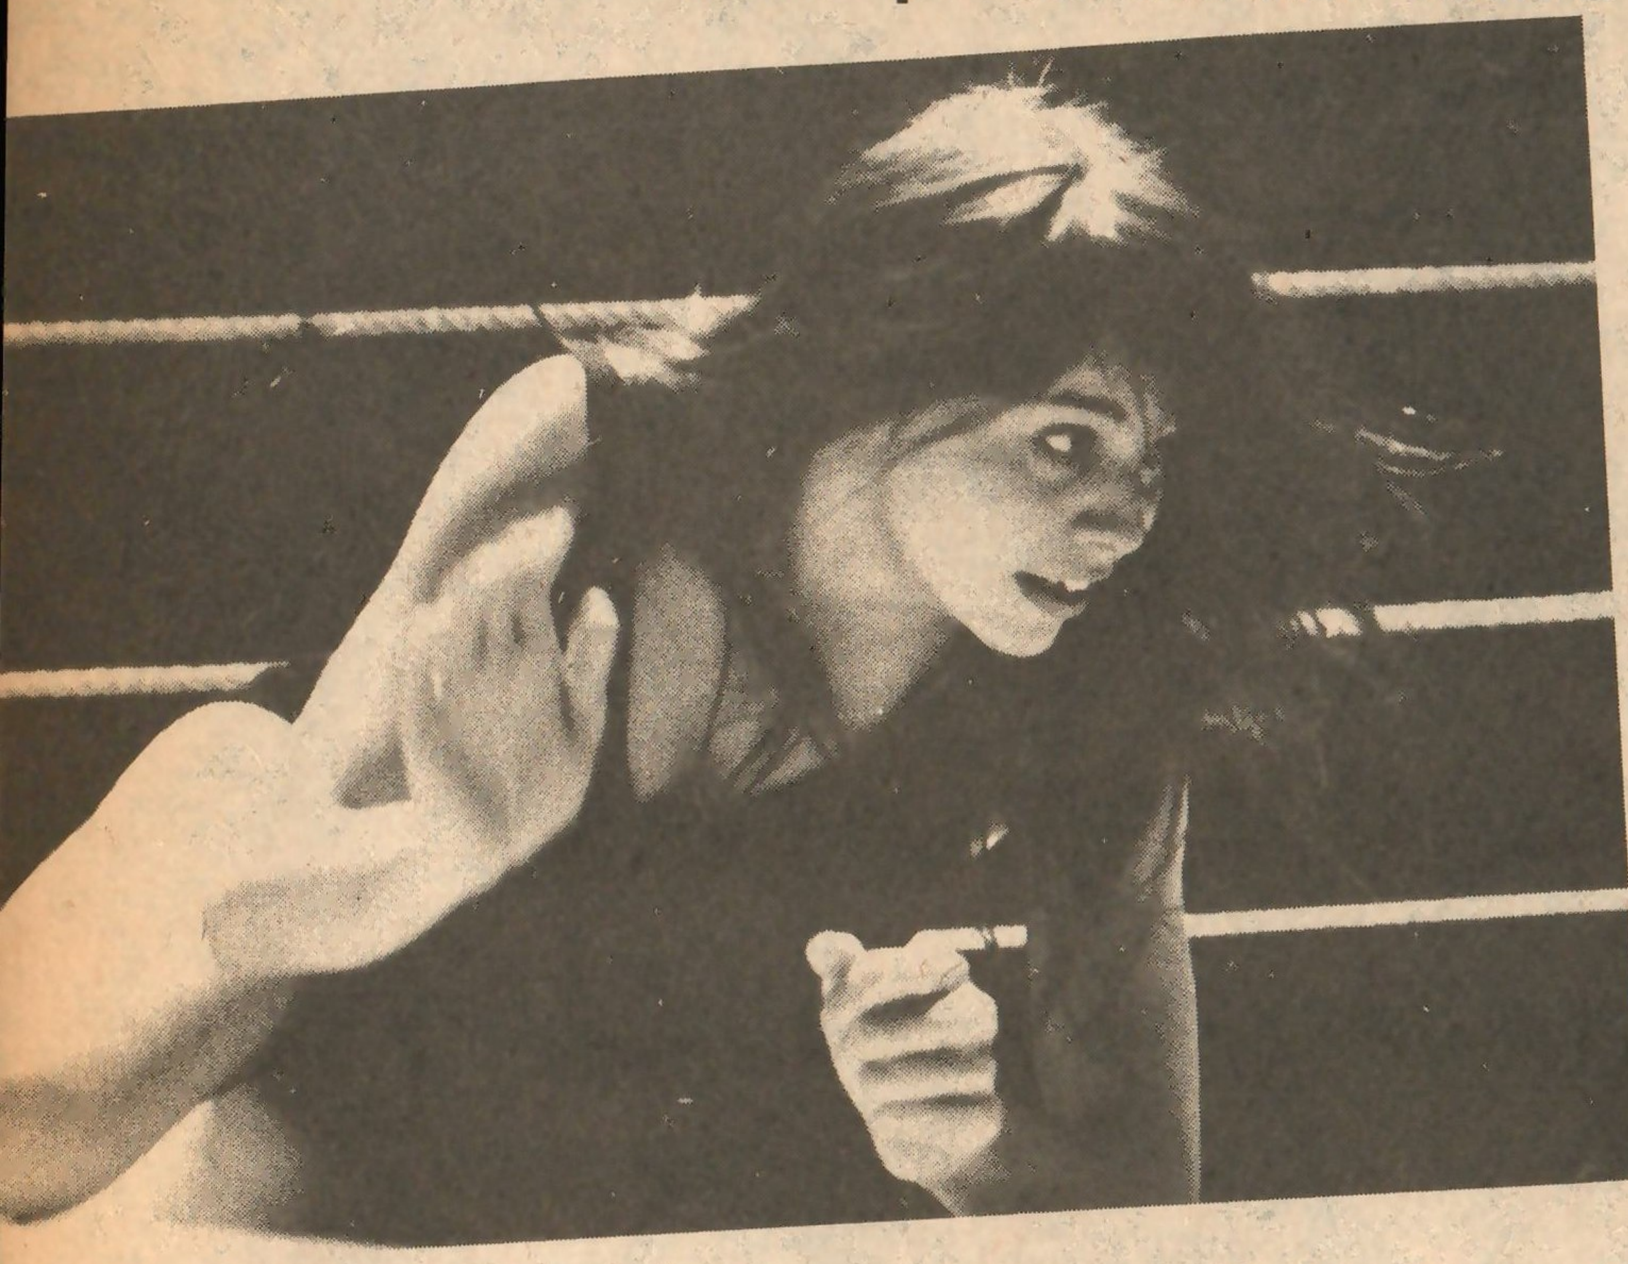




Above: Putski punishes his opponent with a brutal headlock late in the bout as Putski begins to dominate the action. In a few moments though, Koloff would turn the match around. Right: Koloff winces in pain as Putski slams his head into the ringpost. Somehow, Koloff continued to battle after getting smashed.

Later, Ivan Putski sat disconsolately in the dressing room. He hadn't humiliated Koloff, hadn't made him suffer. Putski wanted to make his Russian foe suffer one-hundredth as much as Putski had suffered. In the quiet of the dressing room, Ivan swore the next time the two men met, it would be very different! □

They used to say that Cindy Allen could do anything she set her mind to doing. An honor student, a top athlete, a prize-winning amateur sculptress, voted "Most Likely to Succeed" in school, there seemed nothing she couldn't do. Then her friends presented her with a real challenge



Young Cindy Allen (below) took a dare from one of her friends and became a professional wrestler. Left: Cindy looks up from the mat after Paula Steele dropkicked her.

Newcomer Cindy Allen Boasts:

"MY FRIENDS DARED ME TO BECOME A WRESTLER— *SO I DID!"*

CINDY ALLEN IS the kind of girl parents dream about having for a daughter. She's pretty. She's an honor student. She has loads of friends and never has to worry about getting a date. Word around her hometown was that there was nothing Cindy couldn't do.

"I'm the kind of person who'll try almost anything once," the auburn-haired youngster said. "I've been sky diving and scuba diving. I once ate a whole pizza on a dare and was sick for days. I swallowed a

goldfish on a dare after seeing on some old movie on television where people did that in the 1930's."

But Cindy has had other firsts. She was the first in her group of friends to learn how to drive a car. Now she takes apart and reassembles drag racers! Shortly after her sky diving escapade she decided to learn how to fly. Pretty soon she'll have her pilot's license. When someone suggested she take up sculpting as a hobby, she did—and won a prize in a contest. While she was learning scuba diving she got the bends and had to spend 18 hours in a decompression chamber. Yet she bounced right back from that scare and is now an accomplished diver.

So with all that going for her—why did Cindy drop out of college to become a wrestler?

"My friends dared me to," she answered, "and they know I can't resist taking a dare. I'm one of those people who when she sees something that looks the least bit interesting drops everything else and plunges head first into her new love. I was like that with flying, sky diving, scuba diving, sculpting, cooking, everything.

"I was in college and it was about a week before exams. Eventually I'd like to be a veterinarian. But anyway, everybody was pretty tense from studying all the time and someone suggested we do something flaky to kind of relax. My girlfriend Pam suggested going to the wrestling matches. At first we all laughed but it seemed like fun so we went.

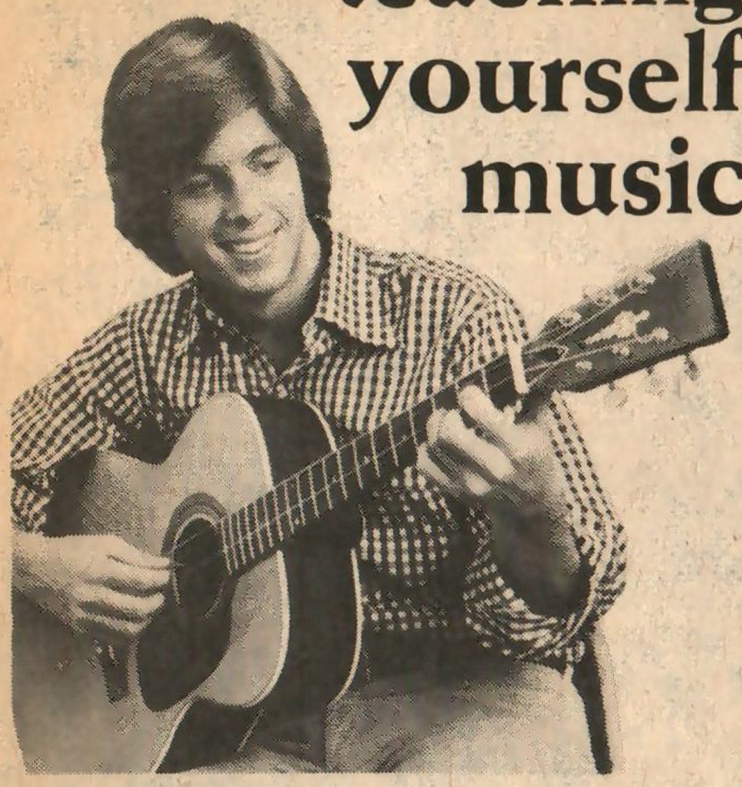
"While we were there one of my girlfriends said this was something even I couldn't do. Naturally, that was all I had to hear. 'Of course I could do this if I wanted to,' I told her. She dared me to and bet me $100 that I wouldn't.

"Not only didn't I have $100—but I had no idea why I let myself get into this. Just my big mouth I guess. Anyway, one of the guys in the dorm was on the college wrestling team. He directed me to the coach and he told me how to go about getting in touch with the promoter.

"Without dragging the story out, the promoter laughed at me. That made me even more determined. I dropped out of school, found a former wrestler who volunteered to teach me, and learned all I could within six months.

"My mother, of course, went nuts. Here I was, voted most likely to succeed in high school, straight-"A" student, and dropping out of college to take up wrestling. You've gotta admit I must have been pretty wacky." *(Continued on page 60)*

The secret of teaching yourself music



Learn piano, guitar, etc., at home in spare time

It may seem odd at first—the idea of teaching yourself music. You might think you need an expensive private teacher to instruct you—and to tell you when you make a mistake.

But, the fact is, you don't. Thousands have taught themselves to play with the U.S. School of Music courses. By mail. So can you.

The secret lies in the step-by-step way our lessons teach you. Starting from scratch, they show you with simple words and pictures exactly what to do. You learn to play the right way – by note, from sheet music. Without gimmicks.

But how do you know you're doing it right? Easy. A lot of the tunes you'll practice first are simple songs you've heard before. Since you know how they're supposed to sound, you can tell when you've "got them right."

By the time you go on to more advanced pieces, you'll be able to tell if your notes and timing are right, even without having heard the songs. Before too long, you'll be playing different kinds of music: ballads, old favorites, show tunes, or hymns.

For more information about this convenient, economical way to learn music, mail the coupon. We'll send you our free booklet, "Be Your Own Music Teacher" and a free "Note-Finder." No obligation.

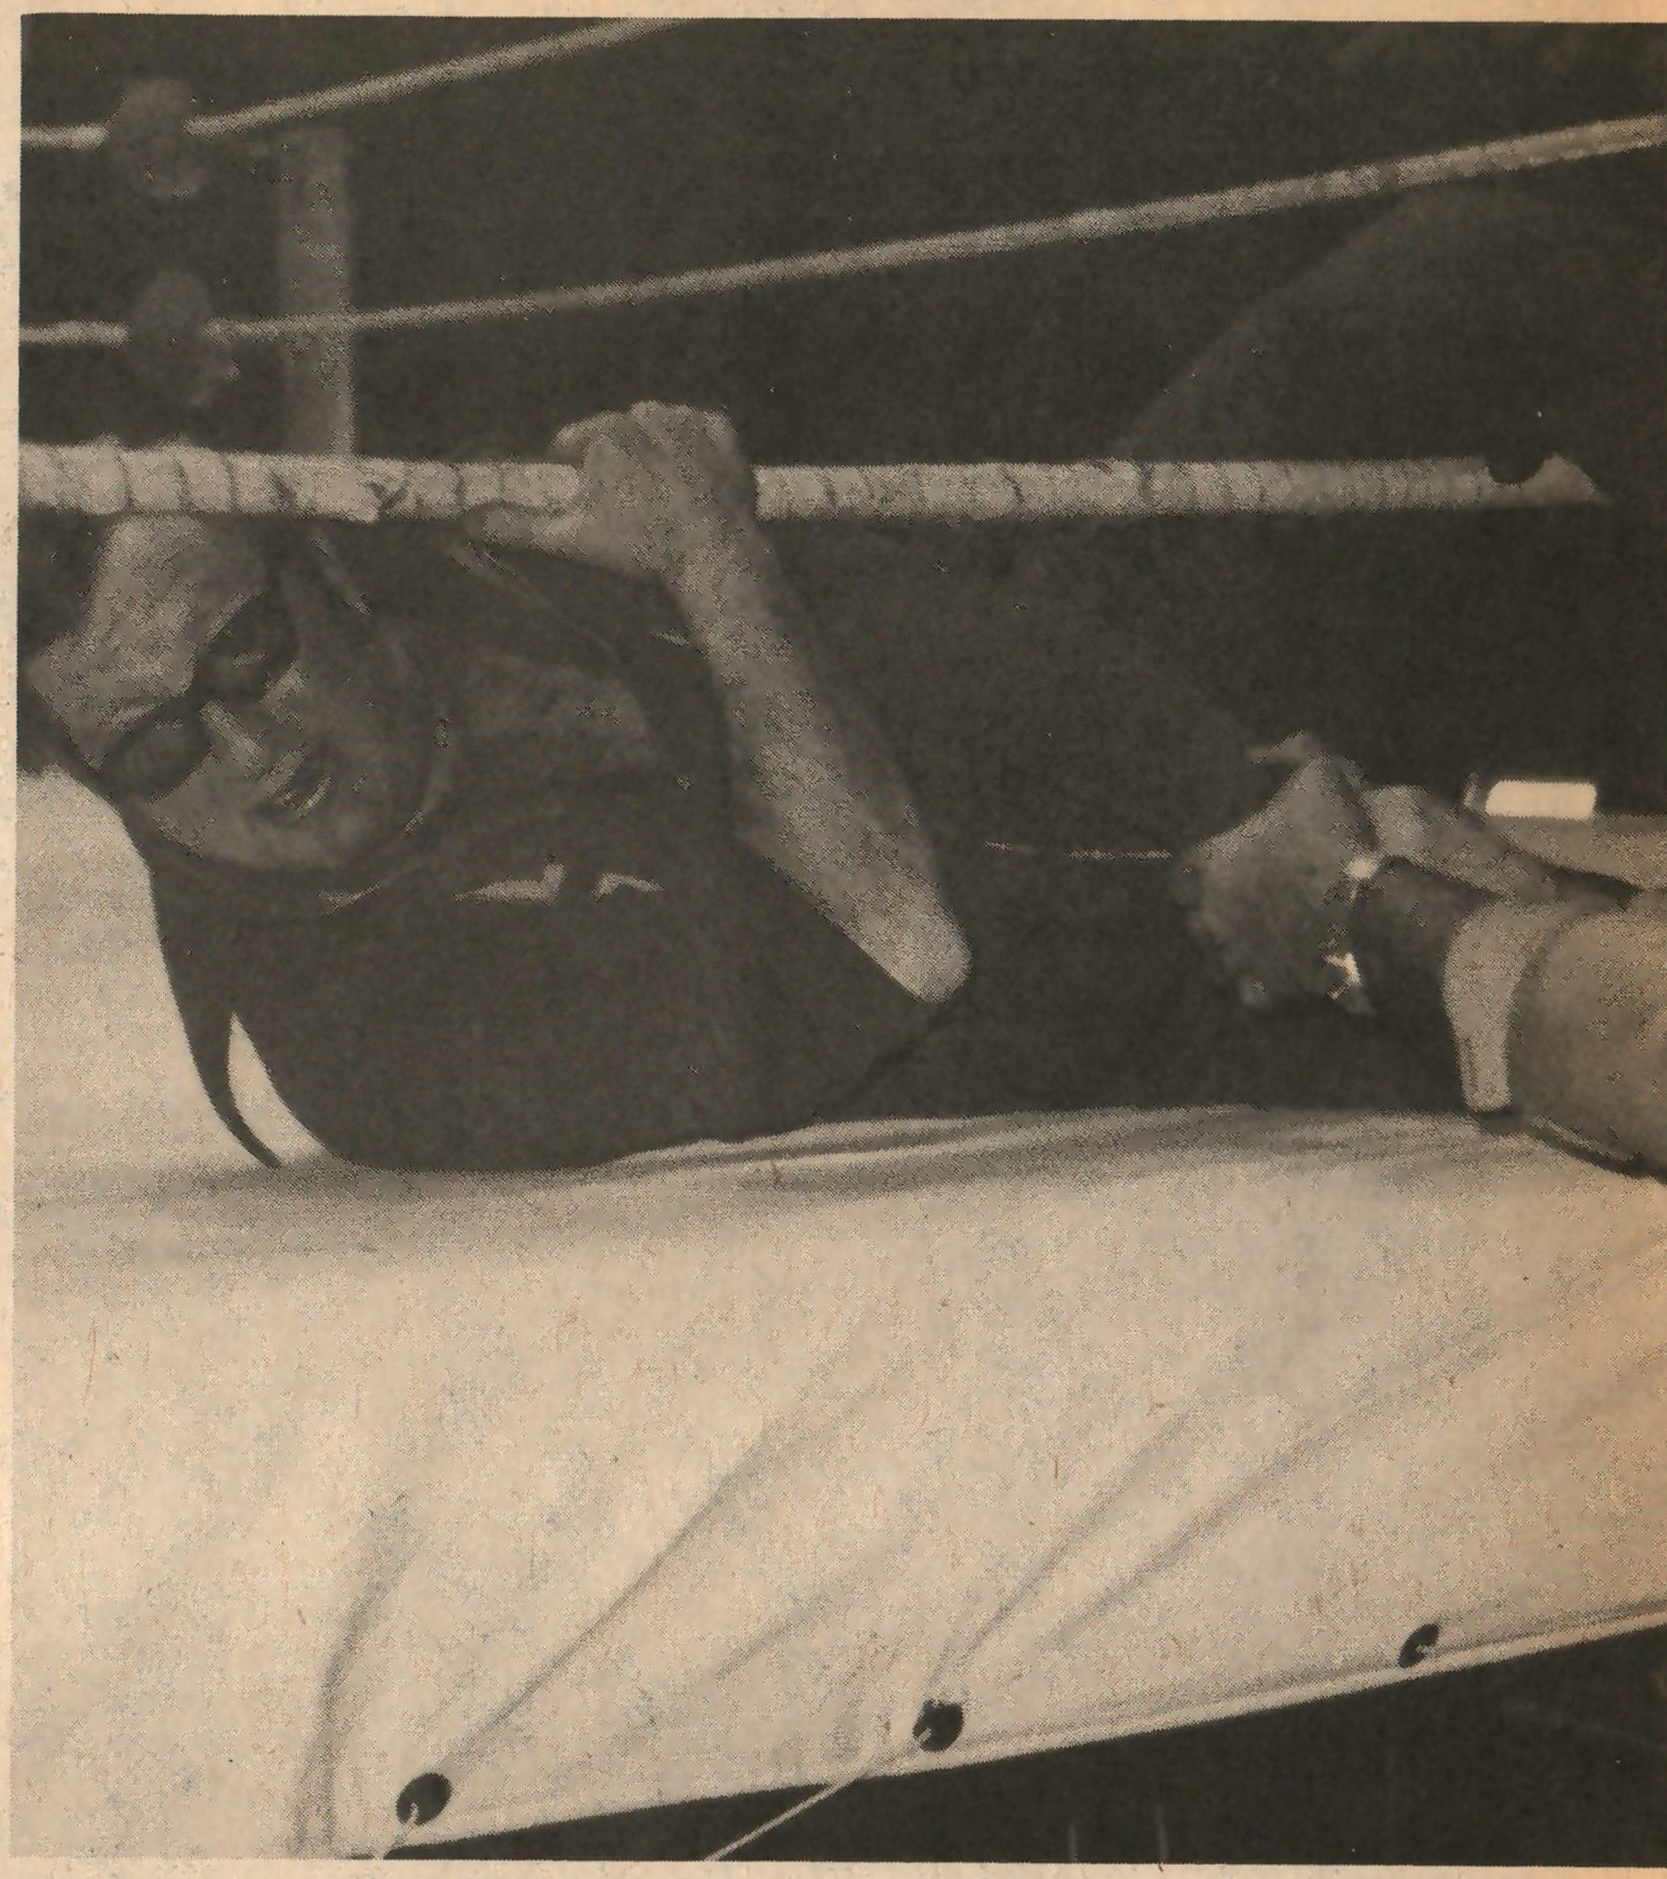
KALMIKOFF

(Continued from Page 18)



Eddie Creatchman grabs onto the ropes in hopes of preventing Ivan Kalmikoff from dragging him out of the ring and sending him crashing to the cement!

man. Both men knew the other was observing him. Eddie knew Ivan was waiting for him to try anything. The slightest move by Creatchman in the direction of the match would mean two battles instead of one.

So Sheik continued to take punishment at the hands of Igor. Sweat broke out across Creatchman's forehead. Every other second, Eddie's eyes shot glances over at Ivan. Each time Kalmikoff met his gaze. Ivan knew at this moment Creatchman was Igor's greatest threat.

Creatchman's nails dug into the canvas as he watched helplessly. He nervously tapped his foot. Those near him heard groans emitted by the frustrated manager. Kalmikoff was watching every move. It was a duel of nerves unseen by most fans yet still a fascination to behold.

Finally, Creatchman could hold back no longer. Without his illegal interference, The Sheik was doomed. He would have to risk being stopped by Kalmikoff. The agony Sheik was suffering at Igor's hands left Eddie no choice.

Creatchman swung himself over the apron and tried to get into the ring. As soon as he had hoisted himself up, however, a hand grabbed his. Kalmikoff had been poised to grab him and was there on time, thus preventing Creatchman from interfering. Now the crowd was aware of the silent battle as it exploded into violence.

Igor continued to pummel Sheik

as Kalmikoff grabbed Creatchman and dragged him back. Eddie flopped and squirmed, trying to break the vise-like hold Ivan had on his arm. Ivan held on for dear life, his face a study of determination. If Creatchman had looked into Ivan's eyes, he would have probably surrendered all hope of escaping.

Finally, Sheik could stand no more and he fled back to the dressing room, cursing at Igor in Arabic. Creatchman eyes rolled with horror as he realized he was alone—and defenseless—against Igor and Kalmikoff. He knew what he and The Sheik would do to another manager in a similar situation.

But Ivan let him free to follow his wrestler. Then, comrades in victory, Kalmikoff and Igor strode back to the dressing room with the fans' cheers ringing in their ears. □

ever come close to a victory over Bruno is by using tactics any other man would be ashamed of!

To break the rules and almost cripple a man whose very presence signifies the best in wrestling, is the most despicable action imaginable. Graham should have bribed everyone to forget about the match, not brag about his sleazy victory.

Everyone who believes Billy "Superstar" Graham shouldn't be banned from wrestling must read this story. Every commissioner in all associations should read it, also. It shows the truth about Billy "Superstar" Graham!

SHOCKED

After reading the profile of Sheik and staring at photos of his mangled victims ("Your Favorite Wrestlers' Careers in Words and Pictures" [SPORTS REVIEW WRESTLING/ May 1976]), I can't imagine how this man remains in wrestling. His every action is a disgrace.

This article is one shocking revelation after another. I've never seen anything so disgusting.

Sheik doesn't belong in wrestling!

WILD!

I think I've read "Killer vs. Mad Dog: Murder in the Squared Circle" (SPORTS REVIEW WRESTLING/ May 1976) at least 20 times. It's the most exciting article I ever read!

That's the kind of match I like to

Though blood pours down his face, Sheik has no intention of ever stopping the battle; he lifts a chair to further his attack. It is moments like this, when Sheik is beyond control of any man and answering only to this sadistic drives, that makes fans cry for his being banned from professional wrestling. Though the demands are heard more frequently, Sheik continues to terrorize the mat world.

read about. As far as I'm concerned, scientific wrestlers are boring babies hiding behind ridiculous rules. If they pretend to be men, why don't they battle like men?

The world is a rough place. Wrestlers like Killer Brooks and Mad Dog Vachon know this. Instead of complaining and running to commissions, they confront the world on its own terms. They're what wrestling—and the world—is all about!

Let's have more articles on men!

THAT'S NEWS

I never miss an issue of SPORTS REVIEW WRESTLING because of "Names Makin' News," the column by wrestling reporter Bill Apter. It's the most informative column in wrestling.

Whenever any of my friends have an argument about wrestling, all we have to do is go to a back issue of SPORTS REVIEW WRESTLING and find the answer. No serious wrestling fan can afford to miss a single issue.

Thanks to Bill Apter for excellent columns!

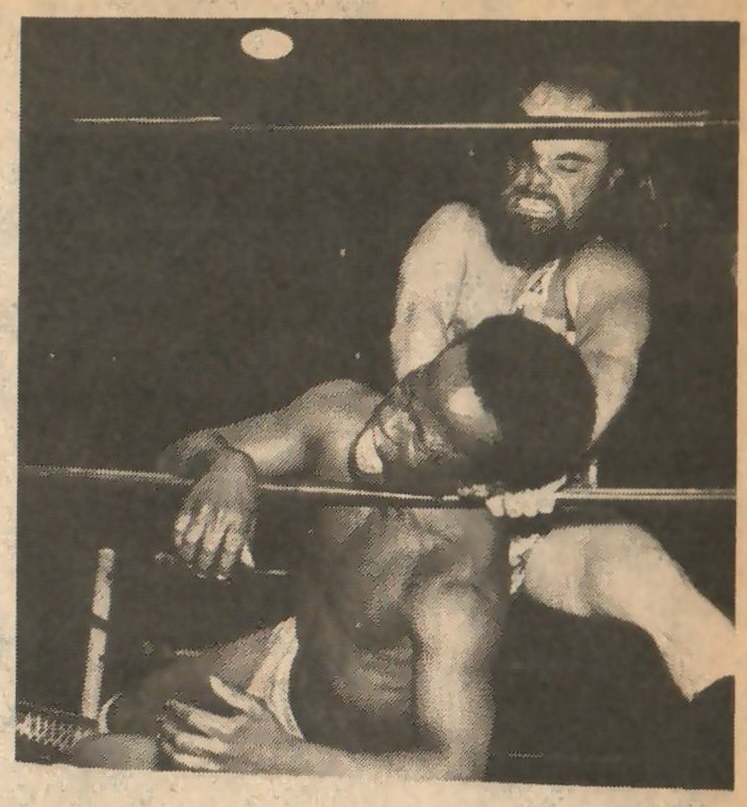
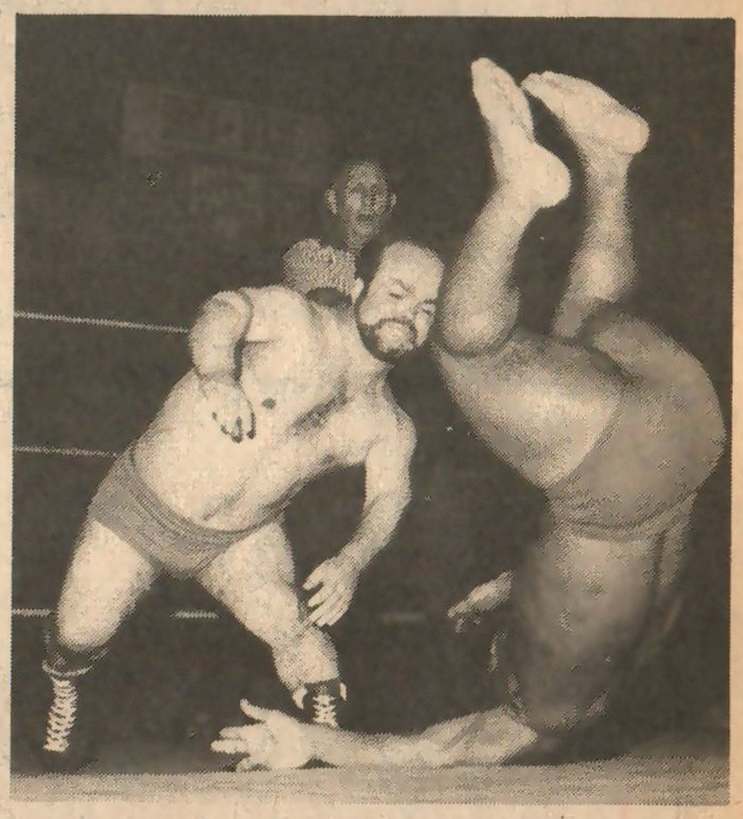
MIDGETS

(Continued from Page 27)



Lord Littlebrook takes the measure of Bobo Johnson (above). Haiti Kid goes flying (below) courtesy of Little Brutus.



not some freak. As I said, there were a lot of insults ignored before people began to realize I'm an athlete. I can do anything a heavyweight can do. I can do many things he can't. There's a lot of things people don't realize yet about midget wrestlers.

"I usually don't feel sorry for myself anymore, especially at his hour of the morning. If you hadn't asked. I wouldn't have thought about it. My real worry is getting into town early enough to be rested for the match tonight."

Sky managed to squeeze in his six hours of sleep before having to go to the arena for his match. Even with his rugged schedule, Sky gave everything he had for this match. In all his years in the mat wars, he has never given less than his best.

Farmer Jerome is another midget who would rather die than take it easy during a match.

Sky Low Low becomes berserk and tortures poor Farmer Jerome. It is a fact that midgets can be as vicious as heavyweights.

"If we're not at our best," Jerome believes, "we're letting down every midget in the sport. Fans are only beginning to accept us as athletes. We have to constantly prove ourselves. We can't afford an off-night.

"No matter what we may think of each other, we're all dedicated to the sport of midget wrestling. It's our way of proving our equality with the rest of the world."

The striving for acceptance as a normal human being is the goal in every midget's life. Lord Littlebrook, a graduate of Oxford University in Great Britain, tells why:

"Every minority," Littlebrook points out, "has first achieved equality through sports. Once they were accepted as athletes by people, they were accepted in other walks of life. Because of our size, we can't participate in most sports. Wrestling is the only sport willing to employ our special skills. Once we're fully integrated into the sport, we'll be able to be fully integrated into society.

"I don't think it's wrong to say," Littlebrook concludes, "we're wrestling for the dignity and happiness of every midget in the world."

So they continue to travel all night for the chance to be accepted on the following evening. There's no challenge too great for these determined athletes. Every midget in the world depends on these small athletes to make it better for every man and woman who will never grow more than four feet tall.

Sky Low Low, Little Beaver, Billy the Kid, Darlin' Dagmar, Diamond Lil, Farmer Jerome, Lord Littlebrook, and Little Bruiser; to some that's only a list of midget wrestlers. To others, it's a roll call of honor. □

HIROSHIMA JOE

(Continued from Page 24)

are—believed it. And neither Joe nor myself could do anything to stop the story from spreading.

One of the people who heard this story was John Tolos. I know he is dumb, but I can't believe he was dumb enough to buy this ridiculous story. Yet he started telling everyone Greg Valentine was Hiroshima Joe. In the meantime, Joe had recovered from his illness and was wrestling again. Many men started trying to unmask him to prove the lie to be a truth, yet they could not succeed, for obvious reasons. But still the rumor would not die.

Recently Hiroshima Joe was slated to wrestle Mando Lopez, who happens to be under the advisement of John Tolos. When Tolos heard Lopez was scheduled to battle Joe, he told Lopez about the rumor. And that dumb little twerp believed the story; Lopez really thought I was Hiroshima Joe.

As fate would have it, I had to be in Japan at the same time Joe was to wrestle Lopez. I had really wanted to be in that arena to prove, once and for all, I was not Hiroshima Joe. But duty called, and I went off to Japan.

So I quietly departed Los Angeles and headed for the Orient. Little did I know then my departure would be interpreted as an excuse for people to believe I was just hiding out until it was time for Hiroshima Joe to wrestle again. How stupid can people be?

In any case, *Joe* wrestled Mando Lopez, and it turned out to be a very vicious battle. From what I hear, Lopez started the match by saying, "I'm going to prove to the world Hiroshima Joe is really Greg Valentine!"

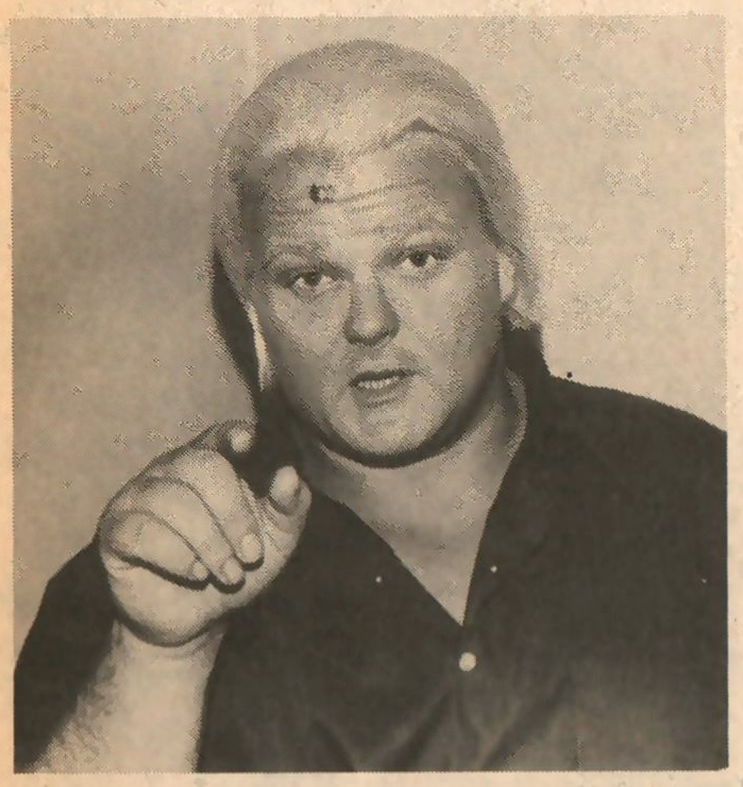
Joe did not take too kindly to Lopez' spouting off at the mouth.

From the reports I hear, Joe had command of the match the whole time. He used almost every conceivable tactic against that little upstart. Lopez fell victim to a series of bodyslams, kicks, and flying elbow smashes. And Lopez never did unmask Hiroshima Joe.

Any sensible person would have let the stupid rumor die after that match. But Mando Lopez is not

Greg Valentine maintains he was in Japan wrestling people like Mr. Soto (above) at the time Hiroshima Joe was battling Mando Lopez (below). Many people claim Greg was not really in Japan at the time, but rather had just invented an excuse so he could wrestle as Hiroshima Joe. Greg claims these people are quite mistaken.

Above: Hiroshima Joe slams Mando Lopez to the canvas. Below: Greg Valentine continues to protest he is not Hiroshima Joe despite rumors to that effect.



smart. After the match he told reporters he was convinced Hiroshima Joe was Greg Valentine. He said his proof lay in the fact Joe used elbow smashes against him, and the elbowsmash is my best maneuver.

If Lopez had bothered to think before he shot off his mouth, he would have remembered Joe and I both trained for a while together under Sir Oliver Humperdink's management. We both learned the elbow smash. I just use it more often.

In spite of every protestation made by Joe and myself, people still believe we are one and the same person. It just isn't so. Even when I show people the pictures taken of me in Japan while Lopez wrestled Joe, they don't believe the truth. They would prefer to think those pictures I offer as proof are fakes, or just photographs from an earlier trip.

What can I do to convince everyone I am not Hiroshima Joe?

All I can say is, *Damn it! I am not Hiroshima Joe!* □

JET SET BEAUTIES

(Continued from Page 37)

Desdemona chokes with her left hand as she beats Tiffany's belly with her right fist. The ravenhaired heiress writhes under the torture and desperately tries to squirm free of her tormentor. At this moment, it appears Tiffany is doomed to suffer defeat!

felt all was in readiness, they told Moll to have everyone find seats. Dave followed orders—he'd gotten used to it by now. Once the crowd had found places, leaving the wide carpet open for a battlefield, the two women entered, each from a separate bedroom. There was some good-natured cheering at their appearance; friends of the girls regarded his as just another prank between these two. And at first, it appeared the girls themselves regarded the match as such.

For the first minute, the two played with each other. There were too many layers of sophistication for them to immediately reveal the tigress savagery which smoldered in each. Then Tiffany grabbed Desdemona's wrists and tried to hurl her to the carpet. As the two girls jockeyed for position, the action grew more and more intense. Within 10 seconds, the veneer of sophistication had been stripped from their souls. They became as ferocious as cavewomen!

Desdemona twists Tiffany's body until the lithe beauty has to fall hard to the carpet in the first few minutes of the bout.

Their friends were shocked. Tiffany and Desdemona tore into each other with an abandon which can come only from allowing the savage sensibility free. In a few short seconds, they had become clawing, biting, kicking, mindless jungle beasts.

The brawl which had been waiting years to happen had arrived. The women were finally able to do what they had always wanted to do to each other. No portion of either body lay unmarked by nails or teeth.

The already stunned friends of the women were in for still more shocks; Desdemona yanked at her foe's bikini top, revealing Tiffany's voluptuous breasts bobbing freely. Uncaring, the raven-haired beauty responded by tearing off her foe's binkini top. Then the two women locked in a bearhug, their naked breats crushing together, sweat mixing in close combat. The two tumbled entwined to the floor.

Fingers clawed at hips and buttocks as they tore at each other's panties. Soon, these also lay in shreds on the floor. The women stood apart for the moment, each allowing her opponent to gaze at the naked majesty before her. Neither could imagine the other would fail to be impressed by the wonderful image. Such was each woman's assurance of superiority.

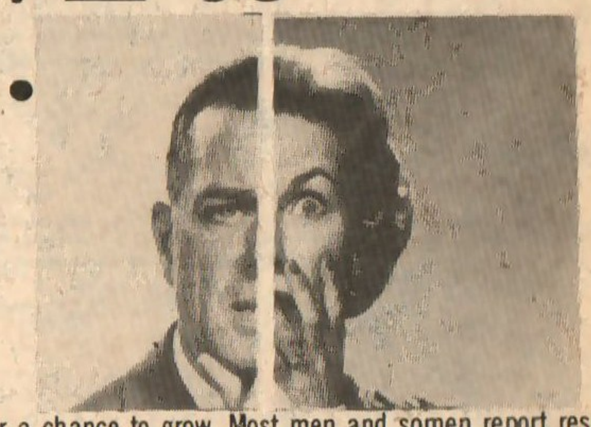
Afraid of Baldness? You don't HAVE to lose your hair.



Everybody is always losing hair. You can see them on your comb and brush everyday. But new hairs are growing in at the same time. If you don't grow new hair as fast as they fall out, YOU ARE GETTING BALD.

Why not give your hair the best chance it can get by eliminating needless causes of falling hair and give nature a better chance to grow a healthy head of hair for you.

Many dermatologists, hair and scalp experts believe that seborrhea, a common scalp disorder, results in hair loss. Seborrhea is an infection of the scalp, caused by a bacteria that can produce severe and permanent damage to hair growing follicles in your scalp. Seborrheas symptoms are dry itchy scalp, dandruff, oily hair, head scales and progressive thinning and hair loss. If you have been worried about uncomfortable itching and dryness of your scalp, ugly embarrassing dandruff, thinning and receeding hair, don't let seborrhea rob you of the hair you still have.

HOW DOES COMATE WORK?

Comate is specifically formulated to combat and control seborrhea and hair loss it causes. Thousands have used this wonderful formula with remarkable results, controlling the itchiness and dandruff, stopping the infection that can limit hair growth, so that new healthy hair can grow as Nature intended. In short Comate offers you in a single treatment the best modern medicine has developed for the preservation of your hair.

UNCONDITIONALLY GUARANTEED

To you we offer this Unconditional Guarantee. Treat your scalp to Comate in your own home following the simple directions. See for yourself in your own mirror how after a few treatments, Comate makes your hair thicker and more radiantly alive. How Comate gives your hair a chance to grow. Most men and somen report results after the first treatment, some take longer. But we give you this assurance. If for any reason you're not completely satisified with the improvement in your own case — AT ANY TIME RETURN THE UNUSED PORTION FOR A PROMPT REFUND, NO QUESTIONS ASKED.

But don't delay. There is no excuse today for any man or woman to neglect seborrhea and pay the penalty of hair loss. Nothing not even Comate can grow hair from dead follicles. So, why not fill out the coupon now, and take the first step toward a good head of hair.

Male pattern baldness is the cause of the great majority of causes of baldness and excessive hair loss. In such cases neither the Comate treatment nor any other treatment is effective.

JET SET BEAUTIES

(Continued from Page 55)

The women are two lush missles of power as they try to wrestle each other to the carpet. Using her speed and strength, Tiffany gains the advantage and is about to send beautiful Desdemona to the ground. Once the girls fell to the floor, they became one as they rolled across the carpet clutching at each other like hungry beasts whose survival meant the death of their captured prey!

And then, as if by signal, the two women leaped at each other like jungle cats. They rolled and punched their way across the carpet, a whirlwind of teeth, nails, feet, and fists.

The two women were tiring badly; bodies used to skiiing and tennis aren't able to absorb the punishment of combat. Their breasts bobbed erotically as they gasped for breath. The battle grew sluggish and brutish. It would be survival of the fittest; the perfect conclusion to this rivalry.

Desdemona tortures Tiffany in a full-nelson as the dark haired beauty helplessly screams in pain and anguished frustration!

As this brawl progressed, Desdemona seemed to be gaining the upper hand. It was she who kept foiling any sustained offensive by her foe while punishing Tiffany's legs, arms and breasts. Tiffany's desperate writhing kept her from being pinned; everyone wondered how long this could continue.

However, Tiffany had despised and envied her foe far too long not to give this, their ultimate battle, everything she had. Her nude, long body was being wrenched cruelly by Desdemona; her perfectly shaped leg was twisted mercilessly. She had one last chance before she had to submit.

She stiffened her body until it

JET SET BEAUTIES

(Continued from Page 57)

Above: All inhibitions are ignored as the women tear at each other with savage abandon. Clothes are ripped away as the audience is treated to the spectacle of the beauties' bare breasts. Below: Using her halter top as a weapon, the half-nude Tiffany tries to choke her opponent as Desdemona desperately claws at the weapon. Desdemona's albaster skin was red and raw when she broke free.

Tiffany is atop her nude foe and ruthlessly pinions the beautiful Desdemona's head to the carpet. Spectators knew the match was over at this last and most brutal punishment.

resembled an alabaster missle; the motion drove her foot hard into her foe's breast. Desdemona shrieked in pain and tumbled across the room. As she lay on the carpet, Tiffany leaped on top of her.

The ebony hair framed a face consumed with hatred; snarling like a beast, Tiffany clutched her foe around the throat. Desdemona's gasping attempts for breath told the fans it would soon be over. Tiffany's long nails continued to dig into their soft target.

Convulsively, Desdemona's nude, lush body writhed beneath her tormentor's weight. The tortured young lady tried to bite her assailant's breasts. However, Tiffany remained beyond the flashing teeth of her victim.

Finally, her spirit could no longer control her body's demands and Desdemona surrendered. Tiffany had won the most primitive battle in this long bitter war between the two. As she let Desdemona arise, Tiffany's magnificent body swelled with the pride of conquest. Every muscle seemed to fill with magnificence of victory.

Desdemona, to her credit, remained wondrous even in defeat. Allowing the spectators to take a last look at her beautiful body, she strode proudly from the field of battle. One look at her told the world she was far from conquered! □

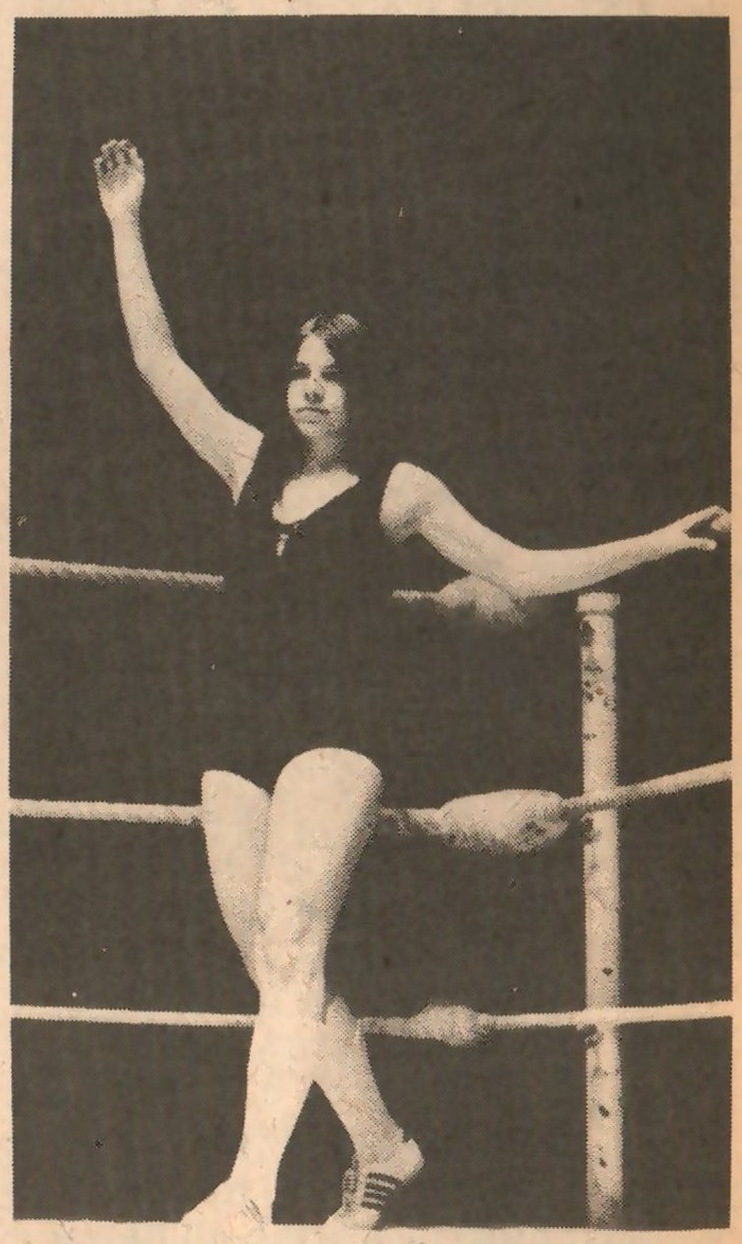
GIVE ...HEART FUND

MY FRIENDS DARED ME

(Continued from Page 45)

Cindy, who wants to become a veterinarian, gently picks up her pet cat (left). Opponents, however, haven't found her that gentle. Below: Cindy waves to the fans. She frankly admits she likes the cheers.



But Cindy always finishes what she begins. And although the training was backbreakingly difficult—she made it. And she made sure that when she faced Paula Steele in her debut in Fort Wayne, Indiana, all her friends were in attendance—especially the one who'd bet her $100 she'd never do it.

One thing Cindy discovered right off the bat was that the real thing was a whole lot different from training. She also discovered that she'd been bitten by the "wrestling bug" and bitten bad. "I found out I really enjoyed it," she recalls. "I liked the cheers of the fans and being an athlete I naturally liked the competition. And when a couple of kids asked me for autographs I thought it was the cutest thing in the world." Winning her very first match didn't exactly hurt either.

"Yes, I guess that did make it extra special," she added. "But I think I would have loved it anyway."

Cindy admits, however, that she's not yet sold on a full-time wrestling career. "I want to go back to school because I *do* want to become a veterinarian," she explained. "I mean what happens if I get hurt or get bored? Wrestling takes a lot of time and practice and between that, my flying lessons, working on engines and school I just wouldn't have enough time. So I think it'll be just school and wrestling for a while and then I'll decide about making wrestling my permanent career."

Two people who hope she doesn't make wrestling a permanent career are her boyfriend ("I'd be afraid to make a pass at her.") and her mother, who still thinks it's a waste of time. But Momma Allen knows better than to try to stop her. Cindy's always done what she wanted.

"A few years ago I drove my mother crazy because I wanted to be an astronaut," Cindy laughed. "I must have written hundreds of letters to N.A.S.A. telling them how they should have a woman astronaut. All I ever got back were pamphlets telling me about the space program."

It has become a game now for Cindy's friends to think up new things to dare her to do. One of them finally came up with one Cindy refused to do. "My girl friend said I should challenge the Bruiser to a mixed match," she giggled. "Can you imagine that? I told her 'no thanks.' After all, I may be a little crazy, but I'm not stupid. You have to draw the line somewhere!" □

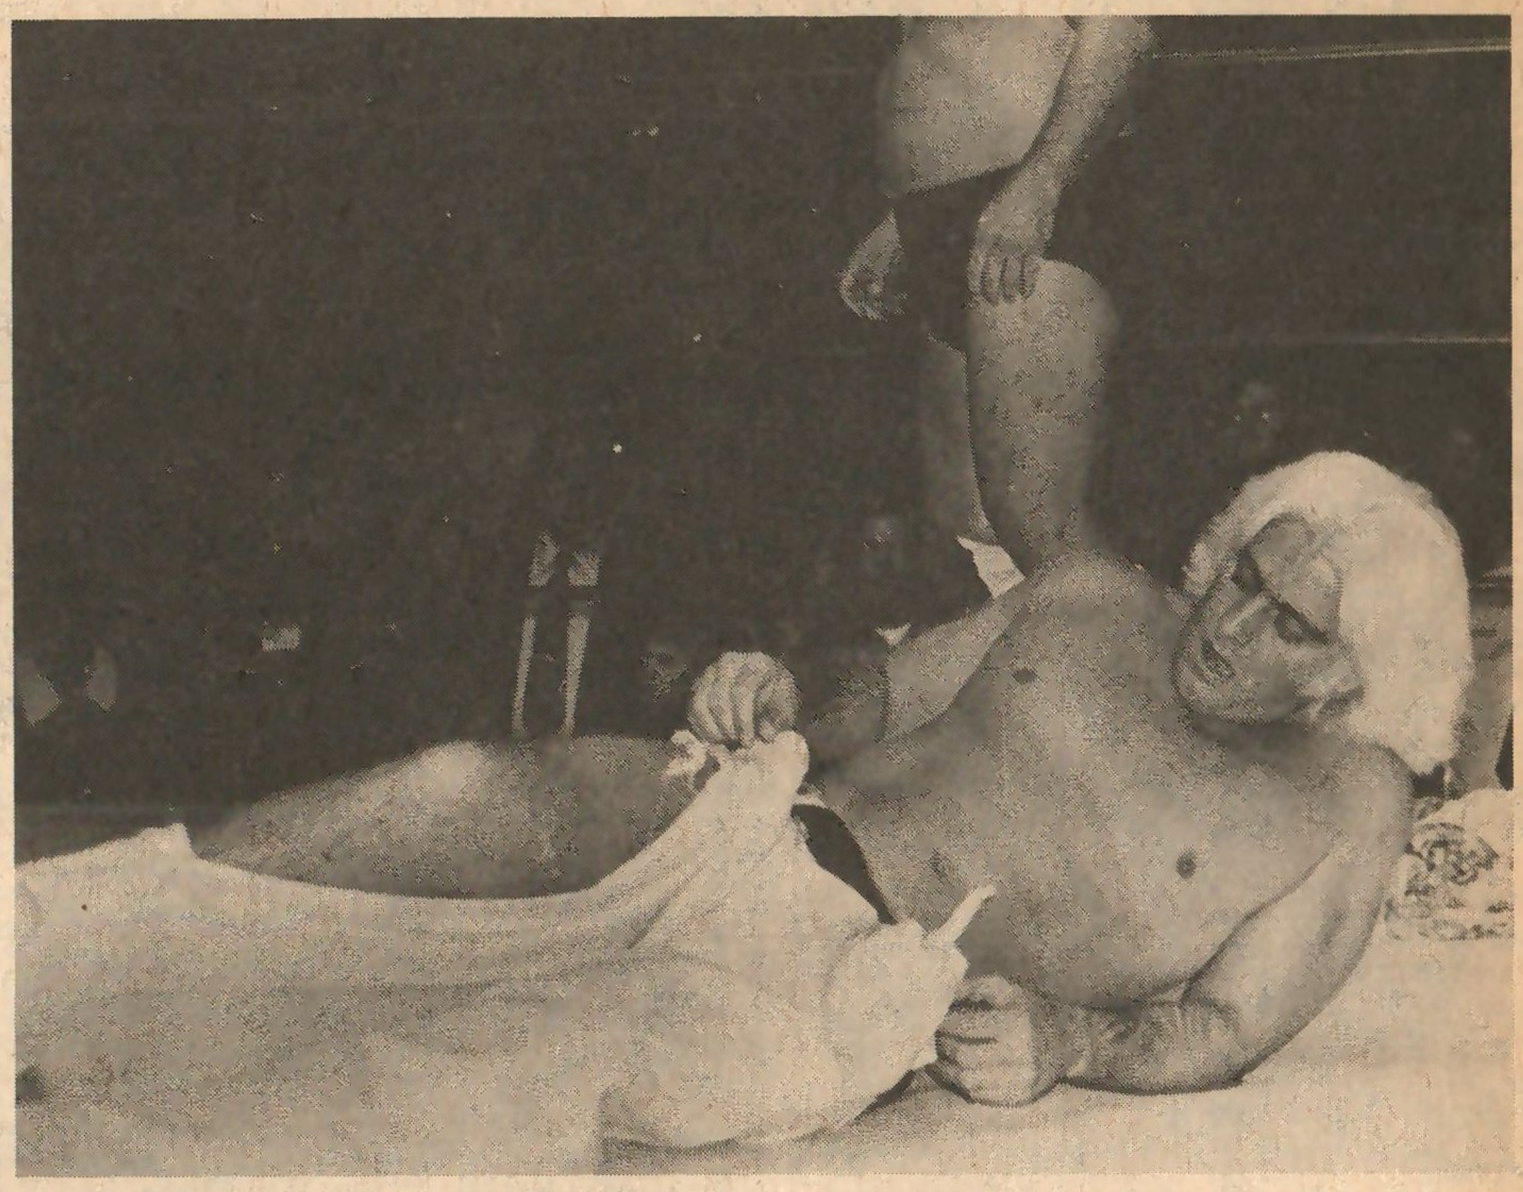
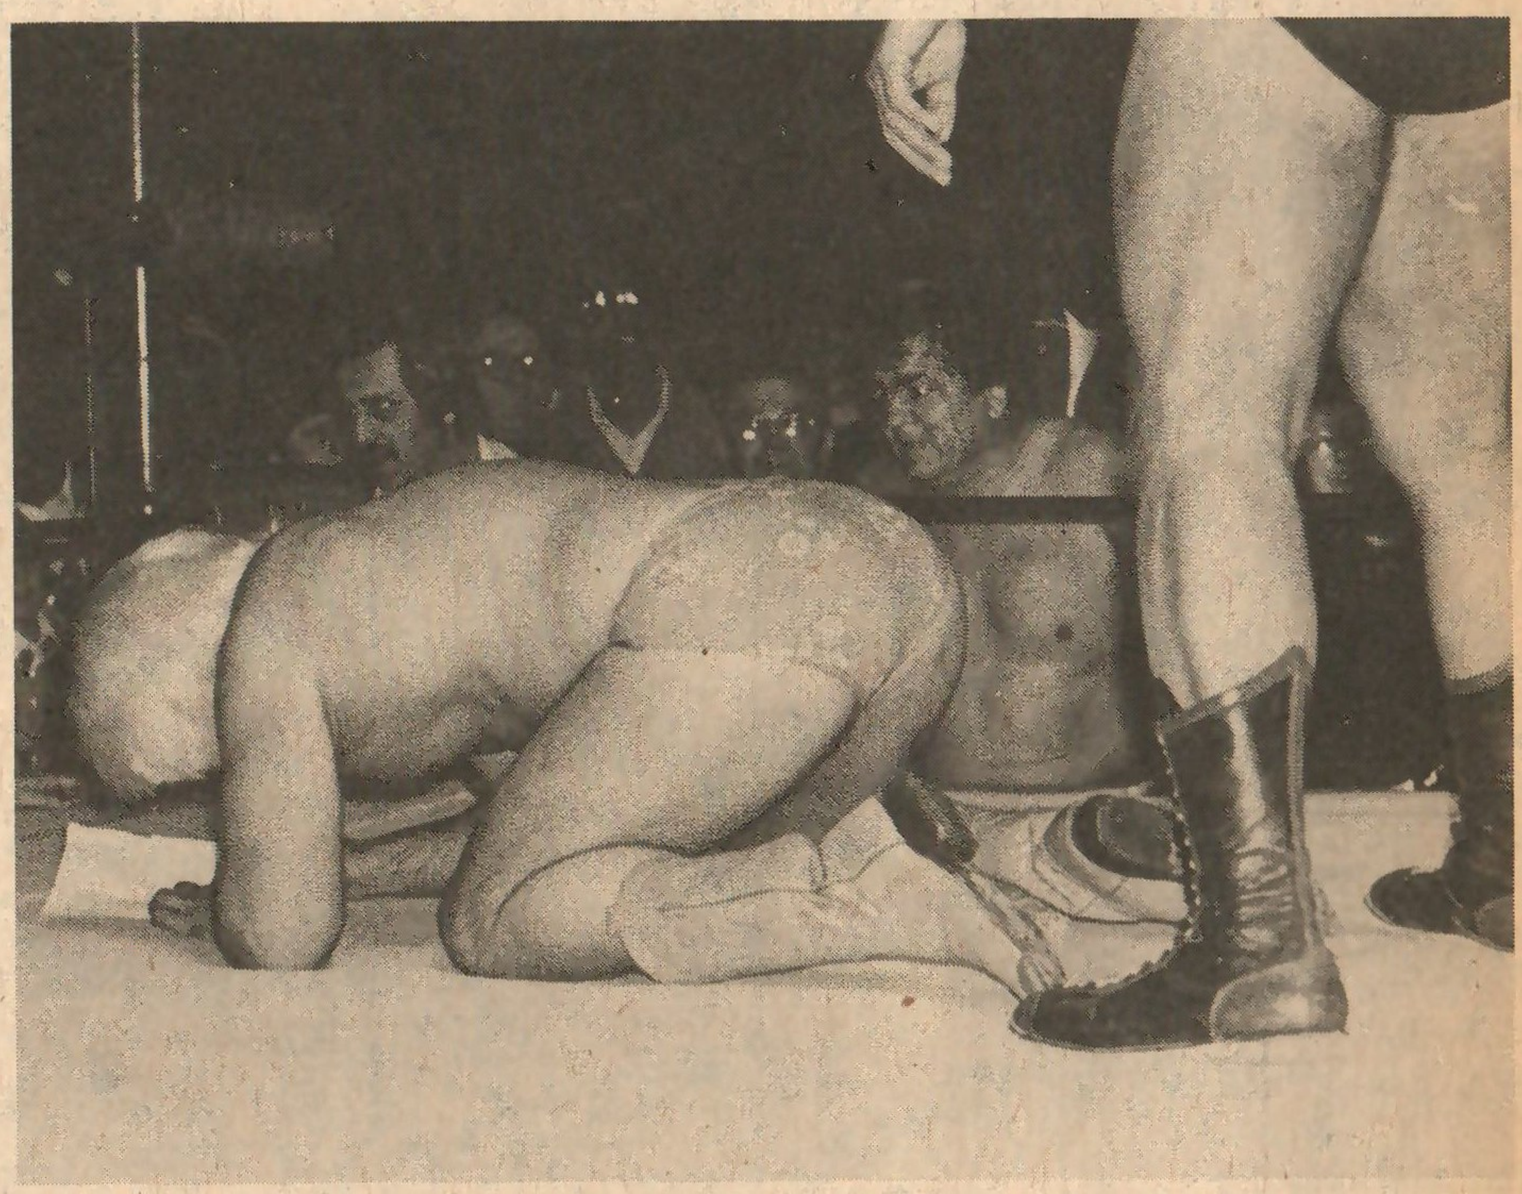
RIC FLAIR

(Continued from Page 39)



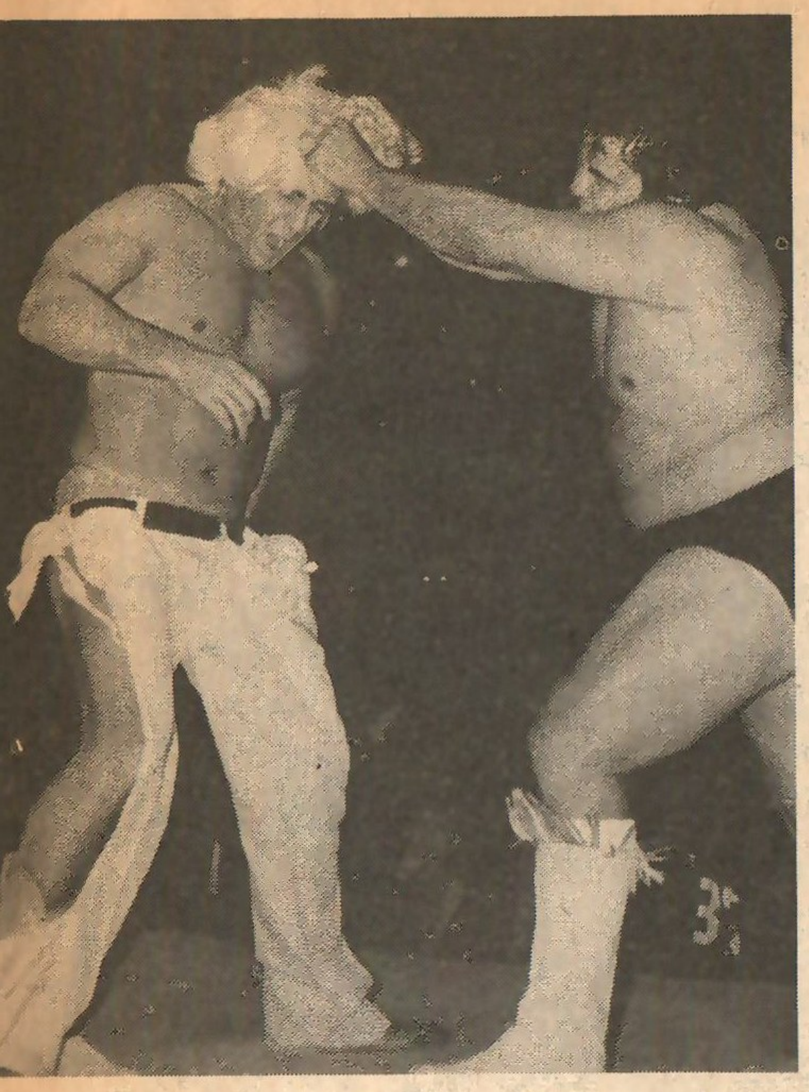
Ric tries to hide his obvious embarrassment (above). He's forced into signing a contract to wrestle McDaniel in a death match (below) or else Wahoo might have stripped what was left of Ric's clothing—exposing him to the vast amount of fans in the arena.



Flair in his corner. I want that little twerp there. And write up a contract for him to sign. And make sure my name is written down as the opponent!"

So Mosca and McDaniel met again. Again Flair was in Mosca's corner. This time, McDaniel attacked even more forcefully. Angelo couldn't maneuver his opponent into the corner where Flair stood, waiting to interfere. Wahoo totally dominated the action.

Finally, McDaniel captured his foe



Wahoo tomahawk chops Flair as the wild unscheduled battle wages on completely out of hand. Flair swears to avenge this.

in a suplex. He raised Mosca high in the air. However, Wahoo had stumbled into the corner where Flair stood prepared. Ric's hands snaked out and Wahoo fell to the canvas, Mosca on top of him.

Angelo managed to stay atop his stunned foe long enough to win the match. As soon as the referee motioned the match was over, Flair rushed in to congratulate his friend. Mosca looked confused as to what had happened but gratefully accepted the victory.

It took Wahoo about a minute to realize what had happened. Then he saw Flair was in the ring and he saw red. He grabbed the astonished well-wisher and threw him to the canvas. Mosca, seeing a new battle brewing, decided to leave for the dressing room. He'd had his fill of action for one evening!

Though Flair tried to scurry away, McDaniel was on him. Wahoo tore at Ric's clothes, which tore off the man's body. Flair was soon reduced to underwear and a pair of cowboy boots!

McDaniel refused to let the embarassed young man leave the ring until he signed a contract. The two men would wrestle each other within a month. Flair, half naked, had no choice but to sign.

So, Wahoo got the match he wanted for months. And the fans got a very revealing view of Ric Flair! □

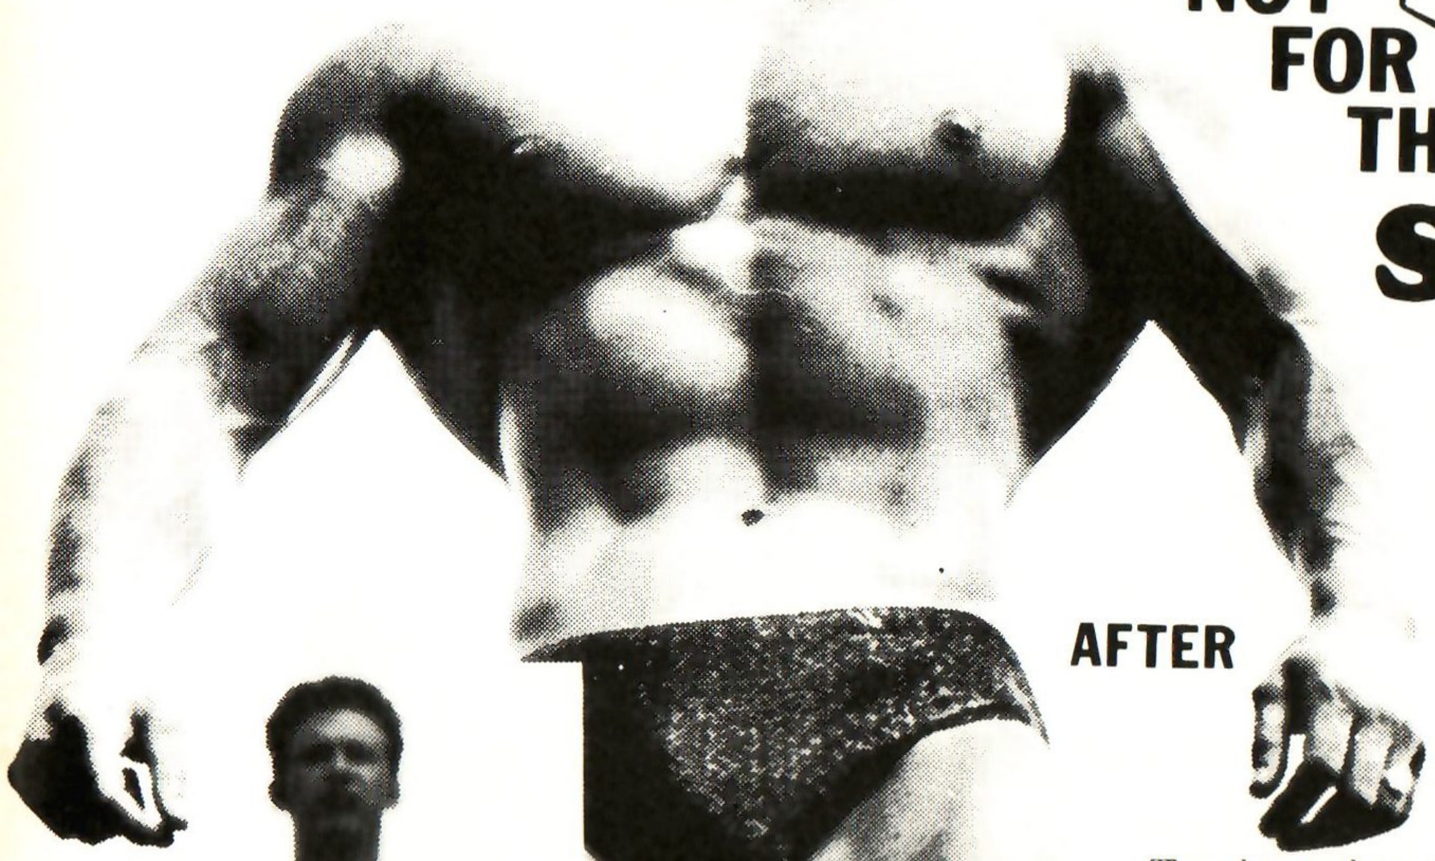
IMPOSSIBLE?

"Every successful bodybuilder has got to use the most advanced bodybuilding methods available- UNIVERSAL BODYBUILDING offers the best! Using UNIVERSAL methods, I have made excellent gains!"

Brian Eastman

NOT FOR THE SUPER BODYBUILDING SYSTEM!



BE BETTER THAN THE BEST, BE DYNAMIC!

MOST MEN NEVER REALIZE THEIR POTENTIAL FOR MUSCULARITY. Why? Probably because they've never come across or taken advantage of a training program quite like the one we offer here at UNIVERSAL BODYBUILDING. Our course has the ULTIMATE MASTERPLAN for TOTAL BODY DEVELOPMENT!

Very few men are satisfied with the way they look at present. They know themselves that they wouldn't mind having a REALLY MASCULINE BODY — one that will "turn on" the girls and make the guys envious.

WITH UNIVERSAL METHODS, YOU CAN BREAK OUT OF YOUR "OLD" SELF, AND TRANSFORM YOUR BODY INTO AN ATTENTION-GETTER!!! WE GUARANTEE TO IMPROVE YOUR BODY FAR BEYOND WHAT YOU'VE EVER BELIEVED POSSIBLE! We have perfected bodybuilding training techniques to the extreme, so that we can offer you the fastest gains possible. If you're thin and underweight, you'll be astonished at how quickly muscles appear. If you're overweight, we can help you to trim down the fat and replace it with rock-hard muscle. We'll tone up your abdominal area, and show you how to obtain a well-defined and impressive waist.

Add 2 or 3 inches to your arms, 4 or 5 inches to your chest — your rewards will be in direct proportion to your effort and accomplishments — nobody sets a limit to your success.

In the time it takes to complete this 12 lesson course, we can guarantee you a muscular foundation fantastic enough to be developed to your fullest potential!!! You can go far beyond mere "improvement" with the Advanced Training Techniques included in this course. We can give you the firm, rippling, muscular body of a physique star!!! Send in for our FREE COLORFUL BROCHURES TODAY (fantastic information about our course — loaded with unbelievable photographs). You won't regret it!!!

BE GREAT - BE SOMEBODY SPECIAL!

Improve your health, self-confidence and your outlook on life as you become more muscular. Regardless of your age, height or present build, we'll help you build a fabulous body. Thousands of people have taken this course with fantastic results — why not you? Whatever you look like today, we can improve on it. We guarantee it!!!

- ☐ **ARMS** — Develop big, powerful arms — the kind girls love to be held in! Command respect from everyone you meet!
- ☐ **CHEST** — Is your chest sunken and unimpressive? No more! It's easy to build a massive chest. You can measure 45, 47, or even 50 inches!
- ☐ **BACK** — Develop your upper back, and get that outstanding "V-Shape!" Often within one week you'll be able to see that wedge formation begin to take shape — it's a real attention-getter!
- ☐ **SHOULDERS** — Get rid of those puny shoulders! Instead, fill your shirts with bulging muscles!
- ☐ **LEGS** — Put some muscle on those spindly legs! Muscular legs will give you extra power like you've never dreamed possible!
- ☐ **ABDOMEN** — Trim and hard — that's the way your abs should look. Get rid of your pot-belly, improve your digestion, and get that washboard waist—all when you develop those abdominal muscles!

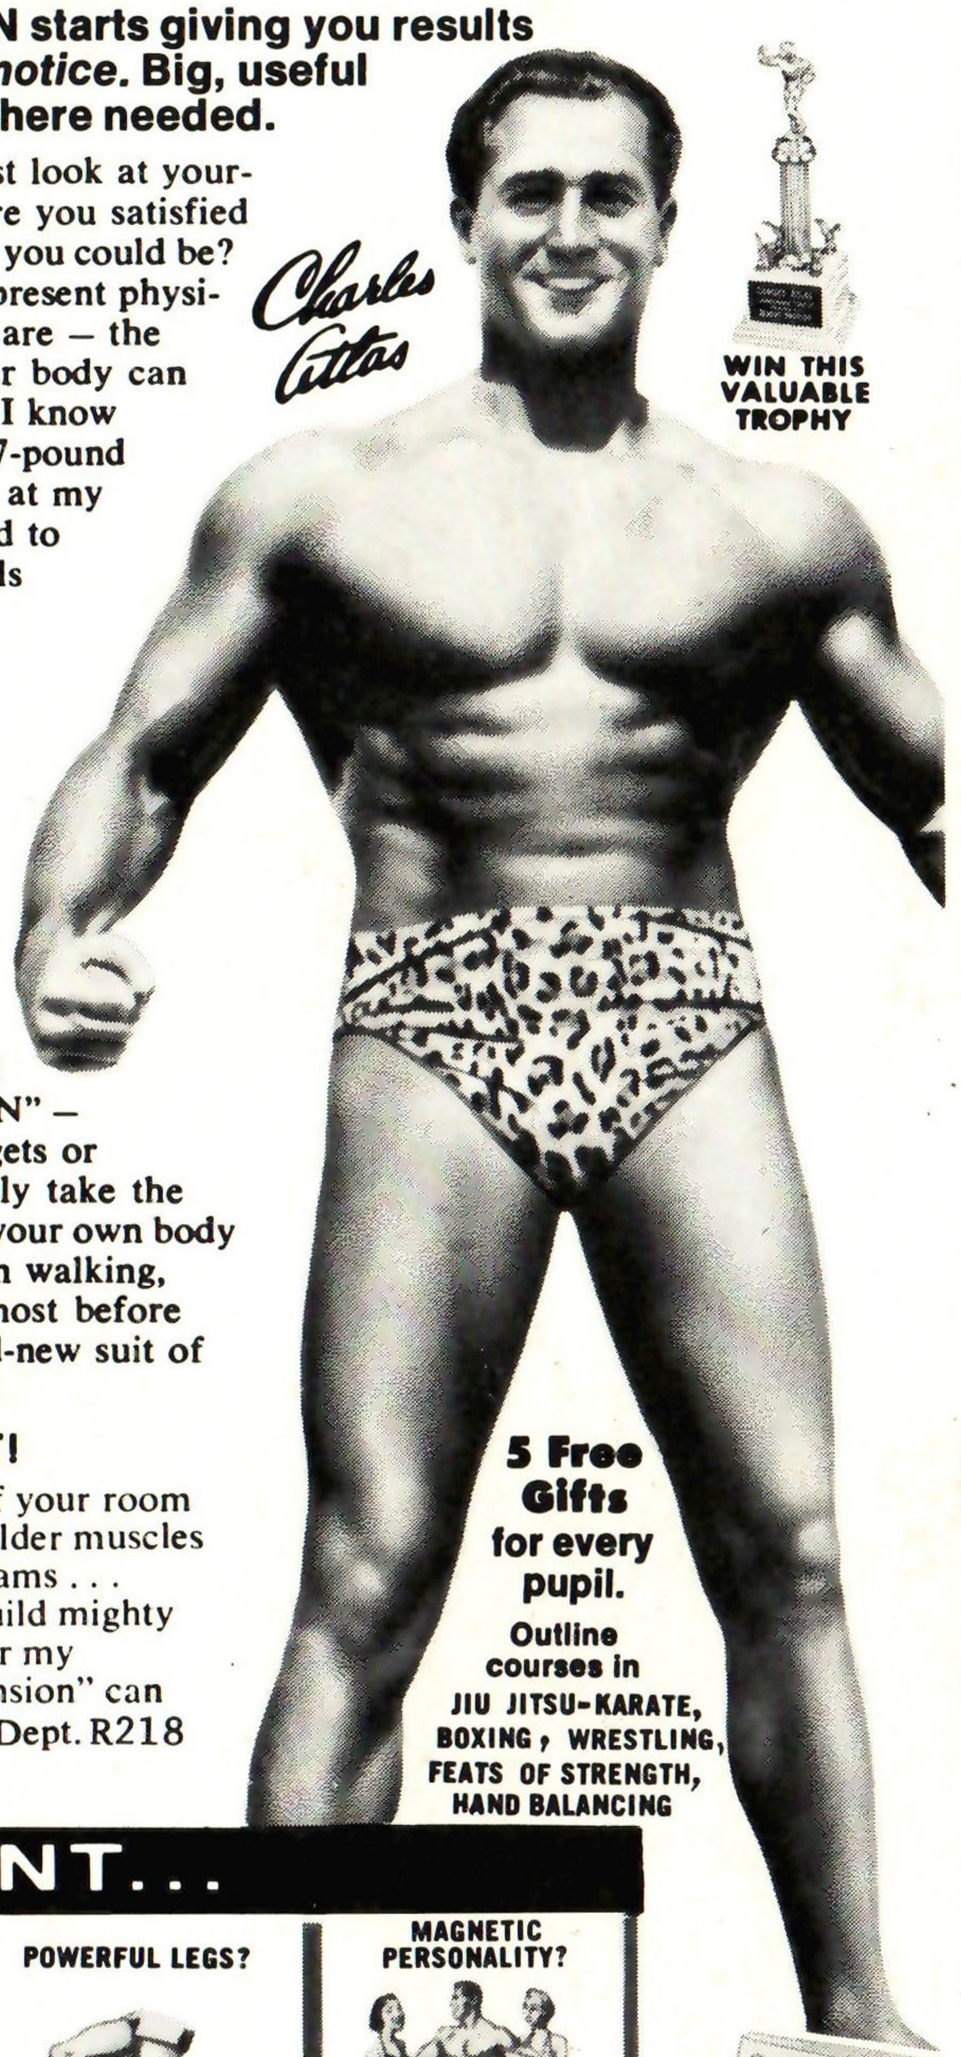
An ATLAS BODY —In 7 DAYS

my method of DYNAMIC-TENSION starts giving you results you can *feel* and your friends will *notice*. Big, useful muscles. Gain pounds in weight where needed. Lose "pot belly." Take a good honest look at yourself! Are you proud of your body – or are you satisfied to go through life being just "half the man" you could be? No matter how ashamed you are of your present physical condition – or how old or young you are – the "sleeping" muscles already present in your body can turn you into a REAL man ! Believe me, I know – because I was once a skinny, scrawny 97-pound half-alive weakling! People used to laugh at my build and make fun of me. I was ashamed to strip for sports or the beach . . . shy of girls . . . afraid of healthy competition.



HOW I CHANGED FROM A "MOUSE" TO A MAN!

One day, I discovered a secret that changed me from a timid, frightened scarecrow into "The World's Most Perfectly Developed Man" – a "magic formula" that can help turn *you*, too, into a marvellous physical specimen . . . a REAL man from head to toe . . . a man who STANDS OUT in any crowd! What's my secret? "DYNAMIC-TENSION" – the natural method! No theory. No gadgets or contraptions. You just do as I did. Simply take the "sleeping" muscles already present inside your own body – build them up – use them every day in walking, bending over, reaching, even sitting! Almost before you know it, you're covered with a brand-new suit of beautiful, rock-hard SOLID MUSCLE!

MY SECRET BUILDS MUSCLES FAST!

Just 15 minutes each day in the privacy of your room is all it takes to make your chest and shoulder muscles swell so big they almost split your coat seams . . . turn your fists into sledge-hammers . . . build mighty legs that never tire!
